

LARGE CLASS FOR SEVENTH REUNION SCOTTISH MASONS

Said to be one of the most representative, if not one of the largest, classes of Scottish Rite candidates ever held here, the seventh reunion of Siskiyou Lodge of Perfection, the Roseburg chapter of Rose Croix and the Council of Kadosh and the Consistory from Eugene started on their second day of degree work today, with the Roseburg chapter at the helm.

Approximately 100 candidates and members from Portland, Eugene, Clifton, Roseburg, Grants Pass, Central Point and Medford were gathered in the city yesterday when the meeting opened with Siskiyou Lodge of Perfection conferring the fourth to 11th degrees. The Roseburg chapter, Rose Croix, with Ray B. Compton, 32nd degree K. C. C. H. as wise master, handled the work throughout this afternoon and will continue this evening, conferring the 15th to the 18th degrees.

1930 R. C. A. RADIOLAS ARE NOW ON DISPLAY

R. C. A. Radiolas, model 33, remarkably low priced, with several 1930 improvements, are on display at the Southern Oregon Electric store this week. The new R. C. A. Radiolas are decidedly attractive as pieces of furniture, being in walnut console cabinets. Another good feature is the full dynamic speaker which insures perfect reception.

In addition to the low-priced models, the popular model 69, R. C. A., with super-heterodyne circuit, is meeting with much favor locally, according to Mr. Frohbach.

Bagged Four Cougars MARSHFIELD, Ore., Oct. 22.—(AP)—Fred Gardner of Harbor, Ore., claimed the prize for being the champion cougar hunter of this section of the state today by bagging four full grown cougars in the coast range in one day. He used dogs.

Good Roads and Buying Things at Home Go Hand in Hand, Says "Bill" Dollar

"You can't send away for good roads," said "Bill" Dollar. "That work must be done at home. The worst enemy of good roads is out of town buying. The only good roads movement that is worth while is that leading into Medford. The model town is honey-combed with good roads making it easy of access to the farthest farm."

"Good roads and buying at home go hand in hand. They are inseparable. You cannot have one without the other. Every dollar spent out of town puts a stumbling block in a movement for good roads, but every dollar spent at home is a paying stone in the pathway of progress and economy. Join the 'Buy in Medford' movement today and help to build more and better roads into Medford and not from this city."

"Texas Republic printed a story some time ago that fits in pretty well when an argument is raised about good roads," said "Bill" Dollar. "It is as follows: 'Two friends lived across a county line from each other—in the one with the nearby county seat; the other was opposed to good roads and there was no good connection with the county seat.'

"The two friends had many an argument on the subject; he of the good roads county exulting in what the good roads did for him; he, who had poor roads, being glad at the smallness of his taxes. 'Then the farm house and the barn, where lived the opponent of the good roads, caught fire. He telephoned instantly to his county seat; meanwhile his friend also cried 'fire' over the telephone to his county seat.

"The two engines from the up-lands county arrived and set out the fire before those from the poor road county were seen. 'Of course the poor road advocate had to pay the cost of that fire run—it was not in his

county, and the cost was plenty, much more than a road tax would have been, but he paid it cheerfully. 'Either we get good roads or I am going to move across the line,' he said. 'Adequate fire protection is just one of the hundreds of good reasons why any other kind of a road than a hard road is uneconomic, expensive, unreasonable and foolish.'

"One of the chief reasons that made Rome the greatest trading center of its time was the work that Caesar did in making it easy for the people to get to the place where the goods were offered for sale. 'The following jingle tells of this ruler's accomplishments: 'What Caesar Did 'When Caesar took a westward ride And grabbed the Gauls of Rome, Rome, Rome, What was the first thing that he did To make them feel at home? Did he increase the people's load and liberty forbid? No! He dug and built good roads— That's what old Caesar did.

"Did Caesar put the iron heel Upon the foe's breast, If any did he try to make him feel Easy for the people to get? What did he do to make them glad As he came their land amid? He built good roads instead of bad— That's what old Caesar did. 'He built good roads from hill to hill, Good roads from vale to vale; If any good roads movement Till Rome was out of kale, He told folks to buy at home, Built roads their rugs to rid, Until all roads led up to Rome— That's what old Caesar did.

"If any town would make itself The center of the map, Where folks will come and settle down And live in Plenty's lap, If any town, its own abodes Of poverty would rid, Let us go out and build good roads, Just like old Caesar did." (Copyright, 1929, F. W. Mozart)

EAGLE POINT GRANGE DANCE GUESTS FRIDAY

EAGLE POINT, Ore., Oct. 22.—(Special)—On Friday, November 1st, the H. E. committee of Eagle Point will give an invitational dance for Grangers and their friends, when the fun promises to be fast and furious.

EXPECT RECORD CROWD ANNUAL PAST MASTERS NIGHT FRIDAY EVENING

Medford lodge 193, A. F. and A. M., will celebrate Past Masters night Friday evening at the Masonic hall and all southern Oregon and northern California Masons have been cordially invited to attend. Every year, the Past Masters night is one of the outstanding Masonic events and a large crowd of square and compass men are always in attendance.

