

### OFFICE CREW FOR CRATER LODGE GO TO DUTIES TODAY

Incidental to the informal opening of the Crater Lake lodge tomorrow for the entertainment of all guests, although the Crater Lake season does not officially open until July 1 next Monday, the lodge office crew of six members left for the lake today.

The party included W. J. Vincent, the veteran auditor of the Crater Lake National park company for the past 12 years, and Mrs. Vincent, who has charge of the maid service of the lodge, and Miss Josephine Price, who will be assistant to her father, R. W. Price, general manager.

Groups of employees have been arriving at the lodge for over a

week past, and more will go up daily until the full force of 30 is functioning.

General Manager Price is still making his headquarters in Medford with almost daily trips to the lodge, in looking after the opening preparations.

From Thursday on the lodge will be entertaining guests. A big crowd is expected there for the week-end, and of course the usual Fourth of July period crowd of guests is expected to tax the capacity of the lodge.

### HARRELL AND CONNER LEAVING TONIGHT FOR WEST POINT ACADEMY

Ben Harrell, a member of this year's graduating class of Medford high school, received a telegram today from Congressman W. C. Hawley, saying that he

had been selected as a cadet at West Point military academy, to report by July 1.

Harrell's certificate of graduation from Medford high school was accepted, which made it necessary for him to take a mental examination. He will be accompanied on his trip and by John Conner, a member of last year's graduating class, who has also been notified. The boys will leave this evening on the 8:40 train.

Benny Harrell was a member of the famous football team of the Medford high school, and was also manager of this year's Crater, the high school annual.

### REV. GAFFNEY ASHLAND REPORTS ROTARY MEET

Reverend Gaffney of Ashland was among the guests at the Rotary club luncheon at the Hotel Medford this noon and gave an interesting account of the Rotary International convention which was held in Dallas, Texas.

There were 27 countries represented at the convention. One of the features of the convention was the introduction of Kelly and his partner, who passed the world's endurance flying record at Fort Worth, Texas, a short time ago.

An invitation was extended to the Rotarians to come to Ashland and take part in the rough and tumble, which will be among the features of the celebration in Ashland.

Among the visitors introduced were: A. L. Oberg of Portland; Low Hansen, Reverend Gaffney, Lemuel Moon and J. H. Barker of Ashland.
