

RED CROSS BACKS COMMUNITY CHEST

At the regular meeting of the American Red Cross on October 13th, plans were discussed for the annual Red Cross campaign to be held from Armistice day to Thanksgiving day.

In Medford, this year, the call will be made thru the Community chest drive, and every donor of one dollar or more becomes automatically a member of the American Red Cross.

To those acquainted with the work that is being done in this county and elsewhere it seems incredible that one disinterested person should be met when the call comes.

UNSUNG SCIENTIST IS MOTHER NATURE'S AID

Glen Laidley is one local resident who refuses to take "no" for an answer—even from Mother Nature. No one, who has seen Glen washing windows with a hose in front of McPherson's Clothing store for the past few years, knew what was going on in the back of this dreamy-eyed young man's head.

But like the poets of spring, the scientists and other misunderstood people, the clothier went on faithfully, irrigating the sidewalk and dreaming a dream that the less sensitive soul would brand as hopeless.

In celebration of the twenty-fifth anniversary of William Fox's activity in the movie industry, the entire next 26 days will be devoted to the showing of super-special talking picture features in all the Fox theaters throughout the United States.