This year, the Past Masters night festivities promise to more than live up to the former similar occasions and C. C. Furnas, chairman of the committee working out the various details, is optimistically predicting a record turnout.

Among the past masters of Medford lodge 193 who will participate will be E. M. Wilson, John Lawrence, Glenn Fabrick, E. B. Hammond, Paul Rynning, A. G. Bishop, Fred J. McPherson and C. C. Furnas. Although all Masons are cordially invited to attend, a special welcome will be extended to all past masters of other Masonic lodges now residing in the jurisdiction of the local lodge.

The Master Mason degree will be conferred upon one candidate, the work beginning early in the afternoon. Promptly at 6:30 o'clock a delicious banquet will be served in the Masonic temple dining room after which the second session will be conferred in the beautiful lodge hall on the third floor.

FOREST OFFICIALS TEST MEDFORD INVESTORS WERE COOKE VICTIMS

Hugh B. Rankin and Norman White, supervisor and assistant supervisor respectively of Crater National forest, and Ranger E. J. Rodgers of that forest are spending today in testing various forest roads in relation to how they stand the wear of loaded trucks, what time can be made on them in hurrying to a forest fire, etc., with a view to determining what is the best type of forest road to build. They are today testing the Lodgepole road, which is regarded as a typical forest road.

First they planned to run the forest's big fire truck loaded with a load of 4000 pounds over this road, and then to later run smaller loaded trucks over it. The test will be made on various other forest roads.

BROMLEY WILL SPEAK AT KLAMATH MEETING

A big meeting of the Klamath County Chamber of Commerce in honor of "Light's Golden Jubilee" will be held at Klamath Falls tomorrow noon. H. L. Bromley, advertising manager of the California Oregon Power company, will be the principal speaker and will show moving pictures of Thos. A. Edison and the history of light. Jubilee programs are being featured all over the nation this week as a special tribute to Mr. Edison and his remarkable inventions.

MEDFORD INVESTORS WERE COOKE VICTIMS

James P. Cooke, former president of the Overbeck, Cooke company, who late yesterday started serving a seven year sentence at Salem prison, for appropriating funds of clients, is known in this city. When his brokerage business crashed, the list of clients who sustained losses included 12 or 15 residents of this city, Ashland and the valley who had accounts with him. The total amount lost by local people was less than \$5000.

BUILDING ORDINANCE ADOPTED IN ASHLAND

ASHLAND, Ore., Oct. 22.—(Special)—A building permit ordinance has been passed by the city council, not so much to regulate the construction of buildings, as to keep an accurate report of all construction work in the city in which the amount expended exceeds \$100. These statistics include all repair work within the city limits. Application must be made to the city recorder and the request will be passed upon by the city council. The consent of the council will be granted only if the plans comply with all building rules and fire ordinances. A breach of the ordinance will be punished either by a fine that may not exceed \$50 or by imprisonment in the city jail for a term not to exceed 25 days.

Conquers Cold to Become a Bride!

A disturbing cough and reddened nose, on the day she should appear to best advantage! How lucky that a certain compound will root a cold in four or five hours! A simple thing, in pleasant tablet form—but

It conquers a cold. One tablet of Pape's Cold Compound, as it is called, may ward off a cold that's just coming on; a bad cold that you've had for days may take several. No laxative is necessary when Pape's Cold Compound is used. No sweating or other discomfort. These little tablets are all you need to knock your cold. 35c, at all drug-stores.

