

LIQUOR EXPENSE OF FILM ACTORS CALLED PUBLICITY

LOS ANGELES, Oct. 18.—(AP)—Money spent for liquor, even though it be used for "entertainment, publicity and advertising," is not deductible from the income tax re-

turns of film stars, according to a federal bill of particulars filed in United States district court in the case of J. Marjorie Berger, Hollywood income tax counsellor, charged with making fraudulent income tax reports for several Hollywood film players.

Miss Berger is soon to come to trial. The bill of particulars was requested by her counsel.

Rod LaRoque and Mitchell Lewis, featured screen players, are named in the bill as among the Hollywood celebrities whose tax schedules contained items unlawfully deducted. LaRoque, the government's bill stipulated, expended \$1,444.66, or a portion

thereof, for liquor, and stated the sum in his income tax as "entertainment." Lewis listed \$378.79 as "publicity and advertising," which the bill asserted was expended for contraband.

Double Bill at Eugene
EUGENE, Ore., Oct. 18.—(AP)—Eugene football fans will be treated to a double header today when the Eugene high school battles Astoria high on Hayward field and the University of Oregon Frosh will tangle with the Chemawa Indians.

Wisconsin repealed its state prohibition act, but still enforces laws against drunkenness.

TICKET SALE ON FOR FROSH GAME

The ticket sale for the big Oregon Frosh and Oregon State Rooks football game at Medford (November 9) was set in motion today by Earl Davis of the American Legion post committee in charge, and supplies of tickets were left at the Chamber of Commerce, Brown's, Palmer's Music House, Mail Tribune and Daily News, where early purchases are urged. General admission will be \$1 and seats in the grandstand at an added cost of 50 cents.

Supplies will be given to canvassers tomorrow by Mr. Davis and practically every football fan in the city is expected to be reached before the day of the big game. The contest is expected to draw one of the largest football crowds in Medford for years.

BUSINESS WOMEN TO GIVE HALLOWE'EN HOP

Tickets for the big Halloween dance to be held by the Business and Professional Women's club at the Oriental Gardens, October 25 are going rapidly according to Miss Marion Mercer, ticket chairman for the event, who said she believed that all of Medford would be there.

Don Provost's "Pep Peddlers" are scheming to deliver the goods and are combining all the strange syncretisms and rhythms known to ghostland into their program of dance music. Mrs. Claribelle Elliott, general chairman for the dance, and her numerous sub-committees are working untiringly to make this the most successful social event ever sponsored by the local organization.

PAUL M'KEE SPENDS THE DAY IN MEDFORD

Paul McKee, former general manager of the California-Oregon Power company in southern Oregon, and Mrs. McKee arrived in Medford today and will leave tonight to visit the former's parents in San Francisco, before sailing the middle of November for their present home in Rio Janiero, South America. While here Mr. McKee consulted with Copco officials in this city, and also with H. P. Bosworth, Jr., former Medfordite, now with the California-Oregon Power company in Klamath Falls. Mr. McKee is very enthusiastic over the natural beauties and business opportunities of the Brazilian metropolis, but still hopes to return to the Pacific coast in the not far distant future. He was greatly impressed by the evidences of growth and prosperity in Medford since his departure for South America three years ago.

AL SMITH'S MIND OPEN ON SUBJECT 1932 CANDIDACY

NEW YORK, Oct. 18.—(AP)—Under the headline, "Smith's Mind Open on Candidacy in 1932 National Race," the New York World today published the following: "The Democratic presidential nomination in 1932 is not a closed book for Alfred E. Smith.

"Governor," he was asked, "is it true that you will seek to enter the senate in 1934?"

Mr. Smith declined to answer the question for record.

"Have you determined not to run for president again?"

Mr. Smith did answer that question and this is what he said: "A man never gets anywhere by accomplishes much if he makes his plans too far in advance. I have never made definite plans for the future. I have never gone about it that way. What I have done has sort of come my way. I have never determined matters long in advance. You cannot tell what is going to happen in the future, what may occur in between times. And to count on what you will do at some distant time is, to me, silly."

The second flight championship will be played off between Mrs. Schade and Mrs. Hart for the Mrs. Chandler Egan trophy.

AUTO CRASH VICTIM'S CONDITION IMPROVED

Mrs. George McFarlan of Vancouver, B. C., and Miss Margaret Watson of Los Angeles, were patients today at the Community hospital, as the result of an auto crash north of Central Point last night on Blackwell Hill when a car, in which they were riding and which was driven by Robert Thorpe of Vancouver, collided with a coupe driven by Eldred Williams of Central Point.

The Thorpe machine rolled over, damaged its top and lost two wheels. The women were reported to be in a satisfactory condition this afternoon.
