DECENT PEOPLE TOLD TO SHUN GANG HANGOUT

Keep Away From Night Clubs, Is Advice of Commissioner Whalen — Racketeers in Control of Broadway Resorts, Claim

NEW YORK, July 20.—(AP)—Visitors to New Yoss and "decent people" have been warned by Police Commissioner Whalen to keep away from night clubs, which he says are controlled by gangdom. Those who fail to heed the warning he said, are liable to get a lot of police attention.

The commissioner issued his warning in announcing the indictment of John Diamond, notorious gunman and racketeer, and Charles Entratta, ex-convict, for last Saturday's double slaying at the Hotsy Totsy club of which Diamond was part owner.

"This indictment," said the commissioner, "brings to the fore the fact that gangdom is in control of the night clubs. It would be well for decent people to keep away from such places, for they're going to get lots of police attention from now on."

The Hotsy Totsy club is one of the less pretentious of the Broadway district resorts. Diamond and Entratta disappeared after the double shooting in which William Cassidy, alleged bootlegger, and Simon Walker, a former convict, were killed.

Commissioner Whalen's reorganized "Broadway Squad" descended upon more than a dozen speakeasies in the midtown section last night and early today, seizing a quantity of liquor and arresting a number of persons. The raids caused a general shutdown while a few places that remained open were reported to have immediately jumped the price of whiskey from fifty to seventy-five cents a glass.

FINAL CALL TO SINNOTT

(Continued from Page One.)

responsible for the opening up of the Malheur national forest to commercial logging.

SALEM, Ore., July 20.—(AP)—Judge Nicholas J. Sinnott, former congressman from eastern Oregon, who died today in Washington, knew more about the land laws of the United States than any other man, according to Representative W. C. Hawley, long his colleague in congress, and United States Senator McNary said of him today that "a more effective legislator never came out of the west."

"The passing of Judge Nicholas J. Sinnott," said Senator McNary, "will be a shock to the people of Oregon, whom he served with great fidelity and intelligence for many years. In the house of congress he was one of my colleagues for 10 years, and a more effective legislator never came out of the west.

"My association with Congressman Nick Sinnott was intimate, and I had every opportunity to know his splendid character and fine attainments, and admired the great work he was doing in the development of the west.

"As a judge of the court of claims he was recognized as a just and efficient jurist.

"I feel a deep personal loss in the passing of my old friend."

Representative Hawley, who sat with Mr. Sinnott during the latter's entire congressional career, said:

"I regret exceedingly to learn of the death of Judge N. J. Sinnott, of the United States court of claims. He was elected to the 63rd congress from the eastern Oregon district, and served continuously until his appointment as judge in the 70th congress. During his service of nearly sixteen years he attained a high standing in congress and was universally loved and respected for his honesty, ability, good judgment and personal worth. For many years he was chairman of the committee on the public lands and ranking member on the committee on irrigation. He knew the public land laws better than any other person, and rendered our state services of great value. He was a member of the steering committee of the house, which with the speaker and majority leader, determines upon the order of business in the house, and what legislation shall be considered at any time.

"He was especially active in irrigation matters and secured for the district he represented important projects and the money for their construction.

Upon his retirement from congress to accept the judgeship, while the members all agreed upon the wisdom of his appointment, general regret was expressed at the loss of so valuable and capable a member, whose leadership we were content to follow, in full confidence that he did not speak or act without thorough investigation and careful consideration, and that his conclusions were the result of an unusually sound judgment.

"In the short period he served as judge, his decisions disclosed judicial ability of a very high order.

"As a man he was admirable in character, a lovable companion and his friendship highly prized; as a public servant he was a stainless patriot and statesman."

WOMAN'S SKIRT INSPIRES DEAN TO PEN VERSE

Modern Dress Lauded As Giving Human Frame Plenty of Sunlight—German Habit of Walking About Naked Blow at Conventions.

