

SUPPORT GIVEN IN STOCK PLUNGE IS STRENGTH FACTOR

NEW YORK, Sept. 25.—(AP)—Powerful support was thrown into the stock market in the last hour of trading today, checking a flood of liquidation which had swept down prices of scores of leading issues on the New York stock exchange from \$5 to more than \$20 a share. Losses were generally cut in half by the close of the market, and a handful of stocks rushed up \$5 to \$20 above yesterday's final quotation.

FRESH EXTRA EGGS IN TWO CENT RISE

PORTLAND, Ore., Sept. 25.—(AP) With receipts lighter and the demand heavier, fresh extra eggs have been advanced two cents by the Pacific Co-operative Poultry Producers. The San Francisco and New York markets have been advanced on all grades.

Workers in virtually every department of the community are given a day of rest every five days.

The old days are returning, and cows, sheep or any other stock which are stable value are even now assets instead of liabilities. Consult your banker and you will be surprised at the ease with which you can finance a really good dairy or stock ranch with water rights. A Small Down Payment will usually satisfy the present owner, and when the place is stocked and equipped it is all up to efficient management.
