

LAKE OF WOODS ROADS REPORTED GOOD FOR SPEED

Fred Wahl, who returned to Medford yesterday from Lake of the Woods, reported that the Dood Indian road to the lake is in good shape now, and the road from Klamath Falls to the lake is excellent. The trip can be made in about an hour and a half from Klamath Falls.

Fishing is very good at Lake of the Woods, especially bass and silverides. A Klamath Falls man was able to catch 25 bass in two hours, according to Mr. Wahl.

The resort is now fully equipped, and all tourists can be cared for who visit the lake. An electric light and complete sanitary system have been installed. Sleeping and housekeeping cabins are completely outfitted, making it unnecessary for visitors to take supplies with them. The coffee shop is open from 8 a. m. until 11 p. m.

The lodge now under construction is far enough along so that plans are under way to stage a big dance there Saturday night. Those planning to visit the lake the Fourth of July, can make reservations by phoning directly to Lake of the Woods.

Mr. Wahl intends to return to the lake in a few days, where he will spend the major part of the summer.

FIRE DEPARTMENT NOW IN NEW HALL

The local fire department is now located in the new \$20,000 fire station at North Front and Third streets, having gotten all moved to that structure late yesterday afternoon, with the exception of a few gas tanks and some odds and ends, but the department will still be somewhat demoralized for a few days yet, until the work of arranging things and cleaning up in the new quarters is completed, and the tanks which supply the siren whistle are installed.

Most of the firemen enjoyed a solid night's sleep in their airy quarters in the new building, the lack of noise in the neighborhood much coped with. In this respect, however, it is claimed that several firemen would have preferred better if there had been more street noise, like at the old location—if some one had kindly pounded on a boiler, or on the building with a bed slat throughout the night to make the situation seem more natural.

The firemen were busy as bees today installing equipment and cleaning up generally.

California may erect a shrine near San Clemente, where the first Christian baptism in the state occurred in 1779.

PROSPERITY DUE TO TIME BUYING VIEW OF WALKER

A large part of the national prosperity is due to the present system of installment buying, according to W. W. Walker, finance expert, principal speaker at the Home Club luncheon this noon.

The reason for this is the fact that the buyer is able to build up his capital through purchasing out of his income.

"Installment buying creates a greater demand for production. This calls for an increase in employment, and subsequently keeps money in circulation and in a degree of distribution," he said.

Mr. Walker gave a brief sketch of the history of finance, showing that it is one of the oldest businesses in the world. The present method of installment buying, he said, developed with the automobile industry, and has been improved steadily ever since, until now it is one of the soundest economic factors in the business world today.

E. R. White and H. S. Hinman, new publicity director for Mann's Department store, were voted into the club today.

A delightful surprise shower party was given one of the honorary members of the club by the Lions, proving once again the well known philanthropic instincts of the organization.

The musical portion of the program was furnished by Hugo Lange and Mrs. Lange, who played a group of jazz numbers on an accordion and piano, accompanied by the piano by Andy Anderson. Their program was enthusiastically received.

BELIEVE STABBING A FAMILY AFFAIR

Investigation by the sheriff's office into the mysterious stabbing of Clay Eiles, 35, Pocatello, Idaho, Monday evening, brought the opinion today from that official that the stabbing "was a family affair with an element of self-defense."

Eiles was stabbed once in the neck, twice in the chest, and a gash in his throat missed the jugular vein by a narrow margin. The injured mountaineer and his two brothers, who brought him to Gold Hill for medical assistance, refused to give any details of the affray.

Eiles' condition today was reported satisfactory, with danger from infection the only fear.

Deputy Sheriff Louis Jennings visited the wounded man yesterday and the family maintained their previous silence, with the proviso, "they did not want to talk unless something serious happens." They, however, told the official that Eiles was subject to violent fits of temper and indicated, the authorities aver, that this was the cause of the affray.

JACKSONVILLE AGAIN CLAIMS WALTER LEWIS

JACKSONVILLE, Ore., June 26 (Special)—Walter Lewis of Pennsylvania returned here Sunday after several years living in the east, and expects to locate here. He was formerly of Sterling, having worked at the Sterling mine years ago. Mr. Lewis speaks highly of Jacksonville.

Theron Applebaker and Jim Gelin started to work on the county roads work near Eagle Point last week.

