

FAIR BOARD TO ENGAGE MANY AMUSEMENTS

Rodeo, Carnival, Vaudeville and Horse Races Will Entertain Visitors September 11 to 14—Plans Well Advanced.

At the meeting of the executive committee of the Jackson County Fair association, which was held at the Hotel Medford this noon, plans for the amusements to be included in the program, and advertising matters were discussed.

The amusements at the fair this year will include a carnival, horse races, vaudeville and a rodeo. Plans have already been sent to the prominent horsemen of the northwest. The races will be conducted under the new rules of the American Trotting association, and the horsemen are anxious to race under these new rules.

The Dove Anderson Rodeo will be at the fair. This rodeo appeared at the Eugene fair last year, and according to Eugene people, made the fair. This rodeo also appeared in Eugene July 4th and performed before a full grandstand.

Things are being lined up for the fair further in advance this year than ever before, according to Robert Fowler, and from the present outlook the best fair in years will be given September 11-14.

Nine communities have been assigned space in the agricultural building, which is practically full. Inquiries about concessions are received daily at the county agent's office.

The executive committee includes: C. E. Gates, president; J. R. McCracken, vice-president; Royal Brown, vice-president; R. G. Fowler, secretary; W. H. Gore, treasurer; C. E. Gaudin, auditor; and H. E. Conger.

Governor Uninjured
KALAMAZOO, Mich., July 16.—(AP)—Governor Fred W. Green escaped injury today in a plane crash at Recreation park here, where he had flown to attend the grand circuit races.

DEBENGER GAP IS SCENE OF BLAZE. WARNING ISSUED

There are still no fires reported in the Crater National forest, but a new one on state land was reported at the forestry office here at 9 o'clock this morning close to the Debenzer Gap highway in the Reese creek section, which caused much smoke that could be seen from this city, but the extent of which was not known early this afternoon.

Because of the dry condition throughout the forest territory and in view of the fact that two fires on state land were caused by tossed away cigarettes since Saturday, the National forest headquarters here again calls attention to the fact that there is a \$75 fine for throwing away any lighted tobacco, cigars, cigarettes, matches, firecrackers or other lighted material on any forest land, private road, public highway or railroad right of way within the state of Oregon.

On this subject the laws of Oregon say: "Every person, firm or corporation operating a public conveyance shall post a copy of this section in a conspicuous place within the smoking compartments of such conveyance. Any person violating the provisions of this section shall be deemed guilty of a misdemeanor, and, upon conviction thereof, shall be punished by a fine of not less than twenty-five dollars (\$25) nor more than seventy-five dollars (\$75). The closed season is from May 15 to October 1."

BURLINGAME WOMAN HURT IN AUTO SKID

Mrs. Arthur Dahl of Burlingame, Calif., is in the Community hospital today as a result of an accident which occurred on the Crater Lake highway when the Nash car driven by her husband skidded and turned over on the gravel, four miles from Medford yesterday. Mrs. Dahl suffered cuts and severe bruises. Mr. Dahl and their young son were not seriously injured.

The car, a Nash sedan, was badly wrecked, the top being torn

FRUIT SPECIALIST SPEAKS THURSDAY HOTEL BASEMENT

Edwin Smith, foreign fruit export specialist, formerly connected with the United States embassy at London, England, will address the fruit shippers and fruit growers of the valley at meetings to be held Thursday at the Hotel Medford.

At the regular traffic association meeting Thursday noon, Mr. Smith will address the members of the traffic association, and the directors of the fruit growers' league.

At 1:30 o'clock, in the basement of the Hotel Medford, he will address the fruit growers. The two meetings will be held, in order that all who wish may be able to hear him.

Mr. Smith is regarded as one of the leading authorities of the land, on fruit export conditions, and will soon accept a post with a Seattle, Wash., fruit raising and selling concern.

His talks will be of high interest to the growers and shippers of this section.

FORMER RESIDENT DEAD IN OAKLAND VICTIM OF BANDIT

The sudden death of Herman McFarland of Oakland, Cal., who had been residing in that city apart from his wife, for the past five years, became known yesterday forenoon when Mrs. Lillian McFarland, the wife, received a telegram from their youngest son, Ernest, who had been living with his father since last September, which simply stated: "Father died this morning at 4 o'clock. Please advise."

