

# DODGERS FIND GIANT COUSIN EASY VICTIM'S

## Robinson Aggregation Takes Fourth Victory Over Manhattan Neighbors—Cubs Save One Game in Pittsburgh Series.

By Herbert W. Barker, Associated Press Sports Writer.

If they could play the Giants every day, Uncle Wilbert Robinson's Brooklyn Dodgers would be leading the National league instead of languishing in fifth place, only a hop, step and a jump out of the cellar.

However tough the Giants may be for the rest of the league, they are only "cousins" to the Dodgers who beat their Manhattan rivals yesterday, 5 to 2, for the second straight day, the fourth time in their four last meetings and the eighth time out of 13 games this season.

Just when it seems that John McGraw's hiredlings are about to go somewhere, the Dodgers come along and decide the Giants have gone far enough.

In the only other National league engagement, the Chicago Cubs salvaged one game out of the Pitts-

burgheries, beating the Pirates 4 to 3. Chiefly because of the eight hits Ernie Frame allowed, including three homers by Cuyler, Wilson and Horshy. Frame himself hit a homer in the fifth with one on, to give the Pirates a lead that was only temporary. The victory left the Cubs a game and a half back of Pittsburgh, a game ahead of St. Louis and two games ahead of the Giants.

Rain halted the other scheduled league game between Boston and Philadelphia with the Braves leading 2 to 1 in the third inning.

In the American league, the Philadelphia Athletics increased their lead over the idle New York Yankees to nine full games by losing out the Boston Red Sox, 5 to 4. A double play with the bases full saved the day for the Mack-men in the ninth inning and enabled Rommel to chalk up his seventh straight triumph without a defeat.

Although idle, the Yankees retained undisputed possession of second place when the St. Louis Browns, with whom they had been tied, dropped a decision to Cleveland, 10 to 4. Crowder and Ogdan were found for 12 hits including four home-runs, two of them by Earl Averill.

At Detroit, the Tigers pounded Fisher and Guinn for 13 hits and scored an easy 13 to 4 victory over the Chicago White Sox. Emil Yde, former Pirate southpaw, gave the Sox ten hits but tightened up in the pinches.

# Murrel Finley Crosses Country To Picnic With Folks at Home

Murrel Finley

Miss Murrel Finley, blonde Ziegfeld beauty, stepped off the Shasta this morning into the arms of her mother, Mrs. William Swartz, of Medford, and a group of other local relatives and friends. Dressed in a chic black suit with a white blouse, and small black hat, the lovely golden haired Murrel, who has been the inspiration of a number of internationally known artists, was visibly glad to be home.

"We're going on picnics—lots of them," Miss Finley informed her relatives before they had all taken their places in the car. "That's something I've been looking forward to all the way home, and

something one never gets in New York," she said, and added, "Medford is the grandest home sweet home in the world."

Miss Finley, following the request of a Hollywood director, stopped over in the moving picture city to have a voice and screen test made at one of the studios. Before her engagement as a featured show girl in the Ziegfeld "Whoopie" production, she acted in the silent pictures for two years.

Following her vacation here, she will return to the same production, relieving the substitute who is taking her place. She will be accompanied east by her sister, Constance Finley Reddy, who will spend a few months there, taking in the various big productions and enjoying the attractions of the city.

"When Whoopie closes, which I imagine will be about November, I may go into the talkies. I know they shall hold a real fascination for me," she said. "But in the meantime, this is going to be a real vacation."

# TRAINING GRIND COMPLETED FOR HEAVYWEIGHTS

## Uzoudun and Schmeling Await Bell in Milk Fund Battle—Gate Forecast at \$600,000—Basque Given Edge in Betting.

NEW YORK, June 25.—(AP)—Paulino Uzoudun and Max Schmeling, rivals in the season's most important heavyweight bout, have come to the end of their long training grind and are waiting patiently for the bell that will send them forth on the first round of their 15-round battle at the Yankee stadium Thursday night.

