

### GENERAL FUND TO ABSORB EXPENSES ROAD MACHINERY

Recent ruling of the attorney general of the state, that funds for the purchase of road machinery, should be drawn from the general fund, and not the road fund as heretofore, will likely be adhered to, by the budget committee, in their preparation of the budget.

Application of the ruling would make no difference in the general results, but would stabilize the amount available for road work, placing the road machinery account in the general fund, would also spread the levy, over a wider field, and leave more for actual road construction. The road fund is divided evenly between the city and county, but the percentage of the county, was cut down by road machinery purchases.

### LOCAL MAN FINED FOR HIGHWAY AUTO CRASH

As the result of an auto accident about 6:30 Saturday evening on the Pacific highway near the Voorhies crossing, Lloyd Elwood was fined \$25 and costs in Judge Taylor's court this forenoon on the charge of reckless driving, which charge was preferred by State Traffic Officer Robt. N. Phillips.

There was considerable traffic on the highway at that time and according to the testimony Elwood, who was in a line of cars proceeding toward Ashland suddenly turned his car out to go around a collision almost head-on between a car coming this way from Ashland in which were Ralph Kozier and his daughter Ruth, by not giving sufficient clearance.

Both Miss Kozier, who was driving and Elwood immediately applied their brakes, but too late. The cars were damaged in the collision, but no one was hurt beyond sustaining minor bruises and cuts.

### SIWASH INDIANS SHOW BUTTE FALLS THEATER

Dr. Hoyt, of the famous Siwash Indian Show Co., will be at the Butte Falls theater tonight, with ten big acts of vaudeville.

He is well known in theatrical centers throughout the middle west. At present he has one of his branch headquarters at Grants Pass which he calls "Indian Village."

Hoyt is a man of unusual personality and performances are interesting.

Tom Mix, in "King Cowboy," will be featured at the Butte Falls theatre, Tuesday and Wednesday night, Oct. 29 and 30, along with other short subjects. In addition to the regular Tuesday and Wednesday bill Dr. Hoyt and his vaudeville team will present a different program in vaudeville each night.

### ARNSPIGER RETURNS FROM WATER MEET

O. Arnsperger and Dr. W. L. Powers, chief soil expert of O. S. C., are home from San Francisco, where they met with officials of Associated Irrigations of California and a number of business men to discuss securing federal aid for community financed irrigation districts.

They found the people of California thoroughly in favor of the proposition and have called a meeting to be held in San Francisco November 7 or 8, to devise ways and means to further the proposition. Oregon has been invited to take part and has accepted.

### DETROIT WEATHER REDUCES PRICE IN AUCTION OF BOSC

The sixth car of Bosc pears from the Rogue River valley, offered by the Winter Pear committee, was sold today in Detroit at an average of \$3.50 per box, an increase over the last car sold. Unsettled and stormy weather in the auto capital held back the sale on this car, according to a telegraphic report received Saturday.

In the sale today, over 50 per cent of the car was sold to Detroit chain stores. This means a wider and quicker distribution of the pears.

The price by sizes for the car sold today, shows that Detroit likes the larger sizes, which is as follows:

30's	\$4.00
30's	3.75
100's	3.80
110's	4.00
120's	4.00
135's	4.00
150's	4.00
165's	3.75
180's	3.55

### JACKSON COUNTY COUGARS SOUGHT

For the protection of wild game, especially deer, in Jackson county, Fred Arzner, predatory hunter employed by the state game commission, is expected to arrive in Medford this week and begin operations in a short time in the Evans Creek district. Arzner has been engaged in hunting in a game refuge in Douglas county and was expected to be through early this week.

Cougars will be the main object of Arzner's work in this county. The cougars have been killing a large number of deer and are reported to be fairly plentiful in the mountain regions. Each cougar kills on the average of 52 deer a year, according to Deputy Game Warden F. M. Brown today.

If any county residents know of the presence of cougars, they are urged to get in touch with either Deputy Wardens Roy Parr or Brown as soon as possible.

