PORTER BROTHERS CARRY GRIEVANCE OVER SPEED YARN

E. H. Porter, Jr., who will be 63 years old next January, and who is better known locally as Jankin, is full of grievances since his arrest late Sunday night by Sheriff Jennings while speeding at 90 miles an hour on West Main street as he came home from having taken a girl to her home.

There was a drop of eight degrees in the maximum temperature of yesterday, 54, from that of Monday, 62, which was the highest of the season so far.

Another light breeze sprang up this noon which if it continues throughout the afternoon and evening will make the weather still more comfortable.

By the way, I paid that fine out of money earned by my own hand and working for father out on the farm, operating a tractor, etc. I think that father was really happy that I was punished. The worst of it is that he has speed on the brain now, and today called me down for starting a tractor too fast. Well, I'm probably never here the last of this month. Bernhardt I'll be good from now on.
