

Local and Personal

Although today was another fine day of sunshine and mild temperature, indications are for cloudy and unsettled weather tonight and Thursday. This morning's minimum of 35 degrees followed a maximum of 76 yesterday. A short spell of unusual heat in Medford for that time of year was approaching normal a year ago yesterday, with a maximum of 81.

Although milder weather has arrived, the local Red Cross headquarters is still the destination of a surprisingly large number of transients and wandering motorists. One party called at the office Monday for aid and the husband and father of six children explained he was anxious to reach Eugene to resume work on a ranch near that city. He gave Miss Lillian Roberts, executive secretary, a complete address, the telephone call could not be delivered. The entire address was fictitious and was given as possible means to encourage charity.

Jackie McCoy.

Pat Padelford is promised a hard match when he meets Jackie McCoy of Seattle at the Armory Monday night in an I. O. O. F. grand lodge committee benefit card, featuring Sailor Jack Wood, local wrestler, against Ralph Hand, former Gold Hill prize, now of Yakima, Wash., in a finish match.

The bout between Padelford and McCoy will be a special event and fans are inclined to believe McCoy will have the best of the bargain.

Wood is in hard training for Hand and is using every effort to lose surplus weight, not of advantage in wrestling such a tough man as Hand is known to be. Wood, who played in their last meeting and thinks he can do it again.

Many favorable comments were heard today concerning last night's Copco radio program which featured a piano recital by the pupils of Rosie Blackmore Willett. Mrs. Willett presented a number of talented students in a program made up of many attractive selections. Although the majority of the youthful artists were from Medford, the program included several from Grants Pass.

Indications were good today for a final settlement of the gasoline price cutting situation, after its having been a serious problem for local service stations for the past ten days or two weeks. Through an action taken by the gasoline distributing companies, the 25 cents per gallon price will be in effect in Medford, with some variations possibly selling at 26 cents.

The margin of profit to dealers has been cut by the companies, making a settlement on the lower figure necessary. It was the original plan to sell at 25 1/2 cents, but this move began a gas war several weeks ago, developing serious proportions during the last ten days, with some stations selling gas as low as 19 cents.

However, this afternoon 25-cent and 26-cent signs were still being displayed.

NEW YORK, May 8.—(AP)—High money rates continued to have a restrictive effect on speculative operations in today's stock market. Control of the price market shifted frequently between the "bull" and the "bear" forces, with the former apparently unable to attract a large outside following and the latter unsuccessful in forcing any extensive liquidation.

Call money renewed at 14 per cent with the supply relatively small. Little money from out of town was in evidence.

Many soft spots were filled in during the late trading when the forward term became more pronounced. Shares in which the floating supply is well controlled went up, notably General Electric, Commercial Solvents, McColl Publishing, Goodyear Rubber, Johns Manville, United Cigar Preferred, United Dye and Universal Leaf Tobacco. Gains in these stocks ranged from 2 to 7 points. Murray Corporation crossed 8 and Radio 102. The close was firm. Sales approximated 3,300,000 shares.

EUGENE PILOT DIES IN CRASH NEAR CHEYENNE

EUGENE, Ore., May 8.—(AP)—Ivan Houston, 27-year-old aviator who was killed near Cheyenne last night in a plane crash, was born near Medford, but came to Eugene in 1919 while he was still but a boy.

CHEYENNE, Wyo., May 8.—(AP) The body of Ivan Houston, Denver pilot on the Denver-Cheyenne air-mail route, was found in the wreckage of his plane ten miles south of here today by a searching plane. Houston had been missing since 7 o'clock last night when he passed over the local air field. He was unable to make a landing on account of the dense fog.

Pat Maroney, pilot on the Cheyenne-Salt Lake leg of the transcontinental air-mail service, met the Houston plane shortly after he took off last night and blinked his lights at Houston, but there was no responding signals. Maroney also was forced down shortly after taking off. He escaped injury.

DENVER, May 8.—(AP)—Lieutenant Ivan Donald Houston, pilot for Western Air Express on the Denver-Cheyenne air-mail route, who was killed last night when his plane crashed near Cheyenne, Wyo., during a fog, came to Denver April 13 last from his home in Eugene, Ore. He was a graduate of the February class at Kelly field, Texas. His widow now is visiting at the home of her mother in San Diego, Cal.

Lieutenant Houston was a native of Oregon and was a graduate of the University of Oregon in the class of 1925. While a student at that university he was a star athlete. After his graduation from the university he engaged in the insurance business at Eugene, remaining in that work until he enrolled as a flying student.

Officials of the Western Air Express here today declared he had displayed marked ability as a pilot and that he apparently had crashed while seeking to return to Dover, Colo., where the government maintains a lighted emergency landing field.

Strengthened by Lydia E. Pinkham's Vegetable Compound.

Berlin, N. H.—I took Lydia E. Pinkham's Vegetable Compound when I was in a family way because I was run-down and falling away every day. My food wouldn't digest and I could not do my work. I had to have a hired girl all the time. I took several medicines but none would help me. A friend told me about the Vegetable Compound and told me to try it as it would help me a lot. Your medicines have done me a lot of good and I cannot praise them enough. I will answer any letters that ask me what Lydia E. Pinkham's medicines have done for me.—Miss WILLIE AMERD, 627 Burgess St., Berlin, N. H.