### NEW OFFICERS WILL RUN LEGION MEET

Every member of Medford Post is urged to be on hand tonight to greet the newly elected officers who will take part in the discussion of several important matters. Plans for the big "grid-iron classic" between the "fresh" teams of the University of Oregon and Oregon State college on November 9 will be outlined and a report on the Armistice day celebration heard. Final preparations for the Legion's Halloween dance next Thursday night will also be made at this meeting.

All members who feel a kindly interest in the post "kitty" should be present to discuss the future of this popular fund as some definite action will probably be taken tonight to dispose of the pot.

A special entertainment feature of the meeting will be a movie show which will include films of South America by L. P. Ivanhoe and recent Copco current events by H. L. Bromley.

### NINE POST BAIL FOR SATURDAY WHOOPIE

Although there was no state or county convention of booze drinkers in Medford on Saturday, nor even a general celebration of Doughnut Week, many very thirsty men were in the city that day and on Saturday night nine of them were arrested at various locations by Policemen Slonecker, McKibben, Leggett and Peck on the charge of being intoxicated on the street.

Each put up a cash bail of \$10 for appearance in the city court for trial this forenoon, which they forfeited by not appearing. Thus the city treasury was enriched to the extent of \$90.

Then men got drunk through drinking various intoxicants—moonshine, bitters, tonics and the like. They were John L. Myers, Joe Hannab, Andres Fandiso, Julian Saem, K. Degerman, Otto C. Finlay, John Dreck, Leslie Bagley and Taylor Mauling.

### BEAR SEASON TO OPEN THIS WEEK

Although the pheasant and quail seasons come to an end next Thursday at sun down, and the deer season closed October 20, Southern Oregon will continue to be a paradise for wild game hunters, as the bear season begins Friday morning and the duck and geese hunting season will continue until January 15, next.

The bear hunting season will only last a month as during the remainder of the year bear cannot be hunted in Jackson, Josephine and Klamath counties, this special law having been passed some years ago as a protection to the bear of water national park.

However, the general sportsmen of Medford do not care much for bear hunting, as it is too strenuous and somewhat dangerous, especially since the experience of John S. Orth, cashier of the Medford National bank some years ago upon the Umpqua divide, or some such wild place, where he had a personal tussle with a big brin during which the bear scratched and clawed and John "hollered" and sputtered vigorously, until chily wearing a few rags he was nearly ready to cash in, and the bear was nearly scared to death, while the remainder of the banker's hunting party sat on the hillside roaring with laughter. John recovered, but the bear, which was considerably marked by his strenuous scratches, has never been seen since he tottered away weakly from the struggle and probably died of sheer fright, a short time later.

### BIG FIGHT CARD IS WEEK FROM TONIGHT

A week from tonight, Medford and southern Oregon boxing fans will see Gene O'Grady, southern Oregon's farmer boy fighter, in action at the armory against one of the best light-heavyweights in the country in the form of K. O. White, Chicago colored battler, who fights Leo Lomski of Aberdeen, at Seattle, Wash. this week. Lomski claims the light-heavyweight championship of the world.

Tex Bickerstaff, Medford and Klamath Falls promoter, has had some difficulty in arranging the fight and was forced to give White a big guarantee to meet the farmer boy. In addition to the main event, he has several interesting preliminaries and a hot semi-windup, principals of which will be announced tomorrow.

Tex and Gene are leaving by airplane to see the Lomski fight and O'Grady plans to gain a few pointers on the negro's style of fighting.

### GORST PLANE VISITS PORT ENROUTE SOUTH

A Gorst Transport plane landed at the local field shortly before 1 o'clock this afternoon, en route to San Francisco from Seattle, after being in service in Alaska the past summer.

The plane was reported lost by Grants Pass, but this was due to not leaving Seattle on schedule. Verne C. Gorst was aboard the plane.

### NEW PRESIDENT CONDUCTS MEET CLUB LUNCHEON

The Greater Medford club met at the Hotel Medford at 1 o'clock today, with the new president, Mrs. Allen Drury, in the chair.

An enjoyable luncheon was partaken, followed by a business meeting which was held around the luncheon table.

Resolutions were adopted expressing sympathy over the death of Mrs. Lee Tuttle, a loved officer of the club.

Mrs. R. V. Williams and Mrs. Muiholland were asked to give personal reminiscences of Mrs. Tuttle, which they did in a very sympathetic manner.

