NORMAL RALLY CLIPS LEAD OF MENLO AT END

Teachers Lose 20 to 12 After Slow Start and Bad Breaks—Hines, Neff and Prowse Lead Comeback in Second Half.

Menlo Junior college of Palo Alto defeated the Southern Oregon Normal here today 20 to 12, by sweeping the school teachers off their feet, in the first, with a series of deceptive plays. Menlo scored two touchdowns in the first half, and one in the third period. The Pedagogues staged a fighting rally in the second half, to score two touchdowns and threaten another.

The Normal school team rallied in the latter part of the third period, and started a drive down the field. Prowse going over for a touchdown. A few minutes later, Hines, a negro flash, caught a long forward pass, and scored another. Both tries for the extra point failed.

The remainder of the game, the ball was in Menlo's territory, but the Pedagogues were unable to break through, though fighting hard.

The belated and thrilling comeback of the Normal was led by Hines and Prowse, and Neff in the line. Hines was slippery as an eel, and made heavy yardage through the Menlo line, and on long forward pass. Prowse led the fighting spirit of the Teachers, which was checked by bad breaks, and once they carried the ball to the visitor's seven-yard line, where they were held. Menlo was forced to kick from behind its own goal. With the ball near mid-field, the Normal started another drive. The Ashland line held as the game progressed.

The Teachers were held in check throughout the first period, and were forced to kick often. Menlo intercepted two forward passes. After desultory battling, off tackle that gained small yardage, a forward pass from Pozzo to Ted netted the first score. The try for goal failed.

The second touchdown came, when Ted intercepted a Normal pass, and raced 50 yards for a touchdown, with Piver running in reference. It was a lucky break.

At the beginning of the second half, Menlo opened up with a series of deceptive plays, that were executed with precision and dispatch, and gained consistently. The Normal halted the first offensive within their own ten yard line, by a gallant stand, but Pozzo, and Campbell, started another drive, that carried the pikekin across for their final touchdown.

The Normal completed a couple of forward passes, and with Hines scooting around the end, brought the ball within striking distance. Prowse went over for their first touchdown.

They immediately opened up again, and after consistent gains through the line, Prowse shot a forward pass to the fleet Hines, who snared the ball on his own goal line, for the second score.

Both teams suffered from penalties, principally off side. The visitor held the edge in the first half, and the Normal in the second. Coach McNeal's men were slow to start, but when they got under way, had the fast Menlo aggregation fretting.

There was a fair sized crowd present, but not near the size the calibre of the game warranted. It was a clean and hard fought contest.

The starting line-ups were:
Ashland POS Menlo
Iverson E Tod
McGehee E Piver
Moe T Norgaard
Ayres T Wright
Sandholdt G Neff
Ore C Schneider
Whitaker C Callan
Pozzo Q
Campbell HB Hines

BEARS TRIM PENN WASHINGTON BOWS MINNESOTA, OHIO, O'GRADY TO FIGHT CHICAGO BATTLER HERE THIS WEEK

BEFORE MULTITUDE TO COUGAR HERD AND ROCKNE WIN LOM AT HIS BEST AFTER SAFE LEAD MID - WEST GAMES

FRANKLIN FIELD, PHILADELPHIA, Oct. 19.—(AP)—The far west biggest off another eastern football scalp today when the Golden Bears of California crowned their 3,000 mile across country trip with a smashing 12 to 7 victory over Pennsylvania.

A crowd of 70,000 sat through a balmy afternoon as the brawny Bears outplayed, out-passed and out-kicked the Quakers with Benny Lom the kingpin of a versatile attack and Bert Schwarz, burly guard, the outstanding man in either line. It was California's third conquest of its friendly eastern rival over a period of six years and actually more convincing than the margin of a single touchdown indicated.

With neither team yet at its peak, it was a give-and-take battle, frequently marred by penalties.

The Californians won because they had much superior line play, plus more effective scoring punch, Penn, with a shifty set of backs, was always dangerous but held in check by the superior Bear defense after holding a brief lead in the first period, gained by the margin of a goal kicked after touchdown.

All the scoring was confined to the first half and the crowd had hardly settled itself when Lom electrified the onlookers by dashing back 55 yards with the opening Penn kickoff. Within less than three minutes, California's momentum netted a touchdown, as Lom and Hickinbotham, fullback, dashed over the remaining 25 yards to the goal line, the latter, making the score.

