

NORTHERN CANTS APPEAR IN MART: PRICE EASES UP

PORTLAND, Aug. 3.—(AP) With small parcels of northwest cantaloupes making their appearance, the product has begun to show some weakness in price.

The tomato market is also beginning to feel the pressure of local gardens. The wholesale price was \$1.10 to \$1.20.

Green corn continued high with slight prospect of any immediate decline. The warm, dry spell is halting the ears in their field growth and nothing but a soaking rain can remedy the situation.

BULL MOVEMENT HITS UTILITIES
