Roosevelt School

Reporters
 Following are the reporters for this week's news: Josephine Henry, Billy Shepard, Stanley Kunzman, Mollie Browne, Dorothy Tye, Catherine Brandt, James Horner.

Health Honor Roll Bands
 150 pupils from Roosevelt school qualified for the health parade on Friday and we were proud of the way in which they came down the street. Dolph Guyer, John Koppen and Alvin Tilton led the line with their drums.

Miss Aspinwall, Miss Webb, and Mrs. Willis marched with them. The 1st and 2nd grade pupils got to ride in two Oregon Stages.

The ones who had not qualified stayed at school until 2:30.

We hope that next year these people will begin sooner to get ready for this parade for we don't like to leave them behind.

Visitors
 J. O. Russell from Salem was a visitor at our school on Friday morning. He dropped in to our Oregon History class and told us many things of interest about eastern Oregon where he was superintendent for a number of years.

Music Festival
 At nine o'clock on May 2, two O. S. P. stage line buses met us at Medford Junior high, where we were picked up. The second bus was reserved for the M. J. H. harmonica band, who were dressed in white uniforms, with yellow caps trimmed in a narrow black band.

After arriving in Ashland, we had a rehearsal, then parade, after that luncheon at which hot chocolate was served. At our o'clock the program began. The mayor of Ashland gave a short speech, followed by two harmonica pieces, one of which was very cute. Four little boys of the Lincoln school of Ashland being dressed up. The leader wore a tall, black silk hat and a black vest. They played

four numbers. The different harmonica bands played several pieces. After this followed chorus, a male quartet from Klamath Falls, then the ensemble. Last on the program were the folk dances. Two children in Dutch costumes had gotten up at six o'clock to dance, so they were given the center of the floor and did a folk dance by themselves. After the program the photographer took our pictures to send to the Oregonian.

Banking
 Hurray for Roosevelt school! This is the second time this year that we have had 100 percent in banking. Look below at the average: 100 percent rooms and over. Banner room: 10, 123.1 percent; 5B-6B, 115.2; 6A, 116; 5A, 107; 2B-2A, 100 percent; 4B, 109; 1B-1A, 100 percent. This is not just luck. We pupils of Roosevelt school worked for it. Building, 101.1 percent.

Fire Drill
 In case of fire we wouldn't get scorched. On Thursday we cleared the building in 50 seconds after the alarm sounded. One boy went so far as to carry his book with him.

Track Meet Prizes
 Many boys and girls of the Roosevelt school won ribbons at the track meet on May 4th, but not enough to win either first or second places. It is over now and was taken from us fairly and in a sportslike manner. The Indian, Clarence Gentry from Lincoln school was high point man and won the meet for his school.

Roosevelt school's fastest dash man was unable to be present at the meet. He might have won for our school and he might not have done so. The boys and girls who won ribbons were as follows: Le Roy Coghill, who did his hardest jumping against the long-legged Kohn from Lincoln; Lee Hubler, Dorothea Putnam, Ronita Hamrick, Catherine Brandt, Luetta West, Martha Shurtlett, Velda Hestuffor, Rachel Grant, Layne McCulloch, Lester Casey Jennings, Bertha King and Stanley Kunzman. Roosevelt school won third place.

Spelling
 The spelling for the Roosevelt school was 94.8 percent the past week. Again the 5B grade received the highest percent. Their spelling average was 99.5 percent.

Fern
 The 6A's were very proud to win the fern last week because they haven't had it for quite a while. They won it for having the highest percent of parents at the Parent-Teacher meeting last week.

Thursday, April 30, the 6A's were guests of the P. T. A. and they also gave a nice program about Oregon as it was Oregon Day. All enjoy the fern.

New Books
 The Roosevelt pupils are quite generous as we have seventy-five books now. The Parent-Teacher association should be included with that as they have brought ten or twelve or more books. Six books were donated the last week. The cupboard is nearly full now.

Student Body Assembly
 There was a Roosevelt school student body assembly, Thursday, March 9. The president called the meeting to order, and the secretary read his minutes of last meeting.

The president asked for suggestions or corrections, then she asked for any new business. There was a report from the fire and clean-up committee. Miss Van Meter asked to have the clean-up committee's duties read, which was done by the president, Irene Alcock, a member of the fire squad gave some suggestions to clear the building quicker during fire drills. Next was a piano solo by Elaine Brophy, then a song by Miss Allen, accompanied by Miss Schneider. Then a song was sung by the student body, led by Miss Allen. Miss Allen played the Boy Scout March as the meeting was over and the pupils marched out.

