

COURT OFFICIALS WILL BE GUESTS FOR BEACH TRIP

It has been customary for years past whenever the fall session of the U. S. district court for southern Oregon is held in Medford, for resident federal officials to give the officials and attaches of the court on a Sunday during that term an auto outing to Crater Lake or some other attractive resort, weather permitting, and this year will be no exception, except that the outing will be a two days affair to the ocean, the party leaving tomorrow morning for Crescent City, Cal., and returning to the city on Sunday evening.

This two days outing is permissible because of the court having adjourned yesterday to Monday and the fine weather prevailing, the predicted rain having been sidetracked.

Judge H. S. Bean and U. S. Marshal Clarence Hotchkiss are keen for the outing, and among others of the court personnel who will participate, are Miss Mary Bell, secretary of Judge Bean; Francis Marsh, assistant U. S. attorney; Deputy Clerk of Court H. S. Kenyon; Loren Cochran, deputy United States marshal; Mrs. Helen Tyson, chief clerk of the U. S. marshal's office, and Miss Kathryn

Healy, chief clerk of the U. S. district attorney's office. Among the hosts will be Postmaster and Mrs. Wm. J. Warner and Judge and Mrs. Glenn O. Taylor.

United States District Attorney George Netter will not be able to take in the outing as he will not arrive in the city until Sunday, to attend the remainder of the local session of federal court.

Obituary

BERRY—Dora L. Berry passed away very quietly at her home, 528 West Eleventh street, Wednesday evening after a brief illness. Mrs. Berry came to Oregon when she was a small child, and has lived in Jackson county for a great number of years. During this time she had acquired many friends and neighbors, who will be saddened at her passing. She leaves her husband, I. W. Berry of Medford, Oregon; one daughter, Laura Berry of Medford, Ore.; also five sisters, Mrs. Robert Kahler of Seattle, Wash.; Mrs. W. L. Higer of Seattle, Wash.; Mrs. Florence Cardwell of Seattle, Wash.; Mrs. Walter S. Hughes of New York, and Mrs. Laura B. Fitch of Washington, D. C. The funeral services will be held from the Perl Funeral Home Saturday afternoon, October 5th at 2:30 with Rev. Father William B. Hamilton officiating. Interment will take place in the Jacksonville cemetery.

Contract awarded for construction of camp buildings at Crown Point above Sumpter.

PERSONALS

Superintendent E. C. Solinsky of Crater National park, who came down from the park yesterday afternoon and spent the night at his home here, said today before leaving for the park again, that the weather there has been fine and that a few tourists and others still visit the lake daily. He has cut his ranger and labor force to only 15 men, who are engaged in finishing repair work on buildings and making arrangements for the closing of the park as soon as deep snow comes.

Football men at Duke university have altitude. Fifteen men on the squad stand six feet or higher.

Japanese Boy Wins Beef Prize

Hitoschi Matsutani and the Hereford steer that won the grand championship of the Nebraska baby beef show. His father is standing behind the animal.

LINCOLN, Neb.—(AP)—Hitoschi Matsutani, 12-year-old Japanese boy from western Nebraska, came down to the state fair this year to show 4-H club members what a good farmer a grandson of Nippon can be.

He did it by winning the grand championship in the baby beef show. Hitoschi's prize Hereford sold

for 35 cents a pound at spirited auction, following the judging. But the prize and the championship could not stop the little brown boy's tears when his pet was led away to slaughter.

Hitoschi is from one of two Japanese families farming a section of land in Keith county. The farmers are brothers and each has two sons. All four of the boys exhibited this year.

MEDFORD FIRE LOSS LIGHT FOR 90 DAYS

Medford fared well the last three months as far as fire losses go, according to a report compiled today by Fire Chief Roy Elliott for July, August and September. There were 26 calls in July, causing a loss of \$944.68, followed by 23 calls in August, with a loss of \$100. There were 18 calls in September, causing the heaviest loss of the three months, including the destruction of two dwellings. At the present rate Fire Chief Elliott expects 1929 to be a record breaker for a minimum fire loss.

REV. FUNK ELECTED HEAD LOCAL PASTORS

Rev. H. C. Funk of the Lutheran church was elected president yesterday afternoon at the first fall meeting of the Medford Ministerial association at the office of the First Christian church, presided over by Rev. E. Carmen Mell, Rev. E. Iverson of the missionary and Sunday school departments of the Presbyterian church was chosen vice-president and Rev. W. H. Eaton of the First Baptist church was elected secretary and treasurer. There was no other special business.

A Remarkable Radio Reception

Mr. Long of the Rainbow Cleaners, reports having tuned in on a large number of long distance radio stations last night on his Crosley set. The farthest point being Mexico City. The other stations were New York City, Nashville, Tenn., Cincinnati, Minneapolis, St. Louis, Dallas, Texas and other nearer stations. This is a remarkable record for one evening's reception.

Births

A seven pound boy was born at the Sacred Heart hospital yesterday to Mr. and Mrs. John McFatt.

Important to P. O. E. Members. We will enjoy a deer "barbecue" after initiation Thursday night, October 10th, providing some members sends or brings in the "venison." BILL RAY, Sec. Herald Bldg. Phone 1054-12, 198*

BUREAU CLERK TOOK \$2700 IN PORTLAND

PORTLAND, Ore., Oct. 4.—(AP)—The \$200 shortage in the accounts of S. G. Herlinger, clerk in the water bureau, discovered Tuesday, grew to \$2700 today with the completion by George Black, accountant of a check back to 1924 of Herlinger's books.

