recommend this famous treatment to safeguard lovely complexions

The world-wide endorsement of Palmolive is the greatest professional recommendation any product ever had

I have found the palm and olive oils as scientifically blended in Palmolive Soap most thorough in cleansing the skin.

NEW YORK CITY

I recommend Palmolive Soap as the most elementary step in healthy care. It, as no other soap I know, means perfect cleanliness with safety.

ATLANTA

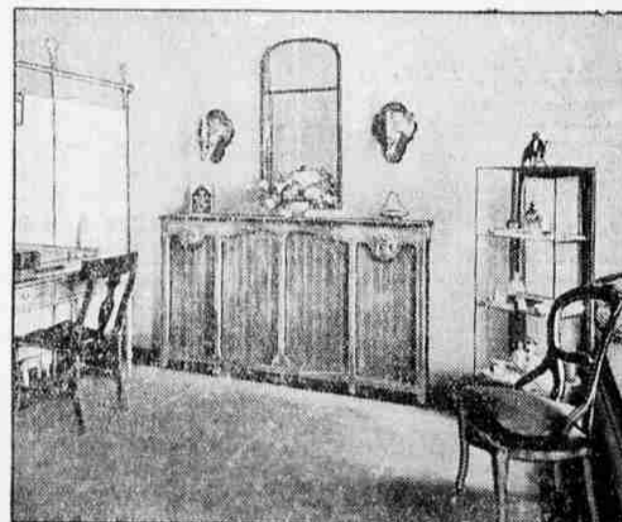

We recommend to those of our clients who require a soap, the regular use of Palmolive. Its bland, rich lather, lotion-like in effect, is possible only from a soap made of the cosmetic oils of palm and olive.

SAN FRANCISCO

MORE than 13,769 beauty experts throughout America—north, south, east and west; in big cities, small towns, smart resorts—say: "keep your skin youthful and smooth-textured—use Palmolive Soap and water twice every day." They prefer it because its two precious beauty oils are so blended that the skin is refreshed and stimulated as well as cleansed.

From coast to coast—Bock, in Philadelphia; Edison, in Boston; Madame Louise, of Chicago; McFarland, of New Orleans; Mme. Zollars and 75 others in Hollywood! These are typical of the nationally-known experts who advise their patrons to use Palmolive in this way: massage a smooth lather of Palmolive Soap and warm water into the pores for two minutes; rinse, with warm water, then with cold. Now you are ready for make-up! For the bath you will find Palmolive bland and refreshing. And it costs no more than quite ordinary soaps.

What Pierre advises in New York, or Hepler, in Hollywood—is the very same treatment specified by the great beauty specialists of Europe. Take their advice. Buy a bar of Palmolive today!

We always recommend a treatment found generally in the smart salons abroad. Palmolive Soap and warm water—an unfailing way to skin loveliness.
