SMALL HOPE OF REPEAT IN 1929 BY CHAMPIONS

Stock-Taking Shows Yanks and Cards Have Little Chance to Retain Pennants—July 4th Leaders Traditional Winners.

By HERBERT W. BARKER
Associated Press Sports Writer

The Fourth of July, time-honored point for taking pennant soundings, is close at hand and if baseball tradition holds true neither the New York Yankees nor the St. Louis Cardinals will repeat their major league championship victories of last year.

Baseball tradition has it that the leaders on July 4 are the pennant winners of late September. There have been exceptions to this rule, but they have been surprisingly few and far between.

As the races now stand neither the Yankees nor the Cardinals can reach the top of their respective leagues by July 4. The Yankees languish in third place in the American league, nine full games back of the league-leading Philadelphia Athletics. The Cardinals trail the Chicago Cubs, pace setters of the National circuit, by five games.

Whatever happens between now and independence day, the Athletics cannot be ousted from the American league lead. The Cubs hold on first place in the National league is not secure. Donie Bush's Pittsburgh Pirates trailing by only half a game.

The National league situation remained in status quo yesterday as the Cubs and Cardinals, meeting in the league's only battle, struggled to a 11-11 deadlock called at the end of the sixth inning to allow the

Cardinals to grab a train for Pittsburgh. Six pitchers—to give them their official title—now service in the shortened fray and among them granted 25 safeties. Elgie Stephenson, Cub outfielder, was the batting star of the day. He crashed out two home runs and a double and drove in seven runs. In the American league, the Yankees barely escaped dropping back a little further in the race. Benny Paschal's pinch home run with Koenig on base in the seventh gave the champions a 3-to-2 verdict over the Boston Red Sox. Paschal's homer enabled the Yanks to share the spell that Billy Hayne had woven over them this season. Hayne already had beaten the champions twice and seemed to be well on the way to a third victory when Paschal came through. Herbie Pennock was given credit for the victory, although he was out of the game when the winning runs were scored, Paschal being a pinch batsman for him.

Porter Season Dead.

SAN FRANCISCO, July 2.—(AP)—Porter Season, a director of the federal reserve bank, former president of the San Francisco chamber of commerce, and for many years a leader in business circles here, died last night at the age of 72. Death climaxed a long illness, which had weakened his heart.

Rockaway.—"Rockaway Beach News," weekly newspaper, established here.

COAST TEAMS TO MAKE NEW START IN SPLIT SEASON

SAN FRANCISCO, Cal., July 2.—

(AP)—With the San Francisco Mission Reds, champions of the first half of the 1929 season as a result of the inaugural of the split season by directors of the Pacific Coast league here yesterday, the eight clubs were scheduled to resume their series play today for second half honors.

The directors voted a bonus of \$10,000 to be appropriated from the league treasury, a major part of which will be offered for a championship playoff series, and the remainder of which will be distributed among the next three high clubs.

Wade Kilgler's Mission Reds finished the first 14 weeks of the 28-week season four games ahead of the second place San Francisco Seals.

With clean slates, and on an equal footing, the teams were scheduled today to meet as follows:

Mission Reds at Oakland, Seattle at San Francisco against the Seals, Hollywood at Sacramento and Portland at Los Angeles.

Lack of attendance at games this year brought the directors to adopt the split season after they had voted it down last winter. The split season was tried last year with apparent success as indicated by increased gate receipts.

Unofficial figures credit the league with being 200,000 paid admissions behind the figures of last season. However, last year proved to be a bonanza for most of the clubs, principally San Francisco, Sacramento and Hollywood.

HOPPER AND STOEHR WIN DOUBLES FINAL

In the double finals of the city tennis tournament, played last evening, Hopper and Stoeher defeated Butler and Drust, 6-2, 6-2, 6-2. The victory demonstrated their superiority throughout and won with ease. Hopper won the city singles title Sunday, by defeating Butler in a 30-set game, 16 to 14.

VETERAN FEDERAL OFFICIAL IS DEAD

WASHINGTON, July 2.—(AP)—Joseph Stewart, executive assistant to the postmaster-general and special assistant to the attorney-general, died at his home here today after a lengthy illness.

Stewart, who was 79 years old, spent nearly 47 years in the post office department, and for a number of years had been in charge of all its statistical work as well as supervision of its legal affairs.

Reputed to know more about the department than any other man, Stewart was the advisor to many postmasters-general and also ranked as an important figure in international postal affairs.

He took an important part in the creation of parcel post and railway mail systems of the country. In 1924 he was chairman of the American delegation to the Universal Postal congress at Stockholm, Sweden.