Examination of the books is now to be carried back to 1919, when Herlinger entered the employ of the city.

Officials of the water bureau said Herlinger's \$1000 bond, renewed each year, would be ample to insure the city against loss.

SUBMIT COUNTY REQUESTS

(Continued from Page One)

is approximated at \$14,185, a gain of \$895, due to salary increase, office supplies, and printing.

The clerk's office asks for \$15,572.50. This is an increase of \$450, the main item being a \$2,425 electrical calculator.

For the care of indigents, \$17,750 is sought, and of this amount \$7150 is for the care of the poor at the poor farm.

An increase of \$412.50 is shown in the request of the treasurer's office for \$5480.00. This is due to the increase in the treasurer's salary, as provided by the last legislature.

The county agent's office asks for \$7730, an increase of only \$160.

The county court this week went over the various budgets, and found that the increases were reasonable and needed, and that the officials had hewed close in the preparation of the budgets.

JURY HEARS GIRL

(Continued from Page One)

showing the girl was born March 5, 1912.

Speaking quickly in a firm, clear voice, the girl answered perfunctory questions regarding her age and schooling.

The witness blushed as Flits led her into details of the attack and answered reluctantly. She bowed her head in her hands and began crying. Pantages was extremely nervous, fidgeting in his chair, and leaning far forward to peer at the girl.

Her sobbing became so audible Flits was obliged to inquire if she could continue. The girl composed herself and answered questions more freely. She said she pleaded with Pantages to release her, but he clapped his hand over her mouth.

Then she began kicking him, she said, "and tried in every way to escape, but I couldn't."

LOCALS LINE UP FOR MARSHFIELD AT 3 P. M. FRIDAY

SOUTHERN OREGON GAMES Tomorrow

Medford vs. Marshfield, at Medford. Ashland vs. Klamath Falls, at Klamath Falls. Grants Pass vs. Crescent City, at Grants Pass.

Football will make its first bow in this city tomorrow afternoon at 3 o'clock when the Medford high school squad, with a new coach and nine new players, lines up against its friendly enemy of six years—the Marshfield high school. It will be the first game of the season for the locals.

Steppington Flock of Klamath Falls will be referee, Earle (Flex) Davis of this city will be umpire, and Joe Karshberger of the Southern Oregon normal school, head linesman, and Edward Scheffel of this city, timekeeper.

The game will be called at 3 o'clock.

The visitors are due to arrive in this city late this afternoon by stage and will be quartered at the Hotel Medford. They will bring 18 players, headed by Coach Osborne.

The Medford team will have warm spot in the hearts of the local high school and fans. They never canceled a game, over a six-year period, though beset by an alleged flu epidemic, two state championship Medford teams, high water and inclement weather.

The Medford team went through a final light workout this evening and, outside of a few minor injuries, as pronounced by Coach Hagan in good physical condition.

The probable starting lineup of the Medford team will be: O. Newlin, center; Sprague and Green, guards; Cunningham and Dobbyn, tackles; Archer and C. Thomas, end; Clay, quarterback; Zumburn, fullback; Potter and Stine, half-backs.

A full team of reserves will also be seen during the game.

The Medford team has speed and power but lacks experience. Sprague and Green are the two lettermen from last season's squad with C. Thomas, O. Newlin and Castleman seeing service in the second string. The remainder of the squad will be under heavy fire for the first time.

S. P. DENIES RATE REQUEST

(Continued from Page One)

rate offered, "is helpful, but inadequate to meet competition of Yakima and Wenatchee district points, under a lower freight rate to Seattle, and that the effective date of November 15, is after all sailing dates of refrigerator ships from Portland and San Francisco.

The export rate permits the Yakima and Wenatchee shippers to place their pears and apples alongside the dock, at a lower cost than the Rogue River shipper. The European or South American buyer can purchase his pears or apples at the same price per box, in Wenatchee, Yakima and here. If he purchased D'Anjou at \$3 per box in all three districts, the present export rate would permit him to place the Wenatchee and Yakima consignments on the dock at \$2.28 per hundred, and the Rogue River consignments at \$3.38 1/2 per hundred, a considerable difference in a cargo.

The telegram of J. H. Mulcahy, traffic manager, Portland, said that it would be impossible to grant the 2 1/2 cent export rate.

The local fruitmen claim that the present rate threatens to destroy a profitable business built up by local growers and shippers.

It is also held that unless relief is granted this section will be outstripped, as the pear acreage in Wenatchee and Yakima is steadily increasing, and when the new orchards come into bearing, the export rate differential will be discriminatory.

The following telegram was sent by the Rogue River Traffic association committee to J. H. Mulcahy:

"Relief suggested helpful, but inadequate to meet export competition both pears and apples from Wenatchee and Yakima. Medford has built up profitable business,

which local rate now threatens possible date, both pears and apples to destroy. Your suggested effective date too late to secure desired sailing from Portland. Shippers and fruitgrowers' conference again reviews request for 2 1/2 cent rate, a condenser is on the market for on an emergency basis, earliest automobiles with battery ignition.