With the fight still three days away, sponsors of the annual milk fund charity boxing shows have announced that receipts already have passed the \$300,000 mark. Somewhat optimistic forecasts of a "gate" of \$600,000 have been made.

Both the "German Dempsey" and his Spanish woodchopping rival have reached top form and will take it easy for the next few days at their training camps in Lakewood, N. J., and Hoosick Falls, N. Y.

Despite Schmeling's fine record in this country, the betting gentry persist in placing him on the short end of the betting odds of 6 to 5. They figure that however hard the Teuton can hit, he does not figure to stop the rushes of a Paulino who has sampled the hitting capabilities of the best heavyweights in the business without so much as a single wince.

Proponents of the Spaniard figure he will be outpointed for the first few rounds, but that he soon will begin to slow the German down and come on to win either the decision or by a knockout, possibly within eight or nine rounds. Certainly the longer distance is an advantage to Paulino rather than Schmeling, for the woodchopper apparently has unlimited stamina. Schmeling has yet to prove whether he can take a steady beating around the body and stand up under it.

There have been rumors that Schmeling has added an effective left hook to his repertoire of punches, but that remains to be seen. He has been a one-handed fighter in all of his bouts in this country.

# WILSON DEFEATS TOLLEFSON FOR SPOT IN TOURNEY

H. G. Wilson, an accountant, 69 years old, defeated Alvin Tollefson of Central Point, University of Oregon star, in a tennis match this morning in a tournament to decide the Medford city championship. Wilson is employed by the C. & E. Fruit Co.

Tollefson was rated as an active contender to win the title. The score of the match was 5-7, 6-2, 6-4. Last evening in the doubles Purdin and Garfield defeated Reddy and Demmer, 6-2, 2-6 and 6-4.

Stoehr and Hopper defeated Wilson and Jacobs, 6-1, 4-5 and 7-5. A large crowd saw this morning's game and also the contests last evening.

Matches this afternoon include singles between Jimmy Edmiston and Harry Butler and Cramer Deuel and Harry Jacobs.

Butler, Deuel, Butler, Wilson and Jimmy Edmiston, the high school star, are still in the running.

# HELEN DONS HOSE AND WINS MATCH

WIMBLEDON, Eng., June 25.—Helen Wills, wearing stockings, drew all the crowds that could pack the stands about the No. 1 Wimbledon court as she won her first round match in the British tennis championships from "Tommy" Tomblin, keen and enthusiastic Queens player, 6-0, 6-0.

There had been much speculation as to whether Miss Wills, who likes to play without the impediment of stockings, would follow her custom at staid and dignified Wimbledon.

Her tennis was superb, but her stockings were just ordinary every day sort of apparel. They were silk but with nothing fancy at the heels. The English girl had a dash of color for she wore a pair of yellow socks rolled over her stockings.

Officials had not decreed that the women should wear stockings, but it seemed all did as a matter of preference, and anyway it was not too warm today.

# GUN CLUB ADDING NEW MEMBERS IN CAMPAIGN

With the establishment of the Medford Gun club assured, the membership campaign begun several weeks ago, is well underway and a large number of members are being secured, according to S. C. Mendenhall, secretary and treasurer. The club is planned to be one of the most complete in the state and to represent a healthy financial investment.

B. H. Wood of Prospect is the present temporary president of the organization, which so far includes the majority of the trapshooters in southern Oregon. Plans are being completed for the big shoot here in August, when some of the best shooters in the state are expected to take part.

# Strain Upon Truth

The strain upon truth in advertising becomes too great when the public is told that other cigarettes enjoy the toasting process. It takes three years to produce Lucky Strike's flavor. This unrivaled cigarette is a blend of finest tobaccos from each of three consecutive growths—the cream of the crop. Then comes the secret toasting process which in the opinion of 20,679\* physicians makes Lucky Strike less irritating than other cigarettes. This exclusive heat treatment also purifies the tobacco and adds a touch of nut-sweet flavor—appetizing, delicious, different—the earmark of one of the world's most popular products.
