

News From City and Valley Schools

ATTENTION!
 School notes are requested to be in by Friday evening at 6 o'clock. They will not be accepted after 9 o'clock Saturday morning, beginning this week.

Junior High

Reporters: Forester Walker, Junior High Pupils Attend

Naturalization
 Representatives from five different civic classes were present at the naturalization Wednesday. Those attending were: Donald Stinson, Max Gillinsky, Ethel Richards, Katherine Chaney, and Jack Ghere.

Several different nationalities were represented at the naturalization. There were two Italians, one Greek, two American women who had married Canadians and had lived in Canada for a time, one lady from Scotland and two Englishmen. After the questioning, they were presented with American flags by the Daughters of the American Revolution.

Banking

We are making a decided improvement in our banking. Last week we had only two rooms having 100 per cent. This week we had six. They are the assembly including 5B and 8A, room 10, room 2 and room 6.

Friday's Program
 An interesting program sponsored by the student body was presented at Friday's assembly. Mrs. Laura West, who recently made a tour of Europe, gave an interesting account of her trip. Robert Kayser played a violin solo. He was accompanied by his sister, Harriet Kayser, on the piano.

Spelling

The spelling average for the entire building this week was 65. The 11's have the highest average of 84.5; the 7's and 8's both had 55.3 per cent.

Music

Students will be permitted to leave the school building during school hours to take music lessons provided that they have two free periods in succession and that their school work is average or above. No credit will be allowed for this work. Each one taking advantage of this plan must make arrangements in the principal's office.

Washington School

Last Friday at the meeting of the Washington Parent-Teacher circle, an election was held to select a president to succeed Mrs. F. M. Rogers, resigned. Mrs. W. A. Holloway was unanimously elected and all are looking forward to a very successful year's work. Mrs. Fichtner presented a basket of beautiful flowers to the room having the largest percent of mothers present. It was won by 6A.

In banking this week our average was 84.6 per cent, just a little better than the average last week. The 5B with 100 per cent and the 6A with 116.6 per cent were the leaders. A large number of the children joined the Gold Bond Savings club and are eagerly awaiting the magazine which is to be mailed directly to them.

Health inspection is now one of the important things of the day in Washington. Most of the boys and girls are taking pride in keeping their health records and this makes for healthier, happier children. The banner went to 6A room when they showed a per cent of 99.7 in their health habits.

C. G. Smith has been visiting our school today and promises to be with us again next week. Mr. Smith is assistant to Mr. Hedrick and was here to see how Washington pupils and teachers do their work. We hope he will come again.

Our enrollment is still growing. This week (Friday) 10 new boys came from England, Jean G. Smith, 2B, from Alhambra, Calif.; Walter McEwen, 5B, from Oak Grove. Roosevelt school sent us Armond Dalkey, 4B, and Leone Johnson, 5B, and Luzena Woodcock came from Jackson school.

We have one pupil leaving. Ellen Lemaster returns to her former home in Bakerfield, California.

Roosevelt School

Reporters

5-B pupils of the Roosevelt school are still reporting the news for their school. The following pupils wrote this week:

Virginia Lindley, Mary Powell, Betty Vilim, Deluzs Shaper, Eloise Patterson, Amy Elliott, Doris Barrett, Steve West.

Bond Savings Club
 All the Roosevelt boys and girls thought that the Gold Bond Savings club was a good idea. 134 boys and girls of the Roosevelt school joined the club. We are all glad to try hard to get all the discount cards we can.

Banking
 The banner rooms for this week in banking were Miss Wataling's 1-B, who had 100 per cent, Mrs. Maxwell's 1-B, 1-A, 100 per cent, and Mrs. Carter's 2-B, 3-A, who also had 100 per cent. The building average was 85 per cent.

Fair Money
 This year the Roosevelt school received \$5.75 for prizes from the Jackson County Fair Board. We were very glad to get this money for we can buy things for the school with it.

Speed Ball
 The first speed ball game of the season is going to be played Saturday, September 28, 1929. The two schools playing are Jackson and Roosevelt. We are practicing very hard to be ready for the

Health

The 5-B's of the Roosevelt school are very glad they are in the health honor room. The average for the 5-B's was 99 per cent. The record for the building was 97.9 per cent. The building average was much higher than last week.

Spelling

The room having the highest percentage in spelling was the 4-A class, 98.8 per cent; building 94.7 per cent.

We are all trying our best to get 100 per cent.

Baseball

The fifth and sixth grade girls are practicing hard to get the championship in baseball this year. We are organizing teams and will be ready when the record games start.

Pupils Entering and Leaving

The pupils who have entered Roosevelt school this week are Betty Dymann, 5-A, from Jackson school; also Robert Dymann, 4-A, from Jackson school. From Lincoln school, Arthur Hodgson, 1-B; Goldie Reuss, 1-B, and Dorothy McKenzie, 3-B.

The pupils that left are Elsie Alcock, 5-B, and Elinor Alcock, 1-B to Lincoln school.

