**To Identify Genuine Aspirin**

THE increasing use of Bayer Aspirin every year is proof that it has no ill effects. It is the accepted antidote for pain. It always helps; it never harms. Quick relief when you've a headache, or cold, or are suffering from neuralgia or neuritis. Rheumatic pains yield, too, if you'll only give these tablets a chance. But you want genuine Aspirin, so look for the Bayer Cross on every tablet. The box always bears the name Bayer and the word genuine printed in red.

**IF** (Kipling.)  
If you can keep your head when all about you  
Are losing theirs and blaming it on you;  
If you can trust yourself when all men doubt you,  
But make allowance for their doubting too;  
If you can wait and not be tired by waiting,  
Or, being lied about, don't deal in lies,  
Or, being hated, don't give way to hating,  
And yet don't look too good, nor talk too wise.

If you can dream, and not make dreams your masters;  
If you can think, and not make thoughts your aim;  
If you can meet with triumph and disaster,  
And treat these two impostors just the same.

If you can hear to hear the truth you've spoken,  
Twisted by knaves to make a trap for fools,  
Or watch the things you gave your life to, broken,  
And stoop and build 'em up with worn-out tools.

If you can make one heap of all your winnings,  
And risk it on one turn of pitch and toss,  
And lose, and start again at your beginnings,  
And never breathe a word about your loss.

If you can force your heart and nerve and sinew,  
To serve your turn long after they are gone,  
And so hold on when there is nothing in you,  
Except the will which says to them: "Hold on!"

If you can talk with crowds and keep your virtue,  
Or walk with kings—nor lose the common touch,  
If neither feel nor love your friends  
Can hurt you,  
If all men count with you, but none too much.

If you can fill the unforgiving minute  
With sixty seconds' worth of distance run,  
Yours is the earth and everything that's in it,  
And which is more—you'll be a man, my son.

**State Grange Meet.**  
June 11-14.  
The chamber of commerce of Myrtle Point has shown itself resourceful and equal to any emergency. Cards have been received by prospective delegates to the state convention of the State Grange, saying they plan to place all delegates in comfortable, pleasant quarters during their visit to Myrtle Point.

It is no small undertaking for a town the size of Myrtle Point to house comfortably nearly 2,000 delegates, with hardly two weeks' notice. But this is what the Myrtle Point chamber of commerce is planning to do.

No delegate need feel disappointed at the change in place of the State Grange meet. There will be the same delightful trip over the Roseburg-Town Bay highway and all may rest assured that the entertainment will be equal to that accorded to State Grange delegates in the past.

All Jackson county Grangers who possibly can, should plan to attend this meet. Myrtle Point is easily reached by a few hours' drive, with good highway all the way. We rarely have the Grange convention in southern Oregon, so all should take advantage of this opportunity who can.

There will be plenty of room in the park for camping out with your own equipment and there will also be rooms and cabins for all who desire them. The educational advantages offered and the enjoyable time to be had, will amply repay any Granger for the small sacrifice of time.

The convention opens with lecturers' conference, Tuesday and Wednesday mornings, from 8 to 9:15 a. m. Tuesday morning, from 8 to 9:15 a. m. Thursday and Friday morning, from 8 to 9:15 a. m. State lecturers' program, Tuesday evening at 8 p. m. Open to the public.

Memorial exercises, open to the public, 1:30 p. m., Thursday. Exemplification of fifth degree by Coos County Pomona Grange, at 8 p. m., Thursday. Exemplification of the sixth degree by officers of State Grange at 9:15 p. m., Thursday.

## Watch Tongue For Signs of Illness

Your tongue is nothing more than the upper end of your stomach and intestines. It is the first thing your doctor looks at. It tells at a glance the condition of your digestive system—and physicians say that 90 per cent of all sicknesses start with stomach and bowel trouble.

A white or yellowish coating on your tongue is a danger signal of those digestive disorders. It tells you why the least exertion tires you out; why you have pains in the bowels, gas, sour stomach, dizzy spells.

And it's a sign you need Tanlac. This good old reliable medicine has helped thousands who were physical wrecks. See how the first bottle helps you.

Tanlac contains no mineral drugs; it is made of barks, herbs and roots—nature's own medicines for the sick. Get a bottle from your druggist today. Your money back if it doesn't help you.