Mrs. McFarland and her sons Andrew and Herman, Jr., left yesterday noon by auto for Oakland, and since their departure a story has been in circulation that Mr. McFarland was shot in a holdup at a service station at Oakland late Sunday night and died from the wounds early Monday. Several persons claim to have read a Portland newspaper of such a holdup in which a man named McFarland was killed.

So far as the family knew here up to the time the death message was received Mr. McFarland had been in his usual good health. Mother and sons were so agitated by the news and their hurried preparations for departure that little information was obtained from them.

Mr. and Mrs. McFarland and three sons located in Medford about eight years ago, from Portland, and several years later Mr. McFarland took up his residence in Oakland and one or more of the boys had lived with him at Oakland at times since. He was a bookkeeper by profession, although for a time here he had worked in a local service station. It is not known just what occupation he had been following while in Oakland.

By those who knew him here he is described as having been a quiet, nice looking man of pleasing personality.

Find Suicide.
LOS ANGELES, July 16.—(AP)—The body of Addison Richards, 59, of Oakland, was found early today in brush on the outskirts of Artesia, the Los Angeles office was informed. Richards was described as a wealthy Oakland business man and a representative of a New York parking house. Artesia police said the man apparently committed suicide.

NEW SCHEDULE IS BOON ON AIRMAIL

The first day of the new airmail schedule was varied by both officials and patrons, a decided success, according to Seely Hall, superintendent of the local airport. A large bulk of mail left the Medford port on both northbound and southbound planes today, and the popularity of the time-saving schedule is expected to find added expression as the summer progresses.

The northbound plane now leaves the airport at 8 o'clock in the morning, a saving of an hour and 45 minutes over the old time. The southbound plane leaves at 8:30 in the morning, which is a saving of an hour and 15 minutes over the old schedule.

off completely. Mrs. Dahl was taken to the Community hospital by a passing motorist, and the damaged machine was towed into a local garage by a service car.

MERRY-GO-ROUND CRUSHES WORKER, WIFE IS WITNESS

LA GRANDE, Ore., July 16.—(AP)—While his young wife stood helplessly by, Harold Eugene Reed, 29, of Yakima, Wash., was ground to death in the gears of a carnival merry-go-round at Elgin, Ore., last night.

Reed, operator of another concession, went on top of the merry-go-round, it was said, to aid in finding lighting trouble. He slipped, struck the large gears and was rolled through them. His back was broken and he was terribly mangled.

Reed was married nine months ago. He started his carnival career in April of this year, three weeks ago joining the Wrightsman Amusement company.

The celebrated Promenade des Anglais, at Nice, on the French Riviera. During the season Nice is a scene of international gaiety.

"The soap I recommend is Palmolive" says Albert Leblanc

of Nice

Famous Beauty Specialist of the fashionable Hotel Negresco at Nice, on the French Riviera, frequented by many of the world's smartest women.

"ERRONEOUS ideas on complexion care," according to Albert Leblanc, of Nice, "are very hard to correct. I am still occasionally asked: 'Shall I use soap on my face?' My answer is always a decided affirmative: It is quite wrong to suppose the skin can be thoroughly cleansed by other methods. . . . And the soap I recommend is Palmolive!" So says Monsieur Leblanc, head of the Hotel Negresco Beauty Salon.

Monsieur Leblanc studied the art of cosmetics in Paris and practiced his profession there until 1912. He then came to Nice, where he has gained an excellent reputation in this smart Riviera resort.

All the experts agree

Leblanc is joined by an international group of authorities on skin care, all of whom advocate Palmolive as the best way to keep the skin healthfully radiant, glowing with under-the-surface color and life. Do this, they say: massage Palmolive lather tenderly into the skin for two minutes. Rinse, first with warm water, then with cold. And you're ready for make-up!

Enjoy it for the bath as well, since it costs no more than ordinary soap. Just one bar will assure you of its superiorities. Use it tonight!

"I know of no other soap which meets all the requirements of complexion care, acting at once as a cleanser and a valuable and soothing emollient."

A. Leblanc
