Mother and Daughter Praise Vegetable Compound

Johnson City, N. Y.—"My daugh-ter was only 20 years old, but for years old, but for
two years she
worked in misery. She was all
run-down, nervous, had aches
and pains and no
appetite. I was
taking Lydia E.
Pinkham's Vegetable Compound
with good results
so she decided to
try it. Before

she had taken two bottles her appetite was better, she was more cheerful and was able to work. I cannot praise your medicine too highly. It is wonderful for mothers and for daughters. It's surely 'a friend in need.'"—Mrs. L. E. Hall, 223 Floral Avenue, Johnson City, N. Y.