Lincoln School

Summer must be here for roses are blooming in the Lincoln garden! The 4B made 100 percent in spelling last Friday. They celebrated with a picnic Wednesday. To add to the joy of the occasion Miss Webber treated the class with Eskimo pie.

Our health percent for the year was 43.2. One hundred twenty-one marched in the parade, representing our Health Honor Roll.

Miss Tucker's second grade and Mrs. Scott's 1A tied for the health banner this week; each with 100 percent.

Banking average was 95.5 percent with Mrs. Kershaw's, Mrs. Scott's and Mrs. Harrison's 100 percent.

Little Betty Atherton of the 1A said, "I wrote a story about Mother's Day last night." This is the story:

"Mother's Day I love the best. She's always cheering us up. I make it nice for her. When she bakes pies and cakes." On Tuesday an assembly of the upper grades was held. Mr. Henderson presented our school with a silver cup as winner in the grade school track meet.

Mrs. Harrison has been ill all week. Mrs. Kunzman filled her place.

All of you would enjoy seeing the clever Chinamen made by the 3A class.

Thursday afternoon the 6A's entertained with an inspiring program as a farewell to our school. In celebration of "Champeog Day" the theme of the program was built around Oregon history. Every member gave some facts connected with our state history, so that we were quite well informed when they finished. The leader was Paul Dorf.

Added to this feature were the following numbers:
 Demonstration—Girl Scouts, Iris troop.
 Demonstration—Boy Scouts, troop 1.

Solo—Out Where the West Begins
 Song—O Susanna, 5A class
 Solo—Little Grey Home in the West, 5A class
 Song—My Oregon
 The program was appropriately concluded by a welcome to Junior high from Mr. Hedrick. He planned all with his helpful thoughts.

The class mothers served ice cream, cake and "pop" in the

school dining room. A rousing cheer was given in appreciation. Led by our two alert drummers, boys Herbert Nelson and Don Elliott, 121 sturdy boys and girls marched in caps of blue and gold. Bright eyed little folks of the first and second grades peeped from huge trucks, bringing smiles to the faces of old and young.

We earnestly hope that with the assistance of the school nurse and the cooperation of the teachers, parents and pupils, we may lead the line of march next year with a score we can proudly display.

Mt. Pitt School

Music Festival
 Oh boy! The Mt. Pitt school had a good time at the music festival in Ashland, Friday the 3rd. All the schools in the county and out of the county were there. The Klamath Falls children went in four buses. After all the children got there they went to the Junior high gymnasium, where they sang, played harmonicas and danced. The children all marched down Main street in front of the Lithia hotel and played and sang. Then they went to the Junior high gym where Miss Leona G. Marsters provided chocolate with marshmallows and cookies. At 1:30 p. m. the Junior high of Medford played for the children on harmonicas and some of the children of the schools danced folk dances. The Mt. Pitt children hope the other children enjoyed the festival as well as they did.—William Fickelsen, 7th grade.

The pupils of the Mt. Pitt school had their pictures taken Friday, the 10th. The children all hustled

to get their hair combed and to look very neat. All will be very anxious to sit the pictures.—Frank Platt, 7th grade.

The weather has been warm at Mt. Pitt. The primary children have lots of fun playing ball. The older children pitch horseshoes. The children go flower picking, finding orchids, lambtongues, trilliums, redbells, baby blue eyes, cowslips, buttercups, bloodred and grass widows.—Francis Heryford, 3rd grade.

The men at camp have been catching fine strings of fish. May-be I shouldn't have mentioned anything about the fish biting so good or others will steal our fish- ing grounds. We hope the fish will keep on biting. Some men are fishing in Four-Bit creek.—Cleo Richman, 4th grade.

Now that the roads have been fixed, and the weather is fine, we have had many more visitors at our school. They were Miss Burr, the county supervisor, and her mother, Mrs. W. L. Burr, Mrs. A. J. Hanby of Medford, Mrs. O. M. Goss, Zola Conley, Bud Tungate, and Fred Heryford. Some of the children gathered some wild flowers and gave them to our visitors, who seemed greatly pleased.—Beulah Heryford, 7th grade.
