

COUNCIL ADOPTS VACATION ORDER CITY HALL DEAL

The much talked-of occupancy of the former fire department headquarters in the city hall building by the Treidler Motors company was disposed of by the city council last night when that body, unanimously and without comment, adopted the written recommendation of the buildings committee, J. E. M. Wilson, P. M. Kershaw and J. J. Baehner, that the company be ordered to vacate the quarters within 30 days.

This agreement had evidently been reached informally by the city officials among themselves before the council meeting. At least there was no discussion whatever, and all the councilmen were present except J. J. Baehner, who was out of the city.

C. C. Lemmon, representing the traffic association, brought up the question of the city fixing the so-called hump on South Fir street at Eighth street, and was told that the city superintendent would have it fixed before the fruit hauling season started.

Mr. Lemmon also asked that because of the danger of fire in the fruit packing district, the council provide a special policeman or watchman to patrol that district at night, through which the railroad tracks run. He said that his own packing house maintained a watchman, but could not say how many other packing houses had similar watchmen.

Fire Chief Elliott when asked by Councilman Grey, said that the space beneath a number of the packing houses was all open, which was a fire menace through papers and other rubbish accumulating there. It was then recommended that the packing houses build up all the space underneath, and Chief of Police McCreedy was instructed to bring about an arrangement by which the packing houses would contribute pro rata the expense of maintaining a special patrolman or watchman to patrol at night the packing house district, on the same plan as last season.

On complaint of Raymond Heter about an old worthless woodshed close to the rear of the Pinnacle and another packing house being a fire menace, the council instructed City Superintendent Scheffel to have it razed and removed at once.

The council instructed City Health Officer, Inspector Coffey with the packing houses relative to the neutralization of the acids from spray wash before they are dumped from tanks, ordered by the council at its last meeting, into the city water mains because such acids corrode and destroy the water pipe.

Former Mayor O. G. Alenderfor, as vice president of the new airport dedication celebration invited the council to attend this evening's mass meeting of general business men and service clubs to talk over plans for that celebration.

Three bids were received and opened for the paving of South Central avenue and Alder street, two for concrete paving by K. I. Stewart & Sons and the Medford Concrete Construction company, and one for blacktop paving by C. A. Hartley. These bids were tabulated by City Superintendent Scheffel this forenoon, and a special council meeting was scheduled for 1:30 o'clock this afternoon to award the best bid.

Oregon Weather
Oregon: Cloudy and somewhat unsettled on coast, fair in interior tonight and Thursday, and cooler in interior of west portion. Moderate westerly winds on coast.

MORE POLICEMEN AND FIREMEN TO SAFEGUARD CITY

Two new permanent firemen, which addition will enable the members of the fire department to have more time off during the week, and two new policemen, whose duty will be to aid in traffic enforcement, were authorized by the city council last night. The new firemen will be placed on duty at once.

By authorizing the addition of two firemen, the council decided not to inaugurate the double platoon system in the fire department, although provisions had been made in the city budget for it, for the reason that the cost of building the new fire station had exceeded the \$30,000 bonds voted by the people, which deficiency must be met by taking some of the double platoon system money, it is said.

The new traffic policemen are to aid in enforcing the new traffic system voted some time ago and to be put in force in about 10 days, which will be impossible of enforcement by the one present city traffic officer. One of the new traffic policemen will be a permanent motorcycle cop, and the other will be put on the force as needed.

The matter of sending Fire Chief Roy Elliott to the annual Pacific Coast Fire Chiefs' convention at Vancouver, B. C. July 23-26, which will entail an expense of not less than \$100, will be left in the hands of the council fire committee to decide.

HORSESHOE TOURNAMENT AT PLAYGROUND HAS LONG LIST ENTRANTS

Miss Melba Williams, city playground supervisor, announced a horseshoe tournament at the playgrounds, beginning Monday at 10 o'clock. The court used for the children will be 10 feet shorter than the regulation court of 40 feet. Much interest is being shown in the playground event and entries are coming in fast. Those entered so far include Clinton Cochran, Lee Hubler, Russell Brown, William Scovon, Henry Green, Tunley Chamblee, Eldon York, Raymond Erickson, Ray O'ford, Jack Fitzgerald, Mabel O'Neill, Dorothy O'Neill, Reece O'Neill, Harold Williams, Billy Luman, Margery Fitzgerald, Foster Ferguson, Robert Jones, Dick Steeter, Stanley McKimney, Bob Archer, Bob Horner, Jim Horner, Lavin Bowman, Louis Connet, Bob Rindt, Bert Luman, Rex Golinsky, John Goddard and Dean Piper.

Evelyn Robinson, who won second in the hopscotch tournament, took first place in the jacks tournament which was just been played off.

Miss Williams expects to put on a bicycle show, including stunts, etc., at the playgrounds in about two weeks. Directed bicycles, riding narrow planks, hurdlings and other bicycle acrobatics will be featured in the show. Anyone interested is asked to see Miss Williams at the office or at her home, 1230 N. Main street, on Wednesdays and Fridays.

INVITE LEGIONNAIRES AND WIVES TO PICNIC

Every 40-let 'er is asked to invite a Legionnaire and his wife to the 10th & 8 picnic at the Elks' picnic grounds this evening at 6:30. After the picnic lunch—everyone is expected to bring his own lunch and ice cream and lemonade will be furnished—there will be dancing and other forms of amusement. Ted Baker is chairman of the picnic committee and John Holmer, as was previously announced.

'THE RESCUE' IS PICK OF SILENT PICTURES

Among the "pick of the big silent pictures being featured at the Rialto, "The Rescue," adaptation from the Joseph Conrad novel, now playing, is a rare choice. To those who prefer the silent drama, this picture, starring Ronald Colman and Lily Tomita, is a treat to their taste. To the new disciples of the talkie, the production will hold the charm of an old and idealistic dream.