It was Pennsylvania's turn to cheer as Gentle reeled off 46 yards, returning California's kickoff. The Quaker attack was stopped after penetrating to the Bear 32-yard line but Lom's punt was blocked a moment later and recovered by Hines, Penn end, on the opposing 18-yard line. Here the Penn backs functioned beautifully, two lateral passes, Gentle to Adams, putting the ball over for a touchdown. Masters also kicked the goal that put Penn in front.

California scored what proved to be the deciding touchdown early in the second quarter. Quarterback "Lee" Elson started the drive by dashing back 25 yards with a punt and Lom's accurate passing produced the score. Avery took one toss for a 12-yard gain and Norton, end, leaped high, 21 yards from the goal, to grab a 25-yard toss from Lom and fell across the last line. This time Barr missed the try for the extra point.

California put on the most sustained parade of the game, early in the first quarter, taking the ball 72 yards to Penn's three-yard line in ten plays, featuring short passes from Lom to Elson. The Bears had a first down on Penn's 7-yard mark but the Quakers clinaxed a great defensive stand when Quarterback Wilner knocked down a pass over the goal line.

The circuit will be a class D league and will probably play five games a week, opening early in May and closing labor day. Final plans for organization were held in abeyance until after the January session. J. Cal Ewing, president of the Oakland club in the Pacific coast league, who presided at today's meeting, will continue to head the organization until final arrangements are made.

ROGERS FIELD, PULLMAN, Wash., Oct. 19.—(AP)—Washington State College Cougars captured the state football championship today when they conquered the University of Washington Huskies 20 to 13 in the greatest uphill grid battle ever fought on Rogers field.

Elmer Schwartz, a giant fullback, played havoc with the Washington combination today. Single handed he brought victory to the Cougars after the Huskies had rolled up two touchdowns in quick time in the first period.

Schwartz, a guard last year was converted into a full carrier this season and he wrecked the Washington hopes for its first Pacific coast conference win when he scored all three Cougar touchdowns.

Sixteen thousand persons—the largest crowd to ever witness an eastern Washington game—went wild as the Pullman eleven tied the count and then won the battle.

The first quarter was all Washington and after the Huskies had rolled up two touchdowns with comparative ease it looked like a walk-away. The first break of the battle was a 55-yard punt by Merle Hufford, brilliant Washington half back, which forced the Cougars to kick from behind their own goal line.

Three minutes later the Huskies were put in play on the W. S. C. 28-yard line and the Huskies battered their way to the four-yard line. A short pass, Hufford to Geehan, behind the line of scrimmage put the Huskies quarterback into the clear and he raced over the goal line for the first touchdown. Geehan places kicked the try for point.

Three minutes later the Huskies had passed and smashed the ball close to the Cougar goal line again where another Hufford to Geehan aerial play was good for another touchdown. Fullback Marsh attempted the try for point but it was wide.

With the Huskies leading by 13 points it looked like a hopeless task for the starters to catch them but the dynamic Buckley, Ellingsen and Schwartz refused to give in and played like mad.

Starting the second period the Cougars pounded the Washington team backwards until they reached the Husky eight-yard line, where Schwartz pulled the old Statue of Liberty play and skirted left end for the first W. S. C. score. Ellingsen received the ball and held it back as if he was going to pass. Schwartz raced around behind him and grabbed the pikekin and carried it to the goal line. Buckley place kicked the extra point.

Washington State put over the winning touchdown in the last period when Schwartz crossed up the Husky defense on a fake reverse play and ran six yards for the score. The Husky defense crumbled under the crushing attack of the Cougars.

The Cougars added another touchdown for good measure just before the final gun when Maskell, W. S. C. end, intercepted a long Washington forward pass and raced 20 yards to the Husky six-yard line. Washington was penalized five yards for unnecessary roughness and Schwartz bolted through left guard for the yard and his third touchdown. Buckley missed the try for point.

Score by periods:
Washington 13 0 0 0—13
W. S. C. 0 0 0 13—20

BLOOMINGTON, Ind., Oct. 19.—(AP)—Colgate today smashed a 21 to 6 victory over Indiana University. Dowd was the big gun in the Maroon attack, his 52-yard dash for a touchdown in the first quarter providing the game's high light. Indiana showed its first offensive punch of the year to score its lone touchdown.

