EGGS AND BUTTER ARE ADVANCED ON PORTLAND DEALING

PORTLAND, Sept. 17.— (AP) — Both eggs and butter were higher at the Portland produce exchange today.

All grades of butter, except firsts, and all grades of eggs, except pullets, were advanced one cent.

The advances were in reflection of higher prices asked at all other coast markets.

California grapes were cheaper, at 75c to $1 per lug of Zinfandels; $1 to $1.20 for Thompson seedless, and $1.50 to $2 for the other table varieties.

Italian prunes were weaker at 25c to 35c per 15-lb. box.

Large supplies of local lettuce caused depression of that market. Seattle and California stock moving to retailers slowly, mostly around $3.25 per crate of four and five dozen heads.

Good cauliflower is scarce, moving readily at $1.50 per crate. Much cauliflower of ordinary quality is selling at $1 to $1.25. It is feared that the local cauliflower crop will be nearly a complete loss, if rainfall does not materialize soon.

Potatoes were firm, at $3 per cwt. of No. 1 Yakima gems.

East side market prices were on a level with those quoted Monday.

Wall Street Report

NEW YORK, Sept. 17.—(AP) The stock market began to worry about credit conditions again today and prices sold off sharply after an opening outburst of strength. Declines in many of the active issues ran from one to six points but the selling slowed up in the early afternoon when bullish operations were resumed in a selected list of public utilities and specialties.

Call money renewed at 7½ per cent but advanced to 9 when banks began calling loans.

Contrasting movements featured the late operations in the merchandise group. Simmons rising more than 5 points, while May Department Stores declined 4 3-5. The market generally fluctuated in an erratic manner, the weakness of U. S. Steel and Radio having a restrictive effect on speculative buying. The closing tone was heavy. Total sales approximated 4,300,000 shares.

Building permits reaching total of $1,281,242 have been granted for first eight months of 1929 in Klamath Falls, according to figures compiled at city hall.
