A Bride of the Week

Mrs. Edward C. Kelly

THE Catholic Sacred Heart Church was the setting for a pretty wedding on Tuesday morning, August 6th, when Miss Mary Greiner became the bride of Edward C. Kelly. Father Francis W. Black performed the ceremony at 8 o'clock before a large assemblage of friends and relatives.

The bride was lovely in a gown of French ivory satin, made in semi-princess fashion, with low cut bodice in front and back from which hung a train in soft folds of the material. Her long ivory tulle veil fell from a close fitting Juliet cap held in place by a wreath of lilacs-of-the-valley. She carried a shower bouquet of bride's roses and lilacs-of-the-valley.

The maid of honor who was Miss Loretta Crimmins of Detroit, Mich., a cousin of the bride, wore a beautiful frock of old green chiffon, with picture hat in white and silver and trimmed with a wide band of green velvet ribbon falling in flat loops on one side. She wore green satin pumps to match the frock. Her shower bouquet was Columbia roses and sweet peas.

The bridesmaids were Miss Ruth Mulvey and Miss Ann Wood of Portland, Ore. Their gowns were fashioned alike. Miss Mulvey's gown was of peach colored chiffon and Miss Wood's gown was a pale shade of orchid chiffon. Both made were small velvet turbans and satin pumps to match their costumes. They carried arm bouquets of gladiolus in pastel shades.

The best man was Will Wood of Portland, Ore. He wore a suit of blue and white, with a white tie. He was Guy Kelly, brother of the bridegroom, Maurice Spatz, and Ted Abens, all of Medford, and Bert Hrodel of Central Point.

The scene was one of unusual beauty, huge baskets of gladiolus, pointed palms, and ferns were artistically placed about the sanctuary, while the altar was banked with mauve gladiolus and ferns. The hundred candles and tall tapers on each side added brightness to the scene.

As the hour for the service arrived and the bridal party entered the church, the ever popular Mendocino's wedding march was played by Miss Dorothy Reynolds and to its strains the bride's party walked up the aisle. First came the bridesmaid and proceeding the bride and bridegroom came the maid of honor and best man, passing through the Sanctuary Gate.

The bride and groom were met by sweet peas and rosebuds.

Miss Dunham was graduated from Medford high school in 1923 and has been attending art school in San Francisco for the past two years.

The guests were: Judith Griffin, Phoebe Gibbs, Juanita Sullivan, Ernestine Fredenburg, Guy Lay, Fredenburg, Naomi Flann, Lucille Drake, and Geneta Hart.

After spending a week at Newport, Ore., Mr. and Mrs. J. Shelby and Mrs. L. M. Guiner, Miss Hazel Hyman and Clarence Shively, all of Central Point, returned to their homes Wednesday evening.

Mrs. Clyde Pakin returned to Medford recently from Portland after spending the past three weeks

Queen of Spain Is Thrilled by Hoover's Paper

WASHINGTON, Aug. 10.—(AP)—A "white bill of rights" drafted by President Hoover and now on display at the Inter-American exposition in Seville, attracted the attention of the Queen of Spain and has been given general approval.

Miss Elizabeth Shirley of the United States children's bureau, who took the beautifully illustrated Spanish-American copy of the "white bill of rights" to the exposition, has returned, relating that the queen was among those who lingered longest before the document.

"She read, motionless before it until she had read it to the very end," said Miss Shirley. "The queen broke ranks with an impulsive gesture which said, 'I must see this' when she first glimpsed the sign of the children's bureau. She looked at everything. But it was President Hoover's plan for the children that moved her most. When she had read it quite to the end, she had considered some of its phrasing a second time, she nodded her head in complete approbation.

All the rest of Spain seemed to agree with her. People passed before the huge "open book" in an endless chain of comment—"Ah, see—the president—marvelous!"

Each afternoon the city folk have a shortage of wood. In this socialist state the government is supposed to cut it, transport it and distribute it. Perhaps the man in charge of this activity devotes some of his summer to a holiday instead of to buying in supplies for the winter.

That is where the Neptun, or private trader, comes in. He is permitted to buy the wood from the state, either after it is cut and stacked in the forest, or at the railroad. He transports it to the city and sells it. Furthermore, he will deliver it to your door, whereas one who buys from the state must get the wood at the woodyard and bring it home himself. The Neptun charges more than the government yard, but he always has wood on hand.

The same is true of most other needed commodities which become scarce from time to time. While the government shops ration butter, eggs and other food, the Neptun will sell you all you want. But he charges you a dollar more or more for his butter, and regular Christmas season prices for his eggs. His excess profits are not all his own. For the government takes him heavily to try to prevent the growth of a new bourgeoisie on the grave of the exterminated middle class.

Social Events of Church Societies

The ladies of the South Methodist church will give an ice cream social on the lawn of the church next Tuesday evening.

The Young People's Missionary society of the First Christian church will hold their regular meeting Tuesday evening at the home of Mrs. Myrtle Newland, 855 E. Ninth street. The meeting will be in charge of Miss Gladys Frye's division, and will start promptly at eight o'clock.

Missionary Societies to Hold Joint Meet.