After these remarks Mrs. Paska, with Mrs. Hawley Moore accompanying her at the piano, sang the Indian songs which were greatly enjoyed.

Mrs. Jap Andrews, at the request of Mrs. Drury, read the constitution for the benefit of new members and as a reminder to members of longer standing.

Mrs. Drury announced that the printed programs would be discontinued this year and a surprise program given each month instead. Discussions on the new clubhouse closed the meeting.

### REDS STAGE RIOT AT U. S. EMBASSY

LONDON, Oct. 28.—(P)—Communists and London police last night fought for more than a half hour outside the American embassy when several hundred paraders attempted to present a resolution of protest at the Gastonia, N. C. textile workers' trials.

The parade of Communists, numbering several hundred, formed at Trafalgar Square and moved toward the American embassy, when its way was barred by a cordon of police, who informed its leaders they could not be received at the embassy.

Free-for-all fighting ensued in the streets of which some of the Communists smashed windows of passing vehicles and involved innocent passersby. The clash lasted for more than a half hour before several clubbings by mounted policemen and number of arrests quelled the red spirit.

### FIND LAST MESSAGE FROM FERRY PURSER

HOLLAND, Mich., Oct. 28.—(P)—A message signed and ostensibly written by E. Subin, purser of the Grand Trunk car ferry Milwaukee, which foundered in last week's storm on Lake Michigan, was found in a bottle in the lake near here yesterday.

It was dated October 22 at 6:30 and read: "Making water fast in slicker. Pumps work good. Have turned back to Milwaukee. Might make it, might not. All crew same as last payroll." The message was written on Grand Trunk stationery.

### MAGNATE'S DAUGHTER TO WED FORMER GRID ACE

NEW YORK, Oct. 28.—(P)—Miss Bernice Chrysler, daughter of Walter P. Chrysler, automobile magnate, is to marry Edgar W. Garbisch, former football star at Washington and Jefferson and West Point. Formal announcement will be made at a dinner tonight at the Chrysler home, Great Neck, Long Island.

### COOS BAY SHRINE CEREMONIAL HUGE SUCCESS, REPORT

The Shrine ceremonial held Saturday at Marshfield was one of the biggest successes in years, according to reports of local Shriners who were present and took part in the ceremonial work.

Victors were present from all parts of the Pacific coast, including Potential Messenger and his divan of Al Kader Temple of Portland.

Medford Shriners, including the Marshfield Temple, made the Marshfield trip in special buses and were joined at the coast city by the Klamath Falls Hillah drum corps, also traveling in a special bus.

The fezzed borders of Southern Oregon virtually took possession of Marshfield, which was lavishly decorated for the occasion.

The Temple was in a business session in the afternoon, followed by a big banquet in the Eagles' hall, where over 1000 took part. The ceremonial work took place in the evening under the direction of E. C. (Jerry) Jerome, potentate of the Hillah Temple, assisted by his divan. A class of 24 novices were initiated and were later placed under the charge of L. P. Older and his wrecking crew, providing some of the best second degree work ever seen in the state.

A long Shrine parade was featured by the Klamath Falls drum corps and the Hillah patrol. On the return journey to Medford the patrol members were guests of a dinner at the Wolf Creek Tavern, through the courtesy of the management, John Dougan.

Temples as far away as the Panama Canal zone were represented, and in keeping with the situation the streets of North Bend, not far from Marshfield, were also decorated.

Clean cotton rags wanted at Mail Tribune office.

### ONE KILLED, TWO ARE WOUNDED IN SUNDAY HUNTING

PENDLETON, Ore., Oct. 28.—(P) Sunday hunting accidents in Umatilla county took one life and caused two men to lose parts of their arms.

Horshel Lackey, 37, of Milton was killed when his shotgun discharged as he fell down a bank. Part of his head was blown off. He is survived by his widow and four children.

Howard Walker, 15, of Milton lost his right arm when his shotgun was accidentally discharged.

A. C. Houghton of Hermiston suffered a shattered left hand when his automatic shotgun discharged as he was taking it from his car. He lost two or three fingers.

Oregon Weather Oregon: Fair tonight and Tuesday, colder in the east portion tonight. Moderate northerly winds on the coast becoming variable.
