

ADDED PRIZES AT SALEM FOR BEST VET DRUM CORPS

An added inducement to make the drum corps contest, which is a feature of the department convention of the American Legion, a worthwhile affair from the standpoint of the individual drum corps, the Salem convention commission has set apart an additional amount of money to be used as drum corps prizes. The sum of \$1000 had already been allotted to be divided among the various corps on the basis of number of men and miles traveled. In addition to this, prizes amounting to \$100 first prize, \$60 second prize and \$40 third prize have been offered by the commission. This means that the winning

corps will receive its share of the mileage money and will also be entitled to \$100 offered for first place. The department of Oregon American Legion, annual convention will be held in Salem August 8, 9 and 10, and the drum corps contest will take place Friday, August 9. Salem's crack drum corps, which won second place in the national competition at San Antonio, Texas, last fall, will not be a contestant in the state contest, as Salem is the host city.

ELEANORA SEARS FINE AFTER WALK

PARIS, May 31.—(AP)—After walking 42 1/2 miles in eight hours and 30 minutes, Miss Eleanor Sears of Boston felt "fine" today. The tanned Boston sportswoman and pedestrian started from Fontainebleau at 5:02 a. m. yesterday and arrived at the Ritz hotel at 1:37 p. m., finishing fresh and chipper as ever.

Her time, an average of about five miles an hour, was better than in previous walks between Newport, R. I. and Boston; Laurel, Maryland, and Baltimore; and Providence and Boston.

SAGHALIEN BLAZE CONTINUES WRECK OF ISLAND HOMES

TOKYO, May 31.—(AP)—Japanese residents of southern Saghalien island fought today for their lives and their homes against forest fires which were believed to have killed 100 persons and burned more than 1,000 houses.

Square dispatches to newspapers were left to fear there had been a major disaster. Communications on the island were badly crippled with railways blocked, telegraphs and telephones down, and only meager reports were obtainable.

A dispatch to the newspaper Ashai Shimbun, from Maokahama, a village near Exutori, said Maokahama had been wiped out and that there were 100 dead and 1,000 houses burned.

Syncopation Coming to Hunt's Craterian

Fred Waring and his famous Pennsylvania known everywhere by their talking machine records and their engagements in the larger picture houses, are to be seen and heard in "Syncopation," the all-talker, coming to Hunt's Craterian Sunday.

Fred Waring beginning the organization of his present band when he was a student at Peñ State college, gathered his fellow students together and formed the now internationally known orchestra.

In addition to the nine numbers which these inimitable jazz artists are to play in this first of their pictures, including the popular new song hits, "I'll Always Be in Love With You," "Perich," "Do Something," a number of singing and dancing artists will appear.

In the cast unfolding the love story of a pair of Broadway hoofers are Barbara Bennett, Bobby Watson, Ian Hunter, Morton Downey Osgood Perkins, MacKenzie Ward, Verree Teasdale and Dorothy Lee.

Buster Keaton at Rialto Tomorrow

"Steamboat Bill, Jr." will head the bill at the Rialto theatre tomorrow.

The frozen-faced funny man who rendered such farces as "College" and "Go West" now he comes the well-bred son of a busy Mississippi river boat captain. When things start going from bad to worse for the father, his "softy" son arrives on the scene. Bill, Jr., doesn't exactly give dad any helping hand when he falls in love with the daughter of the rival captain, nor does he help to regain the business which the other has stolen from his father. However, a cyclone comes along and then Buster—but it doesn't require such imagination to think of the antics he indulges in!

Ernest Torrence is cast as Buster's he-man parent. Heading Keaton's supporting cast are Marion Myron, Tom Lewis, and Tom McGuire.

Are You Ready

When your Children Cry for It

Baby has little upsets at times. All your care cannot prevent them. But you can be prepared. Then you can do what any experienced nurse would do—what most physicians would tell you to do—give a few drops of plain Castoria. No sooner does than baby is soothed; relief is just a matter of moments. Yet you have eased your child without use of a single doubtful drug; Castoria is vegetable. So it's safe to use as often as an infant has any little pain you cannot pat away. And it's always ready for the cruder stages of colic, or constipation, or diarrhea; effective, too, for older children. Twenty-five million bottles were bought last year.