DYCHE STADIUM, EVANSTON, Ill., Oct. 19.—(AP)—A fighting Minnesota eleven snatched victory from defeat in the fourth period today by scoring two touchdowns and a field goal to vanquish Northwestern 24 to 14 in a football game packed with thrills. ANN ARBOR, Mich., Oct. 19.—(AP)—Sparkling football by Ohio State in the first half of the game gave the Buckeyes a 7 to 0 victory over Michigan in their twenty-sixth annual grid crash here today. Medford and southern Oregon boxing fans are promised another big boxing card at the Armory next Thursday night when Gene O'Grady, Ashland light-heavyweight, meets Knockout White, colored glove slinger of Chicago in the main event of ten rounds. White has met some of the best men in the country and has been on the Pacific coast only a short time. There will also be a good line-up of preliminary events.

"White has some records," said Tex Bickerstaff, promoter, yesterday. "He's held his own against such nationally known men as Tuffy Griffiths, Allentown Joe Gans, Walcott Langford, Red Standley, Joe Anderson, Charles Belanger, Red Uhan, Walter Cleg-horn, Young Fippo and many others."

"He is classed around Chicago as the boy who has never made a bad fight," continued Bickerstaff. "He boxed O'Grady at Klamath Falls July 2. He came down and thought he had a set-up. White stepped out in the first round and floored Gene for the count of eight. In the second round, he floored Gene for the count of nine and broke three of Gene's ribs. About that time, he coasted along, thinking he had the fight won, and he was most surprised when the referee gave the questionable decision to O'Grady."

"White made the remark in the presence of Joe Levy, Portland matchmaker," said Bickerstaff in conclusion. "That if he ever lives to meet O'Grady again, he plans to do nothing else than to K. O. him."

Giving Medford real big city fights, Tex is planning on matching the winner of the bout with the famous Fred Lehner of Spokane who defeated the recognized light-heavyweight champion of the world, Maxie Rosenbloom. The bout would be given in November.

POTENTATES AIR LETTERS ENTHUSE TO RURAL AREAS

Upon the occasion of the first air mail flight from the new Medford airport, E. C. "Jerry" Jerome, potentate of Hillah Temple, sent the Chamber of Commerce circular letters to all Shrine temples in the United States, Alaska, Honolulu, and Canada. There has been a wide response to these letters, according to Mr. Jerome and widespread publicity was secured for Medford and the airport thru the Shrine organizations.

"Congratulations on the first flight of the air mail from the new Medford municipal airport" is the word from George M. Hendee, illustrious Potentate of Medford Temple of Springfield, Mass. "Well may you be proud! Medford must be a very progressive city and its interests ably backed by still more progressive men."

"Medford evidently intends to be well out in front in aviation, the greatest of all means or rapid transportation," Mr. Hendee said in conclusion of his enthusiastic letter.

J. N. Riggs, Potentate of Khiva Temple of Amarillo, Texas, enthusiastically complimented Medford on her new municipal airport. "The scenes pictured in the folder inclosed in your air mail letter, make an office look dark and uninviting and your weather bureau report is interesting to one who lives on the 'high planes,'" Potentate Riggs said in his letter.

Mr. Riggs also promised that his next vacation would be spent in the great Northwest and Medford would be visited.

PORTLAND, Ore., Oct. 19.—(AP)—W. H. Lynch, head of the United States bureau of roads here, said today the bureau was ready to advertise for grading contract bids on the Siuslaw highway, after he had been advised the right of way had been secured by the Lane county court.

TYPHOID WARNING TO RURAL AREAS

Tenants of farms are reminded by Dr. Emily Bolcom, county medical director of the health unit, to pay especial attention to sanitary conditions around their places, as a preventive measure against the possible spread of typhoid fever, of which there are now two or three cases in the county. The cases were reported over a week ago and the danger of the spread of the disease is believed over.

However, as a rule, sanitary conditions are not always of the best on farms where renters come and go, and Dr. Bolcom is particularly anxious that tenants ascertain for themselves that conditions are such that the development of disease, especially typhoid fever, is not encouraged, coming usually from unprotected out-houses.

CAVEBOYS MAULED BY ASHLAND 39-0

The Grubbs Pass high school was defeated at Ashland today by the Ashland high school, 39 to 0. The Caveboys offered scant resistance to the varied attacks of the Lithians, who showed and used everything they possessed in the way of plays, in an effort to run up a high score.

Grubbs Pass showed nothing in the way of defense, and loss in the way of offense. Gillette and Jones were held to minor gains. Throughout the one-sided contest, they played listlessly, and with none of the vim and dash that marked their game with the Medford high school a week ago.