FIRE BUILT ON FLOOR BY STRANGE INTRUDER

PORTLAND, Ore., July 2.—(AP)—Police today were searching the city for a lunatic who Sunday entered the Jasper Hartman home here, built a bonfire in the middle of the floor of the living room, and then fled.

The man was first reported to authorities Friday by Mrs. Myrtle Baker, Hartman's daughter, who said he posed as a policeman and asked entrance to the residence.

Mrs. Baker said she questioned his authority and the man fled. While Hartman and his daughter were away Sunday, the lunatic entered the home. Although the fire was quickly extinguished, it did burn a hole through the floor.

CALLIOPE VIRTUOSO LOSES INSTRUMENT

PORTLAND, Ore., July 2.—(AP)—A steam calliope was in the police garage today while authorities sought the virtuoso.

A truck bearing the steam musical instrument, was found abandoned on a downtown street. It was jammed against another automobile.

Police said the virtuoso was intoxicated and fled after the accident.

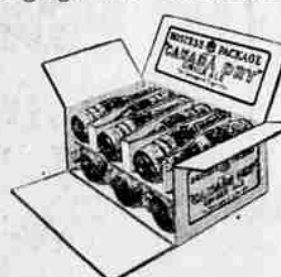

La Grande Woman Suicide
LA GRANDE, Ore., July 2.—(AP)—Mrs. Emily Sophia Harris, 27, was found dead in the Grande River, near here, yesterday afternoon. Officials decided the case was suicide. Mrs. Harris had been ill for the past ten years, and the loss of her husband years ago is said to have added to her despondency.

To the 4th of July its flavor brings a merrier, happier note

Does the Fourth mean a joyous motor trip, away from the heat of the city? Does it mean a picnic? Then, add to the pleasure of this holiday with the zest of this fine old ginger ale!

Cool as a mountain breeze... refreshing as a drink from a clear, tumbling stream... try "Canada Dry" and you'll know

the thrill of drinking this better ginger ale.

Containing high-quality Jamaica ginger and other absolutely pure ingredients. Blended and balanced with expert skill,

delicately carbonated, this fine old ginger ale wins the approving nod of connoisseurs. Order it in the Hostess Package of 12 bottles.

Spray now for Spider Mites

S-W Summer-Mulsion
a sure control

MANY orchards in the Valley are already infested with Red Spider. This subtle pest is causing the loss of thousands of dollars annually. Yet many growers fail to appreciate the serious injury caused by these mites.

Spider Mites are dangerous because they reduce the chlorophyll (green coloring matter) in the foliage, causing the leaves to turn yellow. Lack of chlorophyll in the foliage restricts digestion of the sap, causing fruit to become stunted and undercolored. Spider Mite injury also reduces the set of fruit buds for the next year's crop and weakens the vitality of the tree.

Sherwin-Williams Summer-Mulsion is a positive control for Spider Mites, with absolute safety to fruit and foliage. Kill these pests NOW and insure the normal development of your fruit as well as the set of fruit buds for the next year's crop. Applied with Arsenate sprays, it will control Codling Moth, too.

Here is what Mr. Leeman Bridges of Wenatchee, Washington, writes:

"Your Summer Mulsion was applied when it was over 90 degrees in the shade and it did not burn any fruit or foliage. I used 1½% solution for Brown Mite, and it killed all that were hit with the spray. If the solution is made 1½% it will give good control of Brown Mite."

Your nearest dealer has S-W Summer-Mulsion.

"It pays to spray with Sherwin-Williams insecticides."

A valuable spraying guide for you

Write for the Sherwin-Williams spraying chart. It gives complete directions for the control of orchard pests.

SERVICE to the PUBLIC
and WHAT CAME OF IT

THE name of VIOLET RAY anti-knock Gasoline was new to the public nine months ago. The name of General Petroleum, its sponsor, had been well and favorably known for years. General Petroleum had long been a factor in the Pacific Coast oil industry, and it had always meant the same thing in every channel that engaged its facilities and energies—honest service.

General Petroleum had come into conspicuous public notice when it was the first among producers and refiners to market its gasoline exclusively through independent dealers.

Nine months ago came VIOLET RAY anti-knock Gasoline, put forward as the finest motor fuel refining science had produced—pure vitalized gasoline. Nothing added but the violet color, and that for public protection. The word of General Petroleum was accepted. The demand for Violet Ray sprang up almost overnight, not here and there but everywhere.

A million motorists are finding that they need not pay premium prices for fine performance. VIOLET RAY anti-knock Gasoline... today's best motor fuel... is sold for the price of ordinary gasoline.
