

MRS. BUCKINGHAM KNEW CULT GIRL LIVED NEAR HERE

Willia Rhodes, victim of a Los Angeles cult's weird rites, the cult being sponsored by her foster parents, Mr. and Mrs. W. P. Rhodes, former residents of Klamath and this county, was known to a number of present residents of this city and valley. The Rhodes lived in the Roxy Ann district for several months and then moved to Beale, Mrs. Roy (Deke) Buckingham of

SALES OF SARGON TOTAL MILLIONS; BREAK RECORDS

If you were told that literally thousands of well known men and women had stated publicly that a single medicine had relieved them of health troubles after all other medicines and treatments had apparently failed—it would sound impossible, wouldn't it? Yet, that is Sargon's wonderful record.

So great has become the demand for Sargon and Sargon Soft Mass Pills that the Sargon Laboratory has been forced to increase its capacity from 8,000 to 45,000 bottles daily. "Phenomenal and bewildering" is the way one of the big drug jobbers of the country describes the marvelous demand. One big New York firm, with wholesale branches in leading cities, is selling at the rate of more than one million bottles a year—or to be exact, 998,184 bottles in the past eight months. Introduced in California in April of this year, the people of this State alone are now using it at the rate of more than one million bottles per year or an average of one bottle for every family in the State; and so it is everywhere. Why this enormous and ever-increasing demand for Sargon? The answer is this: Sargon is a new kind of medicine. It is different from any other medicine you have ever taken because it is based on new and remarkable discoveries in the field of modern medicine which have completely overturned many old nose-grown theories we have known for a life-time. That is why people everywhere are looking on Sargon as the one great outstanding health-giving remedy of the age. No wonder it is called the medicine with a million friends. Magill Drug Co., Agents, Paid Adv.

The Crest remembers Willa as a little girl, and particularly recalls seeing her at a Fourth of July picnic. Her foster-mother was a sister of William Cotterill and David Cotterill. William Cotterill was a resident of this city from 1908 until 1913, and then returned to Seattle, Wash. He was high in the councils of union labor in Washington and was active in the formation of the first labor union in this city. David Cotterill was shot for a deer several years ago during the hunting season. The dead girl has relatives residing in the Merrill district of Klamath county. She was adopted by Mr. and Mrs. Rhodes in 1909.

DANCING GIRLS TO ENTERTAIN FROLIC VISITORS TONIGHT

As one of the special features of the Elks Fall Frolic this evening will be the appearance of Ruth Luy's dancing girls in some entirely new top-synchronous steps. Miss Luy's dancers never fail to make a hit wherever they appear and tonight's program promises to eclipse all of their recent work. The dancing will be augmented by concerts by the Elks band and some clever vaudeville stunts, and following the program the crowds who attend will enjoy dancing. The Elks Fall Frolic is open to everybody and no admission charge is being made, according to Ben Mohler, exalted ruler of Medford lodge 1168, B. P. O. E. There are games and features in addition to the regular program which assure plenty of fun and action for all who attend. Tonight and Saturday evening will be the last nights of the Fall Frolic and the committees in charge are taking every possible step to make both record ones for entertainment and attendance.

PITT VIEW WITHDRAWAL PETITION IS UNAVAILING

Efforts of residents of the Pitt View tracts between Medford and Central Point to be included in the Central Point school district by withdrawing from the Howard district were unavailing when a petition of residents of the tracts was presented before the boundary board meeting yesterday. A larger petition containing

several hundred names of property owners of the Berrydale and Howard section protesting the withdrawal was also presented, and the petition seeking withdrawal was also presented, and a draw was set aside for some future conference. The Howard district is one of the smallest in area in the county, but has a comparatively high valuation.

FALL FROM CORN CRIB BREAKS RANCHERS ARM

A badly broken wrist and severe bodily bruises were sustained by Henry Maury, local rancher, when he fell from a corn crib on his ranch near Ross Lane this morning. Rushed to the Sacred Heart hospital by his brother-in-law, J. S. Richardson, the injured man received medical attention and had the fractured bones set by Dr. R. W. Clancy. Under the care of a special nurse he was reported resting easily this afternoon. Mrs. Maury remained at his bedside throughout the afternoon.

CUBS WIN BY SCORE 3 TO 1

(Continued from Page One)

Millan fanned, swinging at a fast ball over the plate. English up. Strike 1, called. Strike 2, swung again. Foul, back of plate. Ball 1, high. It was a clean ball. English went out on a roller, Bishop to Foxx. Hornsby up. He was cheered. Strike 1, Hornsby swung hard. Foul, strike 2. Ball 1, high and outside. Strike 3, called. It was a curve. Bishop went out on a fly to Grimm in short right field. When Hornsby threw the ball after taking it from Grimm it grazed the first baseman's face. He tried his face but was not much hurt. Haas up. Ball 1, low, in the dirt. Strike 1, swung at a fast ball. Ball 2, high. The ball was thrown out and a new one substituted. Haas singled to center. Boley up. Boley singled to right and Dykes ran to third while Boley took second on the throw. The play was close. Cuyler making a good throw. McMillan dropped the ball but probably would not have had Dykes anyway. Earnshaw up. Dykes scored on a steal of home as Bush wound up. Boley ran to third. Moran then reversed his decision and called Dykes out as the Cubs ran in. It was found that the ball on which Dykes had made a clean steal of home was a third strike on Earnshaw, retiring the side.