Mr. and Mrs. O. F. Ogden of Salem were week-end guests of Mr. and Mrs. Wilbur Cameron. Their son, Vernon, accompanied them to their home for a short vacation.

Mr. Hollis of Klamath Falls is spending a few days in our city.

Mr. and Mrs. Miles Cantrell of Rich were visitors here Thursday.

Mr. and Mrs. Evan Hildreth of Seattle are visiting at the home of their mother, Mrs. James M. Cantrell.

Mr. Williams of Corning, Calif., visited at the Marks home here Saturday, returning to his home that evening.

Mrs. Garrison of Hornbrook, Calif., spent the day Saturday with Mrs. Nettie Jones, where she visited her two little sons that Mrs. Jones is taking care of here.

Dr. Jenkins and son, Horace Jenkins, took their families to Roseburg Friday to attend the Adventist camp meeting. They were accompanied by Mrs. Beckett and Francis Marks. Dr. Jenkins and Horace returned home Sunday.

LOCAL LEGIONNAIRES VISIT ASHLAND POST

A delegation from the Medford post of the American Legion visited Ashland post last evening for the purpose of ascertaining their opinion of organizing an inter-county council. Grants Pass, Ketchikan and Medford posts have signified their desire to organize such an auxiliary.

Due to the fact that so many members of the Ashland post were unable to attend the meeting because of preparations now under way for the Fourth of July celebration, which will be held in Ashland it was decided to withhold the vote until next meeting.

PINEHURST, DETER, BAILEY, EDMISTON VOTING PRECINCTS ADDED BY COUNTY

Creation by the county court today, of new voting precincts in the outlying districts of Jackson county, will enable 125 residents to vote without travelling 40 miles on election day.

Pinehurst, in southeastern Jackson county, with 50 voters, and Deter in southern Jackson county near the state line, with 40 voters, are the newly formed precincts.

Establishment of a logging camp and increased home-staying in the vicinity of Pinehurst, has increased home-staying in the vicinity of Pinehurst, and increased the population from three to close to a hundred since last November. They formerly voted in the Barron precinct, 26 miles away.

Deter residents were forced to journey 20 miles into California to reach their precinct at Colustin, Oregon.

The county also merged the Gold Hill and Rock Point precincts, which will bring the voting strength at Gold Hill close to 400. Rock Point residents recently petitioned the county court for the change, claiming that it was easier to vote in Gold Hill than at home, because of difficulty in finding a central polling place. A double board will be established at Gold Hill for general elections.

The Meadows precinct was merged with the Antloch precinct, and a new voting precinct was established, to be known as the Howard school precinct.

Other changes in the voting precincts in the county are planned by the court, in the near future, to simplify the work of the clerk's office, and make it easier for country districts to vote.

The remainder of the regular session of the county court was devoted to routine matters.

DRUNK MAN INVADES CHURCH FIRES UPON PRIEST DURING MASS

CHICAGO, June 26.—(AP)—A man armed with a pistol invaded Our Lady of Sorrows Catholic church early today and fired two shots at the priest, the Rev. Father J. Keenan. The bullets missed their mark, but one wounded Richard Murphy, who was kneeling at the altar. The assailant, identified as Charles Foster, then turned the weapon upon himself, inflicting a slight scalp wound. The shooting took place during six o'clock mass.

When police reached the church they found a crowd of worshippers mobbing Foster, and experienced difficulty in rescuing him.

Police said Foster was intoxicated. No motive for the shooting was established.

STAGE 'BATTLE DANCE' HOT SPRINGS SATURDAY

Cap Hagerman and his Moonlight Garden orchestra of Colorado Springs, will be at the Jackson Hot Springs Saturday night, June 29, and will introduce a new feature, a "battle dance."

The Moonlight Garden orchestra and the Pen Peddlers, Jackson Hot Springs orchestra, will play alternately during the evening, giving the dancers continual music.

The "Battle Dance" will be concluded by the dancers voting for the orchestra they enjoyed most. Cap Hagerman's orchestra, famed throughout the west, has taken part in a number of "battle dances," and has generally won the laurels.

Don Provost, director of the Pen Peddlers, is planning to have Cap Hagerman and his orchestra at the dance pavilion July 3 and 4, so that continual dancing may be featured.

The Moonlight Garden orchestra will give a concert at the Palmer Music House Saturday evening, from 7 to 8 o'clock.

