HARVEY STATION ON SIXTH OPENED

Harvey's Shell Oil station No. 2, located at the corner of North Front and Sixth streets, was opened yesterday and is now ready to serve all patrons with car greasing, washing and tire repairing in addition to oil and gas.

Material for the $10,000 structure was secured from local firms, the Rogue River Lumber Co. furnishing the lumber and a part of the other building material.

Millwork for Harvey's was done by the Trowbridge cabinet works, specialists in manufacturing, all kinds of cabinets, doors, screens and built-ins.

Much Interest Shown in New Victor Radio

The people of Medford have shown so much interest in the new Micro-symphonous Victor radio with electrola on display at the Palmer Music House that H. P. Jones has been on duty constantly every day from early morning until late at night, since Monday. Mr. Jones states that in his entire contact with radio he has never seen an instrument meet with such general acceptance by the public.

Clayton Isaac, of the Palmer Music House, brought to Medford Fred B. Aubert, formerly with the northwestern distributing organization of the Victor Talking Machine company. Mr. Isaac and Mr. Aubert feel that radio has developed this year to the point that it will be accepted as a permanent installation in nearly every home and they have planned a program of activity to meet the demands already made upon them for the new instruments, which far exceed anything they have ever undertaken before.

German Musicians Worried

BERLIN (AP)—The introduction of the sound movie in Germany is causing much worry to the musicians. Already three of the largest houses of greater Berlin have given notice to their orchestras that their services now are unnecessary, and others are expected to follow.

ORCHARD!

How many times recently have you wished that you had gotten into the orchard business? It is difficult now to find an orchard that you can buy for less than $1000 an acre.

But I have at this time one 10-acre block of orchard; this is well located, good soil, fine trees, but young. With the proper care this orchard will pay for itself every year from now on. This tract of orchard I am authorized by the owner to offer for $300 an acre. Death in a family has made this unusual opportunity for someone to own an orchard. It takes $1500 cash and the balance on very easy terms.
