DEL MONTE, Cal., May 28.—(AP)—Warner Edmonds, Jr., of San Diego, took the lead among the early finishers of the 36th hole qualifying round for the state amateur golf championship when he shot a 79 for today's round and posted a total of 156 for his two eighteens. Edmonds went out in 38 and took 41 for the incoming nine. A. G. Sato of San Francisco had an 80, the same score as yesterday, and was assured of a place among the 32 qualifiers for the championship with his 160. Warren Johnson of Los Angeles stroked the Pebble Beach course in 82 for a total of 162. Gerald Hardy of Fresno had an 83 for a total of 165. Phil Forre, Jr., of Los Angeles shot 83, the same as yesterday, for 165. These scores were expected to easily qualify for the championship flight.

INVENTION PROMISES SOLVE FOG PROBLEM

ST. LOUIS, Mo., May 28.—(AP)—The elimination by next fall of the fog problem, one of the major hazards in aviation, was predicted by Elmer A. Sperry of New York, of the Sperry Gyroscope Co. Addressing the third annual aeronautical meeting of the American Society of Mechanical Engineers last night, Sperry said that instruments to permit the landing of airplanes in "sea soup" fogs were nearing completion. Sperry is working in co-operation with the Bell Laboratories, the Western Electric, the Guggenheim fund for the promotion of aerodynamics and others to solve a problem which has hindered commercial aviation from its beginning.

BALLOT TITLE APPEALS TO BE HEARD FRIDAY

SALEM, Ore., May 28.—(AP)—Frank Hamilton of Portland, who is one of the litigators of a measure placing certain restrictions on fraternal insurance companies in Oregon with respect to rates, Monday filed in the supreme court an appeal from the ballot title for the measure, as prepared by Attorney General Van Winkle. Argument on the appeal will be heard by the court Friday of this week. On the same day the court will hear arguments on the appeal of W. M. Davis of Portland from the ballot title of the referendum against the act creating two new circuit judgeships in Multnomah county, and on the appeal of E. B. Smith from the ballot title of the referendum against the excise tax act.

G. O. P. Will Celebrate Diamond Jubilee at Wisconsin School

RIPON, Wis.—(AP) A little frame schoolhouse on the Ripon college campus, in which the germ of the Republican party is said to have had its origin, will attract a notable assembly of that party in June to celebrate the 75th anniversary of the founding of the party. President Hoover has accepted the honorary chairmanship and James W. Good (secretary of war, will deliver the principal address today diamond jubilee. Gov. Walter J. Kohler will serve as master of ceremonies, and state and national officials have been placed on the speaking program. The Wisconsin legislators will attend in a body. George Vits, national Republican committeeman from Wisconsin, and Mrs. Harry E. Thomas, national committeewoman, asked President and Mrs. Hoover to attend, and Judge Roy E. Reed, national chairman of the committee on arrangements, sent an invitation to Mr. and Mrs. Calvin Coolidge. It was in the little schoolhouse, then a frontier institution, that Alvan Boyay, a Whig, called a meeting for the purpose of sowing the seeds for a new party. The introduction of the "Kansas-Nebraska bill" during the 1853-54 congressional session by Senator Stephen A. Douglas of Illinois was the immediate cause which precipitated the meeting. The bill aroused a storm of indignation from the anti-slavery people and brought about a resolution at the Ripon meeting, demanding that the party be reorganized. Boyay then called another meeting at which he urged the people to band themselves together under the name "Republican." By a formal vote the town committee of the Free-soil and Whig parties were dissolved and a five-man committee was appointed for the new party. In Jackson, Mich., July 6 of the same year, an anti-Nebraska convention was held that captured the seed planted at Ripon by nominating a Republican state ticket. The party reached maturity when the national convention met in Philadelphia, June 17, 1856.

SECOND RATER BEATS BOLD MIKE M'TIGUE

NEW YORK, May 28.—(AP)—The fistie scrap-heap seems to await bold Michael McTigue from County Clarke, Ireland, twice holder of the light heavyweight championship. Attempting a comeback at the age of 36, McTigue was knocked out in two rounds by George Hoffman, former national amateur champion, at the St. Nicholas arena last night. Mike has been knocked out before but where it took first class men to do it before, Hoffman, with only a mediocre record among the professionals, found the ex-light heavyweight champion an easy victim. Search for Youths. DALLAS, Texas, May 28.—(AP)—Searchers today dragged White-rock lake, a municipal reservoir, for bodies of three youths believed drowned when their boat overturned last night, while they were looking after their fishing lines.

Wall Street Report

NEW YORK, May 28.—(AP)—The storm of selling which has been sweeping through the stock market for the past week appeared to have run its course, at least temporarily today and prices rebounded in brisk fashion under the influence of strong buying support. A few weak spots cropped out here and there, presumably in reflection of the closing out of weakened marginal accounts, but most of the industrial and railroad leaders met strong support from the outset of the market. The market closed strong with the day's sales approximating 1,100,000 shares.

HATCHERIES FURNISHED HUGE SUPPLY OF FISH

WASHINGTON, May 28.—(AP)—Federal fish hatcheries last year furnished 7,900,000,000 baby fish for stocking the coastal ocean waters, the lakes and the streams of the United States. Of the total, as reported by the commerce department, 5,750,000,000 were cod, haddock and flounders—food fish for north Atlantic waters. Another 500,000,000 went to the Great Lakes, while 35,000,000 Pacific salmon fry were released. The remainder consisted of the various varieties of fish released in streams to maintain the supply for sportsmen.

BELIEVE NEW ALTITUDE RECORD ESTABLISHED

EAST ST. LOUIS, May 28.—(AP) The world's altitude record for two-seated airplanes of weight less than 881 pounds, was believed to have been broken at Parks airport here today by Barney Zimmerly, of Marshall, Mo., whose altimeter recorded an altitude of 24,000 feet when he landed at 1:45 p. m. He took off at 11:03 a. m. The old record, was 19,852 feet, made by Captain G. DeHavilland of England.
