KEATING FEUD NATATOR FEUD LAKE ONTARIO

Victory of New Yorker Refutes Charge By German That Keating Was Towed in Former Race—Only Six Finish Grind.

TORONTO, Ont., Aug. 31.—(AP) Conqueror of Lake Ontario's icy waters and of 237 rivals as well, Edward F. Keating of New York was satisfied today, for he had evened an old score with Ernest Vierkoetter, German baker, now living in Toronto.

Victory in the fourth annual Wright 15-mile swimming marathon here yesterday netted Keating a cash award of \$25,000, but he seemed to take more satisfaction out of the fact that he had forced Vierkoetter to be content with second place and \$5000.

There has been bad feeling between Keating and Vierkoetter ever since 1927, when the German charged Keating had been "towed" by his escorting boat in the Lake George swim that year.

Keating's first question as he clambered out of the water at the end of yesterday's 15-mile grind was: "Where is Vierkoetter?" Assured that the German was far behind, Keating smiled. Later he expressed the hope that Vierkoetter would "apologize" for what he said about the Lake George swim.

BRUINS SUFFER FOURTH DEFEAT OF BUC SERIES

Cruel Corsairs Continue to Crumble Cub Lead—Bush No Mystery in Pirates' Batting Orgy—Klein Gets 34th Homer.

By William J. Chipman. Associated Press Sports Writer. The Cubs almost certainly will become champions of the National league within the next month, but they never can be champions of the Pirates of 1929. The Pirates attended to this small detail in person at Forbes Field yesterday when they took Mr. Guy Bush and the Bruins by the convincing score of 12 to 7 for the 12th Pittsburgh victory over Chicago this season and the fourth in three days.

The Cubs have won only eight games from the Buccaneers, with two more to go, one today in Pittsburgh and one on the final day of the season in Chicago. Burleigh Grimes was groomed to meet Sheriff Fred Blake this afternoon in the final game of the current series, which the Cubs looked upon as a flattery. Four straight Pittsburgh victories have reduced the Chicago lead only from 14 1/2 games to 19 1/2, but another success for the arms of Dreyfus today would give Joe McCarthy good reason to worry.

It seems impossible that such a lead could be blown, but the moral effect of a fifth straight reverse upon the Cubs might leave them easy prey for succeeding foes. The melee at Forbes Field yesterday marked the fourth defeat of the season for Guy Bush, for whom the Pirates impudently refused to show any respect whatever.

Unawed by Bush's 18 victories, the cruel Corsairs assured him as early as the fourth inning that he would have to wait for his 19th. By that time, Bush had been driven to cover by a barrage of 16 hits and eight earned runs, and Art Nehf had come out to absorb the rest of the beating, which totaled 21 safeties. Carl Hubbell got a bad break when a fumble by Travis Jackson in the 10th inning at Ebbets field caused him to drop a 2 to 1 decision to Dazzy Vance and the Robins, but then, the Giants were fortunate in a way that the 10th inning was played at all. They lost one of those was a drive by Fred Leach to the top of the right field wall.

DUCKS RECLAIM PENNANT LEAD IN SWAT FEST

Portlanders Nick Five Angel Hurlers for 17 Hits—Final Count 12 to 7—Great Mails Goes to Showers in Seattle.

(By the Associated Press.) The Portland Ducks, foremost contenders these last few weeks for the second half pennant of the 1929 season, once more claimed the Pacific Coast league lead today, with a full game margin over the second place Los Angeles Angels, their rivals this week.

The battle the ducks won yesterday from the Angels was a slugging match from start to finish. Portland batted 17 hits and won by a score of 12 to 7. The Angels used five hurlers, and the Ducks two. The northern team smashed out a 6 to 1 lead in the first inning off Barfoot and Phil, battering out two more in the second, but the Angels pared down the lead to three by the sixth inning. Holly Wood hit Sacramento's pitchers hard, but the Senators came back stronger and won a 10 to 6 victory. It was a free for all slugging at Wrigley field, Los Angeles.

JONES STEALS SPOTLIGHT AT PEBBLE BEACH

Georgia Golf Wizard Climaxes Practice for Tourney With Five-Stroke Betterment of Par—Putting Aid to Birdies.

By Alan J. Gould. Associated Press Sports Editor. DEL MONTE, Aug. 31.—(AP) America or England, New York or California—it's all the same to Bobby Jones.

The well known alumnus of Georgia Tech, seemingly bent upon causing more disturbance in the golden west than the whole Tech eleven did last New Year's day on the gridiron, has already stolen the rehearsals for the national amateur golf championship. He seems destined to steal the main show, that begins Monday.

The four-time American amateur king and three-time open champion brought his practice week to a climax yesterday on the Pebble Beach course with a scintillating 67, beating par by five strokes and his own course record by three shots.

In snatching the widely publicized honors of this famous course, with its dunes and cliffs, its bunkers and its fairways skirting the sparkling ocean blue, Jones hit one of the greatest rounds of his career. Nothing in particular was at stake beyond the battle between the world's greatest golfer and the formidable layout that previously had resisted all attempts to crack.

Jones had already weakened its endurance, perhaps by scoring that figure three days ago. Yesterday he landed the knockout.

Interest Is Keen. The coming of Jones, along with the first amateur title tournament ever held on the Pacific coast, has

aroused greater interest than any previous sporting event in the golden state's history. The experts all admit this. All that was needed to satisfy the most conservative or skeptical was for Jones to play the round he did yesterday. The gallery of fully 1,000 also appeared to be willing to crown him king again on the spot.

A few of the salient features of this round illustrated the fact Jones struck. His only mistake was on the second hole, where he took two shots in a trap, and on the third, where he required three putts to get down. This effort, one of the greatest exhibitions of putting he has ever given with his celebrated club, "Calamity Jane," scored nine successive holes in 23 and cover the treacherous incoming nine holes in 32, four under par, on the home green for a 67, after hitting two wonderful wood shots along the green's border in within ten yards of the 540-yard green.

The effect of Jones' great round was to widen today the gap separating the champion from the rest of the field. There have been some other fine performances in practice. George Von Elm, Phillips Finlay, the former Harvard star now representing California; George Volght of New York and two of Oregon's best, Dr. C. F. Willing and Don Mac, the western champion. All have scores around 71 to 74.

NORSE RELICS FOUND—HOEYANGER, NORWAY. HOEYANGER, Norway.—(Special.) Workmen, digging for the foundation of a new business structure here, made a find believed to be of great historic importance. When but two feet beneath the surface they unearthed a number of spears, swords and knives which appeared to be of ancient origin.

Experts who viewed the find expressed the belief that the workmen had uncovered an ancient Norse grave and that the weapons, apparently more than a thousand years old, had been buried with a warrior chieftain. The objects have been forwarded to the University of Oslo for further examination.
