PINE BEETLE WAR IN CRATER PARK WOODS TO START

The outlook now is that the pine beetle pest eradication campaign in Crater National park which has been hanging fire for weeks past, beyond headquarters preparation being made at Anna Springs camp by the small crew of workers there, to establish various pine beetle workers' camps throughout the park, will get under way sometime this week if the snow has packed down hard enough for the beetle destroyers to "spot" the trees that need to be cared for.

The snow has been so deep and soft that so far it has prevented this spotting work being undertaken. Superintendent E. C. Solinsky of the park will go up to the park this week to learn the exact situation.

The pine beetle work will get under way as soon as possible, and will then be rushed to completion by crews of workers numbering 50 or more men, as it must be finished before the hot weather sets in.

The government has appropriated $9000 for this campaign and this money will only be available this season, and if not used will revert back to the government, as no provision was made in the legislation for the appropriation, for the sum to be available next year, if it could not be used this season. Hence the anxiety to get at the work and rush it thru in time before hot weather arrives, as no work towards destroying the pine beetle can be done after that time.

Fort Hubbard, ranger, Martin Palmer, mechanician and Chas. Goold, truck driver, of the Crater National park staff left yesterday for the park to do preparatory work there for the opening of the Crater Lake season July 1st, and join the workers already there at the pine beetle headquarters at Anna Spring camp.

FOUR MORE DAYS TO SECURE FREE CIRCUS TICKETS

Say, kiddies!

It's only four more days until Al. G. Barnes' big circus will show in Medford and if you haven't earned one of the tickets being given by the Mail Tribune, better get busy tomorrow.

Get your parents, your uncle, aunt, neighbor or friend to give you a two months subscription to this paper,—must be a new subscriber—bring or send the name, address and $1.50 to this office and you will receive free a ticket that will admit any child, 16 or under, to Al. G. Barnes' main circus, to the wild west show and to the side show. The value of these tickets is $1.25.

Don't wait until the circus comes and goes and then be sorry you did not make a little effort, secure a subscriber and get a free ticket.

A number of children have already secured tickets.

This offer is good for any child 16 or under, in this city or valley.

AMARILLO, Tex., May 11.—(AP) Five men were killed, a woman was believed fatally injured and more than a score of guests were hurt in a fire that destroyed the tourist hotel here today.

Another Orchard Opportunity

A combination dairy and orchard proposition; 18 acres full bearing pears, 40 acres alfalfa. Big dairy barn, fully equipped. Good herd, dairy equipment. Pasture, spring water. Fine home. This place is out a ways, but is worth all the owner is asking. See this and be convinced. Don't phone.

ILLUMINATION FOR BUSINESS HOUSES TO BE DISCUSSED

A real treat is in store for those who attend the regular monthly meeting of the Medford Merchants association at the Hotel Medford tomorrow evening as Geo. Rucker, well known authority on electrical illumination will deliver an interesting address. Mr. Rucker Pacific coast manager for the Holophane Company, is a member of the Illuminating Engineers society and is a Fellow of the American association and is considered one of the most outstanding lighting experts on the coast.

In his address before the Medford Merchants' association, Mr. Rucker will give some interesting pointers on proper store illumination, lighting of display windows and street lighting. Since good store and window illumination is essential to successful merchandising, the Medford business men will be vitally interested in Mr. Rucker's address.

Another drawing card for Monday's merchants' meeting will be a talk by Perry B. Armold, president of the Armold Sales Training Institute. Mr. Armold is conducting a series of lecture courses at the Hotel Medford at the present time.

There will be other features for Monday's meeting, according to Clarence A. Meeker, president of the Business Men's association, including music and the annual round-table discussions.

SAILOR FAILS TO UPSET MR. HAND

Ralph Hand, former Gold Hill man, now of Washington, may not make such a startling comeback as he expects if Sailor Jack Wood, whom he meets at the armory tomorrow night under the auspices of the I. O. O. F. grand lodge committee, has his way. Wood, as the result of continued heavy training, declares he is in the best condition he has been for the past year. He feels much better than when he met and put up such good matches with Billy Edwards and Tom Alley.

Hand has arrived and has been working out at his old stamping grounds in the Gold Hill section, where he will have most of his support in Monday night's match. Hand has wrestled with some of the best men in the game and still takes pride in the toe hold which made him famous when he was here several years ago.

Boxing fans will delight in the special boxing event between Pat Padelford of Medford and Jack McCoy of Seattle. McCoy will be remembered by fans for his bout with Austin Rosander of Ashland at the armory a short time ago. If he performs as well as he did that night, Padelford may no longer be the local pride. As a preliminary, Joe Corbett will box Eddie O'Connor four rounds.

HIGH STUDENTS IN CHEMISTRY TESTS

The chemistry department of the high school is again represented in a state-wide contest, this one being sponsored by the Oregon section of the American Chemical society. The contest is unusual in at least one respect in that the various high schools entered compete by examination only. Thirty-one high schools of the state have entered the contest, all of them taking the examination on Friday of last week.

