

ELKS CONVENTION COMMITTEE BUSY ON BIG PROGRAM

KLAMATH FALLS, Ore., June 27. (Special) — With sporting events of many kinds lined up, with dances, parades and contests of nearly every kind on the program, the state Elks' convention committee is now working out minor details for the different amusements. The convention will meet here July 17 to 20, inclusive.

Horse races, with eight of the best horses in Oregon already entered, a try for a new world's endurance swim mark by Lee Fourrier, present woman's swim champion, present woman's swim champion, present woman's swim champion, present woman's swim champion.

A golf tournament for Elks and a tournament for Elks ladies; a theatre party; one of the best boxing cards ever staged in the state; a troupe of many special features of entertainment for ladies; and dances each night at the convention are other events planned.

Sightseeing cars which will be available for guests at the convention who wish to visit Crater Lake or any other part of the Klamath country will be available during the convention at no cost to the visitors.

An Elks' barbecue, with real elk meat, barbecued at the fairgrounds, will be a feature of the Friday entertainment. Following the barbecue, which is being prepared for 10,000 persons, a baseball game and the horse races will be held.

The usual convention features of the Elks' lodge will be augmented by a state-wide ritualistic contest, with the winners from each district competing for the state championship. A giant fun parade with bands and drum corps from many cities is being planned. Klamath Falls will be decorated for the convention shortly after July 4th.

The Klamath lodge of Elks No. 1247 through its exalted ruler, John C. Boyle, who is also head of the state convention committee, has issued an invitation to every Elks in the state to be present and partake in the fun program and the convention.

VIRGINIA REPUBLICANS MAY NAME DEMOCRAT

RICHMOND, Va., June 27.—(AP) —With delegates arriving from various parts of the old dominion to participate in the Republican state convention here today, it became increasingly apparent that there exists a strong sentiment for the nomination of Dr. William M. Brown, Washington and Lee professor, the anti-Smith Democratic nominee for governor, as the gubernatorial nominee of the Republican party.

Leaders who in informal discussion indicated they would favor Dr. Brown's nomination, also declared they would support C. C. Berkeley, of Newport News, anti-Smith nominee for attorney general, for the Republican nomination for that office.

AUTO PRODUCTION FOR WORLD SETS NEW HIGH RECORD

WASHINGTON, June 26.—(AP) —World automobile production set a new record in 1928. The department of commerce announced today that the total production last year was 2,008,419 machines, an increase of 191,152 over the 1927 figure.

Combined output of the United States and Canada was 4,691,341, an increase of 3,929,761. Decreases were reported for England, Spain and Denmark.

This indicates that the industry is approaching what might be termed a stabilized condition, that is, each year an increasing percentage of production is being absorbed in the form of replacement, United States and Canadian exports alone, totaling 586,498, almost equal the combined production of the balance of the world which numbered 691,938.

The production of passenger cars, trucks and buses in the United States and Canada during 1928, which was the highest ever recorded, amounted to 4,691,341. While this was a gain of 1,829,781 over 1927, the 1928 production was only 25,239 in excess of 1927.
