SIXTEEN RUNS ACROSS PAN IN THREE INNINGS

Yankees and Detroit Tigers Engage In Endurance Test —Philadelphia Athletic Lead Is Increased To 13½ Games.

By WILLIAM J. CHIPMAN
Associated Press Sports Writer

A moist afternoon along the major league trail, where three of the nine scheduled skirmishes were postponed, was hardly enough for the Yankees but just about right for the Athletics. The leaders turned the day to account by wrestling a 5-to-3 decision from the Indians in 17 innings behind Mose Grove as the Tigers outpunched the Yanks by 17 to 13, and the Philadelphia lead increased to 13½ games.

This margin is the greatest the Athletics have had at any time this season and is the exact distance by which the Yankees led for two days or so when the 1928 race was at its loosest stage around the Fourth of July.

Jimmy Foxx's 28th homer, which gave him second place in the American league, decided the long battle in favor of the Macks, but the leaders crashed in another run off Willis Hudlin before the end of the inning just to remove the last doubt.

The less said about the lacing of the Yankeees in Detroit the kinder it will be to both teams. Between them the teams scored 16 runs in the first three innings. From that point to the finish Owen Carroll held the Yanks to the comparatively safe quota of nine hits and six runs, while the various Yankee tossers continued their queer capers with the result that the Bengals won rather handsomely.

After the failure of George Pipgras, Waite Hoyt made his first appearance on the mound since his recent attack of blood poisoning. It was brief and disastrous, three hits and one pass helping the Tigers to seven runs. The Bengals broke a 12-to-12 tie with Wiley Moore by lacing out five runs in the eighth.

The Red Sox defeated St. Louis by 4 to 1 and the Senators slammed the White Sox by 11 to 3 in remaining American league games.

In the New York metropolitan district National league proceedings were limited to Boston and Philadelphia. Jess Petty turned in a five-hit game at Braves' field to defeat the home team by 1 to 0, and the Pirates reduced the margin of the Cubs half a game to eight contests.

At Philadelphia the home team shaded the Reds by 2 to 1 in the first game of a double header cut short at the end of the seventh by rain. The second game, of course, was postponed.

Wall Street Report

NEW YORK, Aug. 15.—(AP)—Uneasiness over the weekly federal reserve brokers' loan statement to be issued after the close of the market, brought about further irregularity in today's stock market although the main tendency was again upward. Trading turned rather dull but there was evidence of organized buying in a rather wide assortment of public utilities, rails and merchandising shares.

Call money renewed unchanged at 7 per cent, after having dropped to 6 in yesterday's late trading, and there was no change in other monetary accommodations.

Liquidation of the rubbers, Fisk convertible preferred sinking 3 and Goodyear 2, to new lows for the year, and the selling of the coppers was offset in the last hour by the marking up of various specialties. Newport company, Timken roller bearing, Gillette, Lyons rose 4 to 6 points. The safety razor, American Water works and Electric and A. M. ... closing was irregular. Total sales approximated 3,400,000 shares.

No one can afford pimples

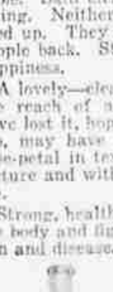
HAPPY is the woman who has a clear, smooth, flawless skin! Both men and women admire such captivating loveliness.

First impressions cannot be good without a clear skin—first impressions are quickly made and are not soon forgotten. Old friends may excuse pimples and secretly sympathize but new acquaintances may not be so charitable. Skin blemishes are not inviting. Neither can they be covered up. They embarrass. Hold people back. Steal away joy and happiness.

A lovely—clear skin—is within the reach of all. To those who have lost it, hope is offered. You, too, may have a beautiful skin, rose-petal in texture, pretty as a picture and without a single pimple.

Strong, healthy blood nourishes the body and fights against infection and disease.

Without plenty of rich, red blood, there could be no strong, sturdy, powerful men, or beautiful, healthy women.



SSS

A clear, smooth, lovely skin speaks of rich, red blood within.

Many thousands have regained their strength and charm by taking S.S.S. It is Nature's own blood tonic for raising the body's power of resistance to disease, improving the appetite, building firm flesh, and clearing the skin. S.S.S. promotes constructive metabolism (healthy body building). It increases the number of red-blood-cells.

When you take S.S.S. to get rid of pimples, boils, eczema and such skin troubles, you are building up the system to ward off the graver diseases of which these blemishes are Nature's warning.

S.S.S. is made from fresh vegetable drugs and has a successful record of over 100 years back of it.

All Drug Stores sell S.S.S. Ask for the larger size. It is more economical.