Lincoln School

On Friday afternoon, Mrs. Laura West went to the Junior high to talk to the students and invited guests, on her trip to Europe, Western Asia and Northern Africa. Miss Cox took the class during Mrs. West's absence.

Mrs. Marjorie Newberry is substituting at the Junior High school this week. Mrs. Margaret Russell is filling her position in the 2-A, 3-B room.

Seven first prizes were awarded the Lincoln school at the Jackson county fair. There were also three seconds and three third places won. All grades, from the first grade, through the sixth, received some recognition.

The Fourth A grade have finished some very attractive booklets on North America this week. Banking average was 81.7 per cent this week. Mrs. Newberry's, Mrs. Harrison's and Mrs. Turner's rooms were 100 per cent.

The average in spelling for the week was 93 per cent. We hope to do better next week. We took much interest in joining the children in Lincoln school Gold Bond club.

Jackson School

Banking 81.9 per cent. 100 per cent rooms, Mrs. Laidley's, Miss McCNiven's.

Spelling 84 per cent; best grade 98.7 per cent; lowest 57.8 per cent.

Health inspection 84.3 per cent.

Speed ball games: Jackson 29, Roosevelt 0.

Teachers III: Mrs. Taylor, Substitute, Mrs. Coffin.

Attendance for month ending September 27, 96.9 per cent.

Speed Ball Game
 There was much excitement on the Jackson school grounds Saturday morning when the whistle blew for the speed ball opener between Jackson and Roosevelt schools. Within a few minutes of play it was evident that the Jackson boys were the masters and when the final whistle blew the score stood 29 to 0 in Jackson's favor. The Roosevelt boys played

Romance at Rialto Today

"River of Romance," Charles (Buddy) Rogers' starring vehicle opens at the Rialto today. It is based upon the famous Booth Tarkington play, "Magnolia," has everything that is desirable in a talking picture. It has a gripping plot, actors who can talk and wear period costumes, local atmosphere and a romantic theme that rolls softly through the colorful scenes of southern life in the 1840's.

It is a new kind of role for Buddy Rogers. He appears as a soft-mannered youth who returns to his paternal home in a Mississippi plantation to be confronted with the brusque and bewildering code of duels and feuds and "hand-hunt, huh." Refusing to fight a duel he is branded as a coward. He comes back, though, in a startling fashion, eventually winning the girl who had loved him through it all. Mary Brian is bewitching as the demure southern girl who loves Buddy; and June Collyer, as the coquette, is effective. Excellent character work is furnished by Wallace Beery; Fred Kohler, Mrs. George Fawcett, Henry B. Walthall and Natalie Kingston.

Lone Pine School Notes

Lone Pine school opened Sept. 23 with an enrollment of 47. During the month the children family moved from the district to Poots creek taking two of the pupils, Myrtle and Sylvia Childers. There are three new pupils from the Naisse family who recently moved into the district.

Those who made 100 per cent in spelling for the month are Ruth Miller, eighth grade, Loren Rose, seventh, Richard Davis, Ruth Bailey and Wayne Bingman, sixth, Theodore Medley and Velma Van Ortwick, fifth, and Bertha Van Ortwick, fourth.

The upper grades are making plans for a house, the construction of which will be their first project of the year. It is to be built to a scale, finished and furnished entirely by the pupils. The plans are being made with a great deal of interest and enthusiasm.

Masquerade Coming Hunt's Craterian

Alan Birmingham, co-featured with Lella Hyams in "Masquerade," Fox Movietone company, which comes to Hunt's Craterian today was adapted from "The Brass Bowl."

The young Broadway favorite, who makes his screen debut in this all-talking picture, has written two plays, which are due to be produced in New York. He calls them "The Kellys" and "Hob Nobs." He insists "The Kellys" is not a second "Alice's Irish Rose" but admits he wouldn't mind if it should prove a success.

Birmingham plays a dual role in "Masquerade," one as a young New York man-about-town, and the other a notorious society landlord, who is a "double" for the gay bachelor.

Lella Hyams is co-featured with Birmingham.

PHOENIX SCHOOL OF RELIGION TO OPEN

The Phoenix Community Council of Religious Education, an interdenominational, Protestant body announces the opening of a school of religious education the week beginning October 7. It is to embrace the eight grades of the local school.

The council was formed in September, at a meeting held in the First Presbyterian church, for the purpose of continuing the "week-day religious education" begun in the fall of 1927 by the Rev. Roy Nelson.

The school this year is to be an enlargement upon that of two years ago. While it was sponsored by the Presbyterian church alone and comprised but three grades, this year's is to handle the full eight grades and is to be a non-sectarian and community enterprise.

The personnel of the council is as follows: Rev. W. O. Johnson, chairman, Presbyterian; Mrs. W. D. Barnes, secretary, Episcopal; Mr. J. C. Hartley, treasurer, Presbyterian; Mrs. E. F. Thompson, Methodist; Mrs. J. G. Wall, Presbyterian; Dr. Dan E. Standish, Methodist; Mrs. J. W. Watkins, Christian; Dr. J. B. Webster, Presbyterian.

