PREACHER BEATEN BY CONGREGATION DIES FROM HURTS

PORTLAND, Ore., May 10.—(SP)—A beating alleged to have been administered by four members of his congregation because they objected to a portion of his sermon, was given as the cause of injuries, which resulted in the death in a hospital here Thursday of the Rev. Andrew Lajunen, pastor of the Finnish Pentecostal church of Mullan Idaho. The minister lay unconscious for two days after entering a Portland hospital, but managed to rally yesterday and tell his version of the affair to Portland police. He declared he had left Mullan three days after the beating and had gone to Spokane, later coming here to visit a friend.

Lajunen said he had refused to sign a complaint against the four men, whom he was unable to name. He declared that the sheriff at Mullan had dropped an investigation of the case when he (Lajunen) had refused to sign a complaint.

Hospital attendants said a skull fracture had caused death.