The August meetings of the Missionary Societies of the First M. E. church will be in the nature of a joint-meeting in the church parlors on Tuesday afternoon at 2:30.

Mrs. Conner, Mrs. Minnie Heine and Mrs. Helitzer are hostesses, and Mrs. Whelden will be program leader.

Mrs. Lovell Hostess Priscilla Circle

Mrs. E. M. Lovell of 524 Edward street entertained the Priscilla circle of the First M. E. church Wednesday afternoon, August 7. The business session closed with a prayer, Mrs. John Newbold and Mrs. J. H. Hart winning prizes. The hostess served ice cream and cake to 11 members and four visitors.

The circle will meet with Mrs. Charles Wiseley, August 20, at her home on West Jackson street.

Methodist Church

The Missionary society of the South Methodist church held their business meeting at the home of Mrs. Dr. Roberts Tuesday. There was a good attendance. Several new members were added to the society.

The social meeting will be held August 20 at the home of Mrs. H. Tiley, 1115 West Ninth street. All members and friends are invited. After the business was disposed of the members decided to hold an ice cream social on the church lawn Tuesday evening.

Methodist Church, South, Have Annual Picnic in Ashland

A large representation of the church and Sunday school of the Methodist Church, South, gathered at the park in Ashland Thursday afternoon for their annual picnic. The festivities began at 2 p. m. and continued with games until 7 p. m. when the dinner was spread. After a few more games, the company started home, feeling that this was the best picnic ever sponsored by the church.

Best Dressed Woman Had 800 Gowns

Every now and then the papers find a new "best dressed woman in the world," but that title still dates back a century to Napoleon's empress, Josephine.

And well it might. Josephine not only was originator of the Empire gown, a style which influenced women's dress for half a century, but she also was probably the most extravagant woman of all time, where her wardrobe was concerned. At one time, according to the French archives she owned between 700 and 800 gowns, some 500 chemises, 850 pairs of shoes and slippers, and more than 600 pairs of silk hose.

Her stockings alone, costing \$75 a pair in a day when silk was truly a luxury, would be worth \$42,000. Her complete wardrobe was a million.

Baked potatoes will have tender, soft flavored skins if they are dried before baking. To hasten baking the potatoes may be dipped in hot water until warmed through.

The quality of dried fruits will be preserved much longer if the fruits are kept in a dark place to prevent the light affecting color, and in a dry, well covered vessel to prevent entrance of molds.

CHILEAN COAST GALE BATTERED; DAMAGE SEVERE

SANTIAGO, Chile, Aug. 10.—(AP)—A terrific storm that raged all last night caused damage along almost the full length of the Chilean coast and in the mountains to the east took the form of a blizzard.

A tug boat was sunk and its captain drowned and several lighters and launches were lost at Valparaiso in the extreme south. Two British cruisers escaped by putting out to sea. The breakwaters at Antofagasta were destroyed and damage was done at Valparaiso, Miramar and Talcahuano.

All train service and air service between Chile and Argentina was suspended. Passengers on one trans-Andean train were snowed bound in a tunnel. They were obliged to be well provisioned, but efforts were being made to open the road to them.

Only about 50 feet of the long seawall at Antofagasta remained undamaged tonight. The Steamship Elbro narrowly escaped being wrecked. Its anchor chain parted but it was able to put out to sea in the teeth of the gale.

Small boats and wrecks were seen on the shore for miles around. The port engineer at Antofagasta estimated that reconstruction of the seawall would cost about \$1,600,000.

STOCKS RECOVER AFTER SHOCK OF LOAN RATE BOOST

NEW YORK, Aug. 10.—(AP)—Stock prices of the New York stock exchange and other leading security markets showed considerable recuperative power yesterday, after the severe blow suffered at the hands of the federal reserve yesterday, with the increase in the New York Reserve bank's discount rate to 6 from 5 per cent.

Prices indicated that leading stocks generally regained about one-third of yesterday's losses. Several banking authorities were inclined to the opinion that the increase in the discount rate was a constructive move, in that it brought the rate into line with open market credit rates, and should have a stabilizing influence on call money.

The traders remained somewhat stunned was indicated by the comparatively light volume of trading today. Total sales on the stock exchange aggregated 1,478,457 shares, one of the smallest Saturday turnovers of the year.

Day trading stocks rallied \$2.20 to \$10, while an extreme gain of \$20.50 was recorded by Auburn Auto, which lost \$18.75.

TEX RANKIN SET FOR FLIGHT FROM BORDER TO BORDER

VANCOUVER, B. C., Aug. 10.—(AP)—After stopping off at Bellingham, Wash., on his way here from Portland Tex Rankin, pilot of the plane which will fly at dawn tomorrow for Agua Caliente, Mex., dropped down to a perfect landing at the Lulu Island airport here at 8 o'clock tonight.

Pleased with the performance of his machine, and declaring that he was ready to leave at 3 a. m. tomorrow, Rankin, after seeing to housing and inspection of his tiny plane, sought rest before his long flight to the south.

At 6:45 p. m. Ray Astie, general manager of the Rankin school of flying, Portland, B. C., Bartley, chief mechanic, and Bill Frankham of the Rankin forest service, arrived here in a speed wing Waco machine. They were preparing for Rankin's take-off tomorrow.