The romance of the Java coast, and the colorful life of the rajah's court in the tiny native principalities described by the inimitable Conrad are faithfully interpreted in both scenic effects and acting.

Ronald Colman as King Tom, an adventurous rover of the seven seas, does one of his most sympathetic pieces of acting so far. The exquisitely beautiful Lily Tomita, who loved interesting and dangerous men, adds the touch of romance and its occidental complications, making the story into a thrilling climax and a touchingly poetic ending. It is the kind of a picture even the most ardent talkies wouldn't mind seeing twice. —M. G.

HOME MAKING CLASS MEETING ON FRIDAY

The class in practical home-making at the Community health house will meet as usual on Friday at 9 o'clock. As Mrs. Mack, the home demonstration agent, is having a vacation at this time, the classes for four weeks will be in charge of Miss Glover, Mrs. Carpenter and Mrs. Burgess, and will be as scheduled on food preparation, menu planning and canning. Fifteen girls are enrolled in the class and using this group as a nucleus and the Community health house as a center, a Girl Scout troop is to be formed in the near future and interesting activities planned.

REQUEST OATMAN START CAMPAIGN AGAINST EARWIG

E. H. Oatman, county fruit inspector, was instructed by the city council last night to proceed with the campaign to rid the city of the earwig menace, and the council also voted \$100 for this campaign. It seems that the county court, in cooperation with the city, will agree to getting the poison bait, costing \$95 a ton, to Medford, and the city must guarantee the cost of the distribution.

After agreeing to this the county court, wishing to avoid any unjust criticism from other parts of the county that it is unduly favoring Medford, halted from going any further in cooperation until the city pledged itself to see that the cost of the poison and its distribution was paid for.

Mr. Oatman stated at last night's meeting that this poison would be sold at \$1.25 a carton, and that a carton would be enough to bait any premises infested with earwigs. The city's \$100 is to guarantee the pay for scattering the poison where needed, in case any property owner refused to voluntarily pay for its distribution on his premises.

Mr. Oatman also pointed out that if two or three properties in a block are infested, that entire block must be baited. If any property owner objects to paying, the city can have that property baited with poison and charge it as a lien against the property, to be collected as a tax on it.

The recent earwig survey made by Mr. Oatman and aides, at a cost of \$122, was explained by him. It developed that from 55 to 60 properties throughout the city were found to be infested with the pests, mostly south of Main street.

SCHERER MOTOR CO. HAS USED CAR SALE

The Scherer Motor company is conducting a 10-day sale of used cars and 1929 Buick demonstrators. This event, which includes every used car in the garage, began today and will continue until July 28.

More than 20 models, all of which are in excellent condition, will be sold at remarkable reductions during the sale. Considerable interest in the sale was shown during the first day, and according to the Scherer salesman, the cars will not be hard to sell. The purpose of the clearance is to make room for the 1929 Buicks, which will be received by the local agency in the near future.

SMALL FIRE BURNS FOREST NEAR TRAIL

A small fire on national forest land was reported yesterday at Lewis creek just above the highway, one mile east of Trail. The fire, which was not serious, burned over about a half acre.

The forest service is putting up eight miles of telephone line along the Crater lake highway from Union creek to Whiskey camp. The line, which will be finished in about nine days, is expected to give more efficient service in reporting fires.

The county court this morning signed an order creating three new election precincts in the county and eliminating two. The total number of election precincts in the county is now 58.

The changes are: Upper West Talent precinct is added to the Sterling precinct, as the Sterling precinct is the natural voting place.

Rock Point precinct added to the Gold Hill precinct, with probability that two election boards will be named for the Gold Hill precinct in heavy elections.

Establishment of a voting precinct at Deter, by the Siskiyou, making it unnecessary for Deter voters to travel to Barron precinct to vote.

Establishment of a precinct at Pinehurst, voters heretofore voting at Bellview and Barron precincts. About 100 voters are affected.

Establishment of the Howard school precinct, taking in territory previously embraced in the Roxe Ann and South Central Point districts.

The changes will be effective at the next election.

Nine out of ten screen stars keep their lovely skin petal-smooth with Lux Toilet Soap

LYA DE PUTTI, Columbia star—"I find Lux Toilet Soap wonderful for my skin—it keeps it so marvelously smooth."

GILDA GRAY, famous screen star, says: "Lovely skin does so much to make a girl attractive! Lux Toilet Soap keeps my skin like velvet."

BILLIE DOVE, First National star, in the modernistic bathroom built especially for her in Hollywood. It offers a charming background for her delicate loveliness.

"A smooth skin is most important to every girl whether she is a motion picture player or not. I find Lux Toilet Soap delightfully pure and refreshing."

Billie Dove.

"For real loveliness a girl must have exquisite smooth skin," say 39 leading directors

PETAL-SMOOTH skin—how subtly and surely it wins its way into hearts everywhere!

"Smooth, flawless skin is beauty's greatest asset," says Al Rocket, production manager for First National. "The perfection of an exquisite skin is much more to the screen star—or to any woman—than any other physical quality."

To keep their skin really lovely for the screen, nine out of ten screen stars use Lux Toilet Soap. In Hollywood,

of the 451 important actresses, including all stars, 442 care for their skin with this daintily fragrant white soap. And all the great film studios have made it the official soap in their dressing rooms.

You'll love the way it leaves your skin so petal-smooth! You'll be delighted with its quick, generous lather in your bath, too, and for the shampoo. Ample, caressing lather even in hard water—for Lux Toilet Soap is made by the famous French method. Buy several cakes—today.

Lux Toilet Soap

Luxury such as you have found only in French soaps at 50¢ and \$1.00 the cake... now 10¢