No runs, two hits, no errors; two left. Third Inning CUBS—Taylor up. Taylor flied to Dykes in short left field. Bush up. He fanned. McMillan up. McMillan hit a high fly to Bishop.

No runs, no hits, no errors, none left. ATHLETICS—Bishop up. Bishop hit a high fly to Grimm, near the pitcher's box. Haas up. Haas hit into right field for one base. He started to second but Cuyler drove him back with a great throw. Cochrane up. Cochrane singled through the box. Haas stopped at

second. Simmons up. Taylor went and patted Bush on the back, so did Grimm and Hornsby. Bush was trying to coax Simmons to go after a bad ball. Simmons went out on an infield fly to McMillan. McMillan caught it but Simmons would have been out anyway on the infield-out rule. Foxx up. Bush bluffed a throw to second. Foxx was safe when English fumbled his hard drive. It was an error, filling the bases. It was English's fourth error of the series. Miller up. He went out on a fly to Stephenson.

No runs, two hits, one error, three left on. Fourth Inning. CUBS—English up. English was cheered by the crowd. He hit a foul to Foxx and was out. Hornsby struck out on his second time and kicked vigorously, but Moran walked away. Wilson up. Wilson singled to right for his fifth straight hit of the series. Cuyler struck out on a ball over the outside corner.

No runs, one hit, no errors, none left. ATHLETICS—Dykes up. Dykes hit a fly to Wilson in center. Boley up. Boley singled to center field for his second hit of the game. Earnshaw sacrificed with a bunt, McMillan to Grimm, sending Boley to second. Bishop got a walk. Haas up. Taylor talked to Bush. Haas went out on a fly to Cuyler in short right field.

No runs, one hit, no errors, two left on. Fifth Inning CUBS: Stephenson up. Stephenson went out Bishop to Foxx. The ball was hard hit but went straight to the fielder. Grimm flied to Bishop who made a neat running catch in short right field. Taylor fanned, swinging at the third strike. It was seven strikeouts for Earnshaw in five innings. No runs, no hits, no errors, none left.

ATHLETICS: Cochrane up. He hit to English and base was close to first for a hit. Simmons lined out to Wilson who ran only a few feet for the drive. Cochrane remained at first. Foxx hit a roller and was out. Bush to Grimm, Cochrane going to second. Cochrane scored when Miller singled to center. It was the first run of the game. Miller was held at first when the throw to the plate was cut off by English. There was no chance. Dykes up; Miller was out steady second, Taylor to Hornsby. One run, two hits, no errors, none left.

Sixth Inning CUBS: Bush up. Bush walked on a fourth ball that was close to him. It was Earnshaw's first pass. McMillan up. McMillan popped out to Cochrane on a foul bunt back of the plate. English hit to Dykes and was safe at first when Dykes fumbled for an error. Bush went to second. Hornsby up. Bush scored when Hornsby singled to left. English stopped at second. The score was tied. Wilson up. Wilson went out. Bishop to Foxx; both runners advancing. It was a smart play. Cuyler up. English and Hornsby scored on Cuyler's single to center. Cuyler stopped at first, as there was no throw to the plate.

Stephenson flied out to Miller in right. Three runs, two hits, one error, one left. ATHLETICS: Dykes up. Dykes flied out to Stephenson in deep left. Boley fouled to Grimm between first base and the plate. Earnshaw fanned on a low curve. No runs, no hits, no errors, none left.

Seventh Inning CUBS—Grimm up. Grimm went out, Earnshaw to Foxx. Taylor up. Taylor flied to Miller in short right. Bush up. Bush fanned on an outside pitch. No runs, no hits, no errors.

ATHLETICS—The crowd stood, asking Lady Luck to aid the Athletics' cause. Bishop hit into right for one base. The crowd roared. Haas fouled out to Taylor, back of the plate. Cochrane walked. Simmons up. Simmons hit a long fly to Wilson and both runners advanced after the catch. It was a sacrifice, a tremendous clout but high in the air. Foxx up. Foxx went out to Taylor to Grimm on a slow roller in front of the plate. No runs, one hit, no errors, two left on.

Eighth Inning CUBS: McMillan up. McMillan hit to Boley and was thrown out to Foxx. English fanned, swinging for the third strike. Hornsby up. Hornsby hit into right field for two bases, Miller falling in an effort to make a one handed catch of the drive. Wilson walked. Cuyler fouled out to Foxx. No runs, one hit, no errors, two left.

ATHLETICS: Miller up. Miller hit to English and was thrown out at first. Dykes flied out to Stephenson almost against the left field stands. Boley flied to Cuyler who stood in his tracks and caught the ball. No runs, no hits, no errors, none left.

Ninth Inning CUBS—Stephenson hit to left field for two bases, Grimm to Earnshaw, and was thrown out to Foxx. Taylor lifted a fly to Bishop in short right center. Bush up. Bush was applauded by the crowd. He fanned, swinging. No runs, one hit, no errors, one left.

ATHLETICS—Summa batted for Earnshaw. Summa struck out, swinging at a third strike, but only tipping the ball. Bishop hit to Grimm and was out, unassisted. Haas was thrown out, Hornsby to Grimm. No runs, no hits, no errors, none left on.