The rules of the contest require that a school desiring to enter the contest register a team with the state committee not later than April 15th in order to qualify for the examination, the latter covering the entire first year chemistry course. The number representing a school is based on the number of students enrolled in chemistry. An enrollment of 24 or less will entitle a school to a team of three members, while schools having a larger enrollment than 24 are entitled to three members for the first 15 students enrolled and one additional member for every 10 above 15. The examination is written, and the papers are forwarded to the state committee. A trophy is awarded to the team having the highest standing.

It is interesting to note that of the thirty-one schools registered in the contest only two have a larger enrollment than Medford high.

The team representing Medford high was coached by H. F. Cope, head of science, and consists of the following members:

Leonard Hayssen, Max Bray, Donald Moore, Walter Harris, Alan Carley, Woodrow Jones, Beulah Gore, Susie Shelton, Doris Jones, Ruth Schow.

MENDENHALL AT DEL MONTE SHOOT

Representing Medford in the big Pacific coast trap shoot, S. G. Mendenhall is spending several days in Del Monte, Calif., shooting against some of the best trapshooters in the nation. Mr. Mendenhall is regarded as one of the best shots in southern Oregon, but as yet nothing has been heard of his record in the present shoot.

FRANKLIN STATE TRACK CHAMPION

CORVALLIS, Ore., May 11.—(AP) Three all-time state records were broken and two were tied at the third annual high school track meet here today.

Franklin high school of Portland, won the championship of Oregon in the interscholastic track and field events with 28 3-10 points. Fyock of Franklin with ten points was the individual star of the meet. Portland high schools and Hill military academy, Portland, carried off more honors than all the rest of the state combined.

Skaggs Stores Advertising Director Visits Medford

S. J. Pickens of Oakland, Cal., advertising director of Skaggs Safeway Stores, Inc., was in Medford Saturday transacting business with J. L. Hethcote, district manager and investigationing conditions in Medford and vicinity. Mr. Pickens is delighted with the wonderful prospects in this valley and with the increased business at the two Medford stores, a great deal of credit for which is due to the management of Mr. Heathcote.

Mr. Pickens is also a great believer in advertising, as are the Skaggs Safeway store owners.

Mr. Pickens says the company now has over 3200 stores, scattered all over the country, and during April of this year its business showed an increase of 106 per cent over April of last year.

The company purchased the Miller market in Klamath Falls a few weeks ago, has remodeled the building, put in new fixtures and a new stock and will have its opening next Saturday, May 19.

DES MOINES, Iowa, May 11.—(AP)—Dr. T. T. Shields, president of the board of trustees of Des Moines university, announced today that the "entire faculty of the university had been dismissed."

WINNIPEG, Man., May 11.—(AP) A score of fires roared through the parched forests of northern Manitoba and Saskatchewan today, destroying huge stands of valuable timber and threatening settlements.

ROGUE MEDICS TO MEET WEDNESDAY

The members of the Southern Oregon Medical association are looking forward with relish to the thirty-eighth annual session of this body, which will be held at Grants Pass next Wednesday, May 15, the programs of which are being sent out by Dr. E. A. Wood of Ashland, secretary of the association.

The chief speaker on this occasion will be Dr. William Mayo of the famous Rochester, Minn., clinic, who, in company with Dr. Robert C. Coffey of Portland, recently visited the Woodland, Calif., sanitarium conducted by Mayo physicians, and will also address the state medical association meeting to be held at La Grande May 16.

The doctors of Lane, Coos and Klamath counties, and of Siskiyou county in neighboring California, are also invited to attend the all-day session of the association at Grants Pass.

MEDFORD SIGN IN PORTLAND LAUDED

The following letter was received last week by C. T. Baker, secretary of the Medford Chamber of Commerce, from E. G. Harlan, editor of the Oregon Business magazine, complimenting Medford and southern Oregon on a new sign board in Portland:

We want to congratulate your community upon securing a very beautifully painted sign-board in Portland, located at 16th and Sandy Blvd., on which the Shell Oil Company has a very beautiful reproduction of Crater Lake.

The Foster & Kleiser Company certainly turned out an artistic board in this case and being strategically located is seen daily by thousands of people, and during [illegible] will catch the attention of people coming in over the Columbia River highway to Portland.

This is a splendid example of cooperation on the part of the oil companies and we presume they acquainted you with the fact that the board had been painted.

VETERANS TO DISCUSS PORTLAND INVITATION

Monday night's meeting of the American Legion post will be curtailed to some extent to enable the veterans to attend the smoker billed for the same night in the armory.

Action on the invitation of the Portland Rose festival committee for the post drum corps to attend the annual festivities and other important matters will come before the meeting which is scheduled to convene promptly at eight o'clock.

CHURCHILL DOWNS TO INAUGURATE SEASON

LOUISVILLE, Ky., May 10.—(AP)—The annual spring meeting at historic old Churchill Downs, scene of the Kentucky derby, will open here Saturday with the Clark handicap as the opening day feature.

The Clark, named in honor of M. Lewis Clark, founder of Churchill Downs, has a continuous record as old as the Kentucky derby itself. It was founded in the same year.
