Lest We Forget — Buy a Poppy

An election is to be held in the Berryville-Howard district along the Pacific highway June 15 to determine whether the district shall be reincorporated in order that it may be re-formed so as to include a new section of property along the new Midway road to be constructed in a short time. The district includes a comparatively large population, but the valuation is deemed not sufficiently high for the construction of a proposed water system, receiving its source from the Medford supply. The system will be laid within a mile of the Central Point city limits.
