ORCHARD!

How many times recently have you wished that you had gotten into the orchard business? It is difficult now to find an orchard that you can buy for less than $1000 an acre.

But I have at this time one 10-acre block of orchard; this is well located, good soil, fine trees, but young. With the proper care this orchard will pay for itself every year from now on. This tract of orchard I am authorized by the owner to offer for $300 an acre. Death in a family has made this unusual opportunity for someone to own an orchard. It takes $1500 cash and the balance on very easy terms.