LONDON, July 20.—(AP)—The value of sunlight on the human frame has been proclaimed by Dean Inge of St. Paul's cathedral with the following bit of verse which he recited at the opening meeting of the sunlight league:

"Half an inch shorter, half an inch shorter,
Same skirts for mother and daughter,
When the wind blows,
Everything shows,
Both what should and what shouldn't oughter."

He praised the woman's revolt from the extensive covering they indulged in 40 or 50 years ago, saying that the movement of the sunlight league was carrying on further the salutory effects of milady's discard of heavy clothes.

"However we have to beware of admitting cranks and freaks," he said. "There is a certain sect on the continent and particularly in Germany which believed in walking about nude. In Germany it is possible to see bands of young enthusiasts of both sexes going about without clothes. There is nothing objectionable in that. But clothes are a matter of convention, and it is necessary to hold at arms' length certain unwholesome people."

In his presentation address McNutt said:

"Your devotion to the defenders of our nation, your support of legion ideals and endeavors have been invaluable and a great public service to America. You have responded instantly to every call the legion has made on you.

Judge Landis was the third American to receive the award, the others having been General John J. Pershing and Admiral Robert E. Koontz. Nine foreigners have received it.

RUTH CAREER NOT ENDED SAYS HUG

CLEVELAND, Ohio, July 20.—(AP)—Babe Ruth, home run king and the idol of baseball, was out of the game indefinitely today. A pulled muscle sustained in the game with Detroit Wednesday retired the Bambino in a game with the Cleveland Indians yesterday and Miller Huggins, manager of the Yankees, said today that no one knew when the New York American league player would swing a bat again. Huggins scoffed, however, at the thought that the Babe is gone from baseball.

"It would be foolish for me to say anything like that," Huggins asserted. "Babe's muscles do not respond to treatment now as readily as when he was a few years younger, but it is too early to predict the end of his playing career."

Fights Last Night

SPOKANE, Wash., July 20.—(AP) Fred Lenhart of Elk, Wash., until last night just a young light heavy with an erratically powerful right hook, today was on the threshold of the upper division and looking for a chance to get in.

In a 10-round bout with Maxie Rosenbloom of New York at Alan Arena last night, Lenhart decisively outpointed the conqueror of Leo Lomski with an exhibition of boxing that was a mild sensation to the 4000 fans who crowded the arena.

VANCOUVER, B. C., July 20.—(AP)—Del Wolf, Vancouver, formerly of Bellingham, and Fred Gaudette, Yakima, heavyweights, fought 10 rounds to a draw here last night.

NEIL CHRISTIAN IS NORTHWEST GOLF CHAMPION

Takes Open Golf Crown From Dr. Willing By Runaway Score—Two Under Par in Two Days' Play—Black Is Second Best.

By Frank G. Gorrie,
Associated Press Sports Writer.

SEATTLE, July 20.—(AP)—A professional will wear the Pacific Northwest open golf crown during the next 12 months, but the coveted title will continue to make its home in Portland.

The title was transferred from Dr. O. F. Willing, Portland amateur, to Neil Christian, Portland professional, yesterday when the brilliant Waverley club "boss" ran away from the field over a 72-hole route.

Christian scored a remarkable 290—two under par—for the two days of play, to win the tournament championship on the Inglewood course. A spectacular 69 on his morning 18 holes put the Portlander out in front and he was never headed.

Dave Black, veteran Canadian professional of Vancouver, B. C., captured the best 18-hole score of the tournament when he turned in a card of 68 on his last round to gain second place and money per for the course of 73. Black counted six birdies on the afternoon round.

Three other professionals—Fred Morrison of Los Angeles and Johnny Jones and Walter Pursey, both of Seattle, tied for third place with 298.

Dr. Willing led the small field of amateurs to finish next with an even 300. Mortie Dutra, Tacoma "pro," and Jimmy Johnston, Seattle amateur, each counted 301, while Frank Minch, Sacramento professional, took 302. Harold Sampson of Burlingame, Cal., and George Martin of Long Beach, Cal., had cards of 303 to cop the last of the money awarded the "pros."

