EXPORT BUYING BOOSTS WHEAT

CHICAGO, July 31.—(AP) Wheat prices scored maximum advance of 4 1/2 cents a bushel today and closed at practically the day's top figures. Big export buying of domestic red and hard winter wheat of about 2,000,000 bushels, together with purchasing of 500,000 barrels to 1,000,000 barrels of flour for shipment to Europe was largely responsible. In addition, the total domestic crop of wheat, winter and spring together, was authoritatively estimated at only 757,000,000 bushels harvested in 1928.

Wheat closed strong, to 4 1/2 above yesterday's finish, corn 2 to 3 1/2 up, oats 1 1/2 to 2 advance, provisions unchanged to a rise of 49 cents.

Pendleton in Eclipse. PENDLETON, Ore., July 31.—(AP)—Pendleton was dark for more than two hours last night when a large transformer in the local substation went out at 9 p. m. Lightning is thought to have caused the trouble. The night was sultry after a day in which the temperature soared to 106 degrees.
