"Can you tell me where?" This is a frequent question asked by strangers in Lithia park and although the summer season is well past the need for signs directing tourists and other visitors to points about the park remains. Signs locating the lithia water fountain, signs locating the band stand, signs locating the play grounds, all are badly needed. The expenditure required for placing signs about the park would not be great and it certainly is a need which should no longer be neglected.—Ashland Tidings.

SALTZMAN — George D. Saltzman was born at Polo, Ill., where he spent his early life, later moving to Iowa, where he engaged in the lumber business. He was married to Lily Boners of Storm Lake, Iowa, Aug. 9, 1905. They came west in September of the same year, locating in Momeroy, Wash., where he again engaged in the lumber business. In the fall of 1909 they came to Oregon, locating east of Medford, where they have since made their home, and where he planted an orchard and lived to see the fruits of his labor. Mr. Saltzman was a man of exemplary character and of sterling worth and could always be depended upon. His sudden death early Thursday morning cast a gloom over the entire community. NOTICE....

To Theatre Patrons

How many of you remember Mr. and Mrs. Martin Johnson's wonderful picture of the African jungle, "SIMBA," that was shown in Medford several months ago as a road show at $1.00 and $1.50?

For weeks after this picture was shown we were repeatedly asked if it would ever return. Many had failed to see it, and many wished to see it again.

We now have an opportunity to present, in the very near future, a return engagement of this great picture at the RIALTO THEATRE, but, inasmuch as the Rialto policy is strictly first-run attractions, we want you, as the people we are serving, to decide for yourselves. If you wish to see "SIMBA" and see it at regular Rialto prices—10, 15 and 25 cents—clip the coupon below, mail it to the Rialto or leave it at the box office.

I would like to see a return engagement in Medford of Mr. and Mrs. Martin Johnson's "SIMBA."

Signed .....

P. S.—It is understood that the return of this coupon is considered a great favor by the management of the theatre, will be held in strictest confidence and in no way places the sender under any obligation.

And unless a satisfactory number of coupons are returned, the picture POSITIVELY WILL NOT BE SHOWN.

Coupons Must Be in By August 14