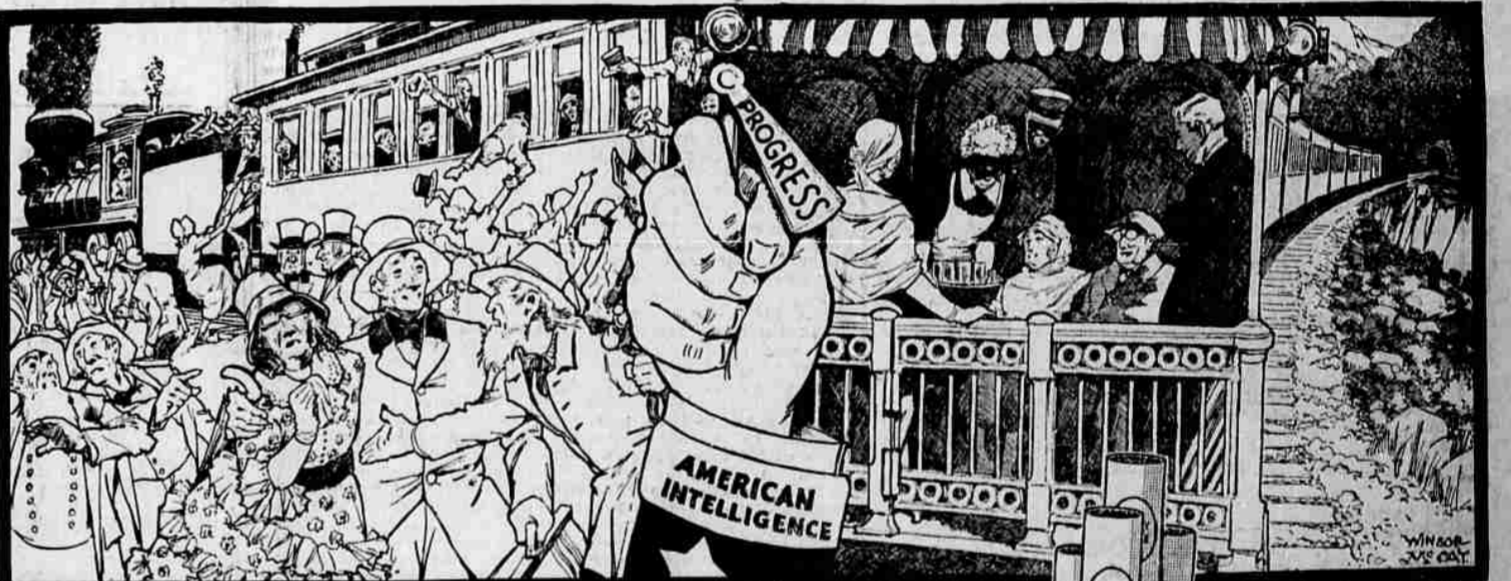

RALLY DAY SERVICE EAGLE POINT CHURCH

EAGLE POINT, Ore., Oct. 22.—(Special)—On Sunday, October 27th, the Sunday school of the Presbyterian Community church of Eagle Point will present the annual Rally Day program, in which all the departments of the school will be represented, consisting of recitations and songs, with special musical numbers. This will be conducted from 10 to 11 o'clock, with the usual church service following.

EVANOFF BUYS EAGLE POINT EIGHTY ACRES

EAGLE POINT, Ore., Oct. 22.—(Special)—Mike Evanoff of Butte Falls has purchased 80 acres, 20 of which are under the Eagle Point irrigation ditch. This is one of the best places on the Crater Lake highway. Mr. Evanoff has a tractor plowing and is preparing the land for seeding.

The Cow is off the Track! AN ANCIENT PREJUDICE HAS BEEN REMOVED Railroads have safely passed those danger signals of prejudice which caused folks to look upon them with fear. Holding aloft the semaphore of progress AMERICAN INTELLIGENCE cleared the track and, today, millions travel in ease and security.

"toasting did it"— Gone is that ancient prejudice against cigarettes—Progress has been made. We removed the prejudice against cigarettes when we removed harmful corrosive ACRIDS (pungent irritants) from the tobaccos.

YEARS ago, when cigarettes were made without the aid of modern science, there originated that ancient prejudice against all cigarettes. That criticism is no longer justified. LUCKY STRIKE, the finest cigarette you ever smoked, made of the choicest tobacco, properly aged and skillfully blended—"It's Toasted." "TOASTING," the most modern step in cigarette manufacture, removes from LUCKY STRIKE harmful irritants which are present in cigarettes manufactured in the old-fashioned way. Everyone knows that heat purifies, and so "TOASTING"—LUCKY STRIKE'S extra secret process—removes harmful corrosive ACRIDS (pungent irritants) from LUCKIES which in the old-fashioned manufacture of cigarettes cause throat irritation and coughing. Thus "TOASTING" has destroyed that ancient prejudice against cigarette smoking by men and by women.

"It's Toasted"—the phrase that describes the extra "toasting" process applied in the manufacture of Lucky Strike Cigarettes. The finest tobaccos—the Cream of the Crop—are scientifically subjected to penetrating heat at minimum, 260°—maximum, 300°, Fahrenheit. The exact, expert regulation of such high temperatures removes impurities. More than a slogan, "It's Toasted" is recognized by millions as the most modern step in cigarette manufacture.

"It's toasted" No Throat Irritation—No Cough. TUNE IN—The Lucky Strike Dance Orchestra, every Saturday night, over a coast-to-coast network of the N. B. C. © 1929, The American Tobacco Co., Mfrs.

Another "turndown" for Ray... then he learned why—"B.O." (Body Odor)

TOO TIRED to dance with him. And a few seconds later Ray saw her—dancing with someone else. It hurt! But it made him think—Ray grew suspicious. Suddenly the real truth dawned on him. "B.O."—Body Odor! No one snubs Ray now. He's popular everywhere since he overcame his failing this easy way. We'd hate to admit it—that we could ever be guilty of "B.O." And yet—why do we change to fresh clothes so frequently? A shirt or blouse, once worn, may still look clean. But we know better than to wear clothes today that may hint of yesterday's "B.O." Dare we, then, be less careful about our person? Pores give off as much as a quart of odor-causing waste daily. But Lifebuoy's marvelous antiseptic lather purifies. It keeps the body so fresh, so utterly clean, that "B.O." hasn't a chance. Try Lifebuoy for smoother skin, too. Enjoy its germ-removing benefits. Lifebuoy's pleasant extra-clean scent, which vanishes as you rinse, tells you Lifebuoy purifies. Adopt Lifebuoy today. LEVER BROTHERS CO., Cambridge, Mass.

TRY LIFEBUOY SHAVING CREAM It lubricates—gives smoothest shave ever At your drugist's Lifebuoy HEALTH SOAP stops body odor
