## ATHLETICS GAIN FIRST PLACE BY BEATING TIGERS

### Yanks Idle As Philadelphians Forge Ahead—Cards Move Up to Tie for Lead Without Play—Senators Stop Browns.

By William J. Chipman  
Associated Press Sports Writer.  
Major league baseball lost another decision to the weather man yesterday, but on a decision rather than by a knockout. Exactly one-half of the schedule was saved, enough to affect the standing in both leagues. The Athletics pulled into first place, half a game ahead of the Yanks, by defeating the Tigers at Detroit, 10 to 8, in a game which left eight pitchers draped upon the ropes, while the Braves shoved the Cubs into a deadlock with the St. Louis Cardinals in the National league by shaming the McCarthymen in twelve innings, 6 to 5.

The Cardinals, moving into a tie for the lead in John Heydler's circuit without so much as unlimbering a bat, thus profited from idleness at a moment when the Yanks found it costly. This is the first time in four years that the Yanks have been anywhere but in first place at this particular time in May.

The Athletics also registered a neat gain over the Browns, who persist in threatening from the third rung of the American league ladder. The Senators stopped the Browns in another knockdown-and-drag-out affair by a score of 9 to 7, aiding both the A's and the Yankees.

The Chicago White Sox evened their series against Boston by winning, 6 to 2. Bob Welland pitched a smart game for the Blackburne host, and received the aid of a home run contribution from Chalmer Cissell.

The Braves and the Cubs had the stage all to themselves in the senior league, and celebrated by giving Boston fans their first exciting demonstration of the season. The twelfth-round celebration of the Messrs. Berny James and Al Spohrer, who doubled, cost Pierce Malone his first defeat of the season after five winning efforts.

The real feature was the brilliant relief pitching of Johnny Cooney. John entered the debate in the eighth inning after the Braves had tied the score at 5 to 5, and held the Cubs to three inconspicuous hits in five rounds while waiting for the home defenders to get a run for him. Ben Cantwell gave the Bruins six hits and five runs through the first seven innings.

Nobody can say with precision just which team profited by the carrying over of the Red-Giant fray at the Polo grounds, but it is fairly certain that the Robins lost nothing by postponing their scheduled hostilities against the troublesome Pirates at Ebbets Field.

### DIXON HAS OLD POWER IN RIGHT

PORTLAND, Ore., May 15.—(AP) George Dixon, Portland, made good in his comeback last night by knocking out Willie Feldman, New York, in the sixth round of their scheduled 16-round main event. They are middleweights. Dixon fought with the tigerish fury he displayed a year ago and his deadly right was much in evidence. The punishment Feldman took showed in the sixth and Dixon soon had him helpless, the referee stopping the battle.

Frankie Warnecke and Jack Kentworth, Salem, dove in four rounds. A crowd of two thousand saw the card which was held in the city auditorium.

### Elinor Will Fly.

FREEMONT, N. Y., May 15.—(AP) "We" flew to Paris. It is the intention of Elinor Smith, 17-year-old bobbed blonde, to start some fine day in the next few months on a flight to Rome. "And in that ship," she insists, "there'll be just gasoline and me."

## JACK AND GENE BLACKBALLED IN ATHLETIC CLUB

NEW YORK, May 15.—(AP) The New York American said today there was a buzz of suppressed excitement at the New York Athletic club over the outcome of efforts by both Gene Tunney and Jack Dempsey to become members.

The fact that Tunney had applied for membership last July was only revealed last night when the board of governors after their monthly meeting failed to announce Dempsey's election. Members of the board explained that Dempsey's name never had been submitted by the membership committee.

The names of all applicants must first go to the membership committee, which is composed of five members. Three black balls are sufficient to prevent an application from being sent to the board of governors for final action. None of the membership committee-men would admit any black balls had been cast against Dempsey.

The American quoted Dr. John P. Connors, chairman of the committee that favorably reported the Tunney application, as saying Tunney was elected to membership by the board of governors but that "something must have happened" after the election to cause his rejection.

## THE HAIG RETAINS GOLFING FORM IN YORKSHIRE TESTS

MOORTOWN, England, May 15.—(AP)—Bill Haig, playing in brilliant form, Walter Haig, American Ryder cup team captain and four-time British open champion, scored a 70 today to take the lead among the qualifiers for the Yorkshire Evening News thousand guineas golf tournament. Haig's 70, combined with his 63 of yesterday, gave him a 36-hole total of 133, five strokes ahead of two other Americans, Leo Diegel and Al Watrous, who were tied with 144.

After a bad series of holes for the first nine, Horton Smith recovered on the second sufficiently to get a fair score. His outward score of 41 included an eight, but he finished with a birdie four for a total of 77 and 36 hole score of 113, which assured him qualification.

Dudley played conservative golf with few slips on the greens, which left him with a score of 76 and sent him safely into the match play.

James Ockenden, former French open champion, came through with a score of 79 today to tie Haig's low mark for the second qualifying test. Ockenden, however, took 83 yesterday.

## Brisbane's Today

(Continued from Page One.)  
Unfortunately for Ramsay MacDonald's sincerity and earnestness, theory is one thing and practice is another.

The labor party went in to settle the nation's labor troubles, and almost immediately the country was plunged into the worst strike that England had. The labor party left the coal industry of Britain appar-

ently ruined, and tens of thousands of men have been out of work ever since.

Clemenceau has changed his book, about to be published, and announces that it will contain no attack on Foch—the great marshal being dead.

Marshal Foch had attacked Clemenceau, the attacks based on the fact that Foch was a deeply religious man, and Clemenceau notoriously irreligious.