Miss Ruby Powell of Ashland has been engaged to teach the first six grades. She is a graduate of the National Training School of San Francisco, and is doing second year work in the Southern Oregon Normal. Rev. W. O. Johnson, pastor of the Phoenix Pres-

FICHTNER CELEBRATES 20TH ANNIVERSARY

In observance of its twentieth anniversary the Medford Vulcanizing works will celebrate this week with an extensive sale of merchandise.

Carl Fichtner organized the Medford Vulcanizing Works September 27, 1909. Previous to coming to this community he was foreman of the Flak Tire company for one year. He has the honor of being the proprietor of the oldest automotive firm in this city.

In 1924 Mr. Fichtner moved from the old Palm building on North Fir street into the present quarters, which he constructed. At that time he added to his vulcanizing business a large home and general repair garage. The storage garage he later leased to Ed J. Acherin, who is now in charge.

Mr. Fichtner is distributor for General tires in southern Oregon. He has had 25 years' experience in the tire and vulcanizing business and the high grade work done by he and his employees is well known by local car owners.

PALMER MUSIC HOUSE HANDLE NEW RADIO LINE

The Palmer Music House has been selected as the new dealer in this city for Brunswick radios, phonographs and records, according to an announcement just received from S. W. Peterson, general manager of the Stubbs Electric company of Portland, new Oregon distributor of Brunswick products.

An extensive display of all the newest improved Brunswick radios and phonographs is already being shown at the Palmer Music House, and they have just received some of the popular records released this month.

Mr. Peterson recently returned from Chicago after attending the Radio manufacturers' show and selected Brunswick as one of the outstanding lines at the show. He was particularly impressed with the fine cabinet work and natural tone embodied in the new Brunswick creations. Brunswick recently bought out the Bremer-Tully factory and patents and now build everything in their sets. Bremer-Tully is famous for high quality of workmanship in all its products and is a valuable addition to the Brunswick holdings.

Brunswick has made cabinets for 80 years, the company owning its own hardwood forests. The concern is a fifty million dollar organization and its research department has centered its attention on creating an exceptionally fine radio set.

Brunswick is the first and only

The Brake Shop Opens Monday

The Brake Shop, located at 323 North Broadway and operated by Frank Howard, former owner of Camp Willard, will be officially opened Monday, September 30.

In addition to scientific lubrication, brake testing and drum truing with the latest machine on the market, the new shop is equipped to give car owners other services. Mr. Howard invites the motorists of Medford and the vicinity to visit the new shop.

FLAT TIRE CAST ALL CHARGED INDECENCY

SAN FRANCISCO, Cal., Sept. 28. —(AP)—Ten members of the cast, the manager and stage director of "The Flat Tire," a farce playing at a North Beach theatre, were arrested by the police Monday night after the curtain had run down on the evening performance. All obtained their release on \$20 bail each and were to appear in police court today. They were charged under the city ordinance prohibiting the showing of indecent plays.

HEARTY WELCOME FOR DOUBLE DUTY BALLOON

"Acceptance by car owners throughout the west of the new Double Duty Western Giant balloon which recently made its appearance, has far exceeded the Western Auto Supply Company's expectations," states Mr. Graham, local manager of the Western Auto Supply Company.

"The new addition to Western Auto's line of tires, is the result of a close study of this high-speed age, and is without a doubt, the finest and most economical tire we have ever offered. In perfecting this new balloon we have matched the beauty of today's finest cars, provided confident control for weaving in and out of traffic, assured cool running at high speeds, traction on all road surfaces, safety on speedy turns and more economical mileage under all conditions.

"Improved center traction tread is one of the outstanding features of the new tire. The continuous center and side running strips of the tread equalize road surface contact, add thousands of miles to tread life and make steering easier. The scientifically designed slots and grooves increase traction and safety and tough bars of rubber extended over the sides of the tread as protection against curb scrapes.

"We believe that in the new Double Duty Western Giant balloon, we offer an exceptional tire and an exceptional value—a value that is typical of those found at Western Auto. As a worthy mate for the Double Duty tire, we suggest the Double Duty Western Giant tube."

Willard

You may be able to buy a battery for a dollar or two less than a Willard would cost. But you can't get Willard known quality at "bargain prices."

Willards are sold at the safety point at the lowest prices that afford known values. They are built to a standard of quality that has satisfied millions of owners, for twenty-eight years.

You'll be money ahead in the end with a Willard Battery.

Greater SAVINGS for ONE WEEK Only on "Western Auto" Batteries

Cool weather is just around the corner . . . Don't try to limp through winter with an old battery that is "all shot" from long vacation trips, neglect or old age . . . Don't try to have it patched up either . . . repairs are expensive, and at best, of doubtful dependability. It will be much more thrifty to take advantage of the Greater Savings being offered this week on new, fully guaranteed Willard and Western Giant Batteries, at all our more than 150 conveniently located stores . . .