RAIN ENFORCES ARMISTICE FOR NATIONAL WAR

Double Headers Scheduled Today — Athletics Take Tigers, 4-2 Behind Earnshaw's Fine Pitching—Gehrig Tops Ruth.

By William J. Chipman,
Associated Press Sports Writer

A rain more or less welcomed by eastern teams in the National league caused an eforced armistice all along the Atlantic seaboard yesterday as the Athletics took another step toward making the American league safe for the house of McGillicuddy. Behind George Earnshaw's crafty pitching, the Athletics handcuffed the Tigers by 4 to 2, while the Yankees were dividing a double header in Cleveland. The champions won the opener by 7 to 2, but the Indians rushed back to take the second decision, 11 to 3.

After drawing a pass in the first inning of the opener, Babe Ruth pulled up lame on the bases and disappeared for the rest of the day.

In Ruth's absence, Lou Gehrig hit his 23rd homer, taking the league lead from the great man with whom he had been tied.

Alphonse Thomas pitched the White Sox to a 2 to 1 victory over the Red Sox in Chicago and the Browns downed the Senators by 7 to 3 in St. Louis, completing the American league program.

Doubleheaders will be encountered at almost every turn in the National league today as a result of yesterday's rain. Only the Cards and the Braves are failing to double up. In Greater New York the lead will be at stake, as the Pirates make a double assault upon the Polo grounds, while the Cubs eagerly engage the Brooklyn Robins in a bargain attraction. The Pirates lead the Cubs by one game.

CLOSE GAME WON BY PELICAN TEAM

In what developed into a pitchers' battle after the first inning, Klamath Falls defeated Medford, 2 to 0, in a hard fought game, before a crowd estimated at 2000 at Klamath Falls yesterday. Montgomery, the 17-year-old Phoenix pitcher, was a little nervous the first inning, hitting three batters. The Pelicans made their two runs in the first inning. After the first, Montgomery tightened and allowed but two hits.

The Pearpickers got several men on bases but were unable to bring any of them in. Markel hit a three-bagger, but was put out trying to stretch it into a home-run. Medford outhit Klamath Falls, getting four hits to their two. No errors were made by either team.

Fans say that Montgomery pitched a real game and that he should develop into a pitcher that will be hard to beat.

Score:	R.	H.	E.
Medford	0	4	0
Klamath Falls	2	2	0

Montgomery and Woods; Street and Mann.

TENNIS OLDSTERS BOW TO YOUTHS

Both of the older players lacked the final punch to put over wins.

Matches this evening include a top rung setto between Deuel, challenger and Jimmy Edmiston, high school champion who has been at the top all week. Bailey also will go after the third place, now held by Wilson.

Both matches will start at five o'clock.

Deuel beat Wilson, 8-6, 6-4.

EGG PRICES TAKE STEP UPWARD ON PORTLAND DEALS

PORTLAND, Ore., July 20.—(AP)—Portland egg prices were advanced all along the line today in keping with the advance in other markets. Extras and standards rose 2 cents each, while medium firsts and medium extras went up 1 cent each. Prices fixed by the market master on the Yamhill street public market were 41 cents for extras and 36 cents for mediums. There stalls may charge less, but not more.

Wall Street Report

NEW YORK, July 20.—(AP) A selective "bull" market developed in today's brief session of the stock exchange in which a number of rail, public utility, steel and merchandising shares were pushed into new high ground while heaviness developed in some of the motor issues. Despite the absence of many traders on extended week end trips trading was fairly heavy for a mid summer half holiday session.

Railroad shares were heavily bought in the belief that consolidation plans will be advanced materially by the reported decision of the interstate commerce commission to present a revised plan as a basis for a final grouping of the leading carriers. One block of 8500 shares of St. Paul common changed hands at 42.

The closing was strong. Total sales approximated 1,500,000 shares.