RED BLUFF GRASS FIRE AGAIN OUT OF CONTROL

RED BLUFF, Ore., June 26.—(AP)—Sweeping over a 20-mile front and fanned by a stiff wind a grass and brush fire, reported under control last night, broke out with new fury today. The blaze was moving in the direction of timbered hills, 20 miles northwest of Red Bluff.

The fire started late last night and was brought under control by a force of 60 men after it had burned over approximately 10,000 acres of range and brush lands.

Early this morning the blaze flared anew, spreading rapidly as the force of the wind increased.

Card of Thanks.

We wish to thank our friends for their kindness and sympathy during our recent bereavement in the loss of our beloved mother, Mary Kenneth Beale, also for the many beautiful flowers.

Mrs. Nellie Morehouse.

BAILEY, EDMISTON NATIONAL FOREST LAND CLAIMED BY N. P. WITHDRAWN

WASHINGTON, June 26.—(AP)—A bill removing 2,500,000 acres of national forest land claimed by the Northern Pacific railway from operation under the land grant act was signed today by President Hoover.

Under the act, the United States retains the title to the lands in question. All unperfected individual selection rights if any exist, claimed by the company, together with all claims of additional lands by virtue of grants made to the railroad, are declared forfeited.

The act, however, has no effect upon the present title of the railway to the right of way acquired under the grant or lands used by the company in the operation of its roads, or such lands used for depot, station, buildings, work shops, machine shops and for similar purposes.

Under the act the attorney general is directed to institute proceedings to make secure the title of the legislation which is to reserve a large amount of forest land claimed by the railway to the government on the theory that it cannot be used by the railway for the purposes for which it was given.

Randsburg Razed

RANDSBURG, Cal., June 26.—(AP)—A fire which started in a heap of rubbish in a pool hall here early today destroyed the business section of this mining town and was extinguished only after several buildings had been dynamited.

EQUALITY BEFORE LAW IS POSSIBLE THROUGH POLITICS

KNOXVILLE, Tenn., June 26.—(AP)—Oscar DePriest, negro congressman from Chicago, declared before a 1,500 negroes' night, that the white race was not to blame for the status of the negro, but that the negro would never gain equality before the law until he organized politically.

"Who wants social equality?" he asked, amid applause.

"All I want for the negro is equality before the law."

DePriest said he was not in congress to stir up racial hatred, but to bring about a square deal which he is not getting. The only way you can get it is to organize and work under intelligent leadership. It is no longer possible for a white man to stand up and fight the negro's battles.

Under the 14th and 15th amendments, DePriest said, the negro is entitled to a square deal which he is not getting. The only way you can get it is to organize and work under intelligent leadership. It is no longer possible for a white man to stand up and fight the negro's battles.

How 9 out of 10 screen stars keep their skin irresistibly soft and smooth...

ALICE WHITE, attractive star with First National, says: "Only a beautiful skin can survive the all-revealing close-up. My first thought is my skin—and I find Lux Toilet Soap marvelous."

The next time you see VERA REYNOLDS, lovely screen star, notice how smooth Lux Toilet Soap keeps her skin. She says: "A star has to have the smoothest skin in the world—make-up shows so in the close-up. I keep my skin like satin by using Lux Toilet Soap."

MAY McAVOY, Warner Brothers' charming little star, enjoying the luxury of a lovely bathroom combining modernistic furnishings and marine wall decorations.

Even under the great brilliant incandescent "sun-spots" used for making a close-up, SEENA OWEN'S skin is exquisite. She says: "I always use Lux Toilet Soap. It keeps my skin so wonderfully smooth."

NO MATTER how lovely a girl's features, she is really attractive only when her skin is beautifully smooth.

"The most appealing of all charms is a lovely smooth skin," says Howard Bretherton, director for Warner Brothers—and voices the experience of 39 leading Hollywood directors.

Bretherton goes on to say: "A screen star's skin must be genuinely exquisite to triumph in the searching close-ups. Smooth 'studio skin' is

the outstanding factor in screen success today."

It is because flawlessly beautiful skin is absolutely essential for stardom in motion pictures that 442 of the 451 important actresses in Hollywood, including all stars, use Lux Toilet Soap. And all the great film studios have made this white fragrant soap the official soap in their dressing rooms.

You, too, will love its generous, caressing lather—the way it leaves your skin so satin-smooth. Ask for Lux Toilet Soap—today.