Clemenceau's lack of religious belief prevented his election as president of France, after the war. Fenchmen, not very religious as a rule, "I don't want my clergyman to bother me, but I don't want anybody to bother my clergyman."

Foch and Clemenceau, of course, will meet in heaven, in the front row where good patriots sit together. And both will be surprised to meet there.

Foch by that time will know that but for Clemenceau there would not have been any "great Foch," or any victory for the French, and will probably consider that as important in the long run as technical religious belief.

## GIRLS MORE RELIGIOUS THAN MEN AT COLLEGE

OREGON STATE AGRICULTURAL COLLEGE, Corvallis, May 15.—(Special) Women students at Oregon State college show more religious convictions than men students, according to figures just compiled from church preference slips by the Y. M. C. A. and Y. W. C. A. Of the total student enrollment, 1759 students show church preference and 1215 make no preference. Those without church preference number 222 women as against 933 men.

The church preferred by most men is the Methodist, and among women, the Presbyterian. Men designating the Methodist church number 260. Women naming the Presbyterian church numbered 236.

Jack Coos On Phone.  
NEW YORK, May 15.—(AP)—Jack Dempsey, who has been in doors much of the time because of a cold and a sore throat, telephoned the Mrs. at Hollywood daily. His secretary says as to one conversation: "It was full of such endearing terms I had to duck out of hearing."

### Wall Street Report

NEW YORK, May 15.—(AP)—High call money rates again proved an insurmountable barrier

to speculators for the advance in today's stock market. The general upward movement was halted when late borrowers had to pay 15 per cent for call loans, much of the early advance was whittled down as selling pressure grew and several pivotal industrials were quoted well under yesterday's close. The close was 1/4%.

## Dempsey Gets No Purse for Fight With J. Benjamin

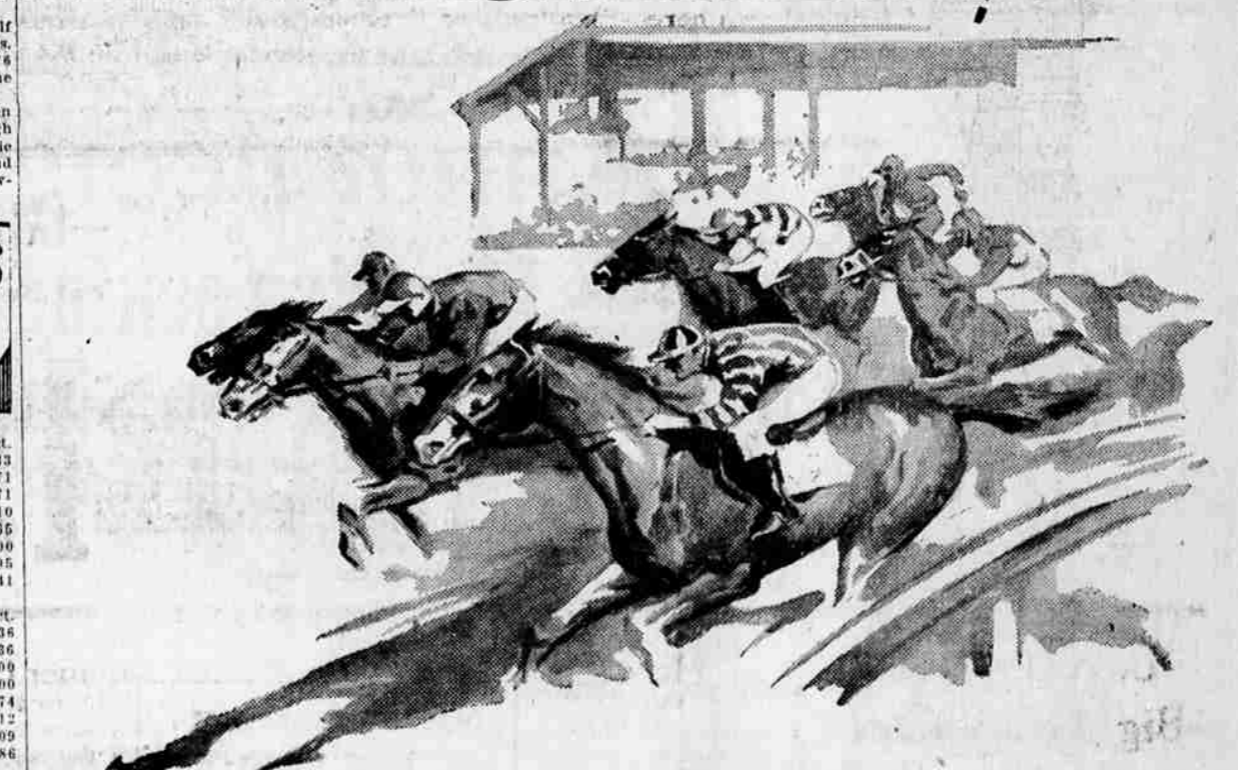

NEW YORK, May 15.—(AP) The Daily News today printed an announcement of an altercation between Jack Dempsey, former heavyweight champion, and Joe Benjamin, a former lightweight, at a party in a hotel. As the story goes, there were words over girls at the party, and Jack gave Joe a short crushing right. Joe went down and got up again. Dempsey left. Benjamin yelled after him to return and fight. He didn't.

TASTE above everything  
Taste shows, in Chesterfield, in the tobaccos we buy—aromatic leaf of good "body," free from harshness, high in natural sugar, mild, ripe. It shows, too, in the way we blend and "cross-blend" them. Most of all, it shows in the way men stick to Chesterfields—for that's final proof of taste!
