PRESIDENT MAKES BOULDER CANYON BILL EFFECTIVE

WASHINGTON, June 25.—(AP)—President Hoover today signed a proclamation making operative the Boulder Canyon dam bill.

Under terms of the Boulder dam act, six months were alloted for negotiations between states in the Colorado River basin in an attempt to obtain a seven-state compact.

This time expired last week. No agreement has been reached and the law provides that a six-state compact may be formed. Arizona has been the dissenting state and so far has shown no sign of withdrawing its opposition.

The presidential proclamation places in full force all provisions of the act and was necessary before steps could be initiated looking to a six-state agreement.
