

## PROFESSOR LONG WERE TO ARRANGE GROWER MEETING

Prof. Clayton D. Long of the Oregon State College arrived today to arrange for the annual meeting of the Oregon State Horticultural society to be held here November 13, 14 and 15.

Prof. Long said he expected an attendance of between 200 and 300 horticulturists from the fruit districts of Oregon, Washington, Idaho and California to be in attendance, with representatives from universities and colleges of the Pacific Coast to deliver addresses on horticultural subjects.

Prof. Long conferred with a local committee, composed of H. Van Hoovenberg, David Rosenberg, Alfred Burch, and Paul Scherer. They will spend today and tomorrow arranging details.

Though no definite selection has been made, it is expected that the sessions will be held at the Elks Temple.

Beside a general discussion of the horticultural problems, the meeting will be attended by a large number of the pear growers of the three Pacific Coast states, and it is expected that a plan for national advertising of the pear will be evolved.

Special Communication, Medford Lodge No. 103, A. F. & A. M., Friday, Nov. 1, 7:30 p. m. Work in the P. C. degree. By order of the W. C. M. HOUSTON, Secy.

## TALENT DISTRICT HOLDING LAND IS SUIT ALLEGATION

An act in ejectment against the Talent Irrigation district, was filed in circuit court this afternoon by C. R. Chapman and J. A. Harvey, asking that the defendant, the irrigation district, be ousted from the property. The Talent Irrigation district has been withholding a portion of the plaintiff's land through which the main canal of the district is run, according to the court.

Damages are asked in the complaint amounting to \$1500 for the loss of use of the land; \$2000 for the increased cost the canal is said to have made in the cultivation of the land and the harvesting of crops; and \$5000 for returning the land to its original condition.

## BREMERTON AIR FERRY PLUNGES INTO SOUND

BREMERTON, Wash., Oct. 31. (P) Carrying two aviators, but no passengers, an amphibian plane operated as an air ferry between Seattle and Bremerton, plunged into the waters of the bay near Manette today. A navy tug with divers immediately rushed to the scene, but had not found either aviator three-quarters of an hour after the accident.

**Grants Pass Concert to Include Local Musicians**  
A concert is being given tomorrow evening at the First Christian church in Grants Pass, under the direction of Mrs. J. Albert McCorkle, and several of the local artists will be on the program.  
The program will include:  
Three groups of harp solos  
Miss Betty Stennett

**Rev. Bennett and Family Will Be Honored**  
The membership of the First Methodist church is giving an informal reception for Rev. Alexander G. Bennett and his family in the parlors of the church tomorrow evening at 8 o'clock.

An invitation is extended to all friends and those interested in the church. A social evening will be enjoyed, followed by refreshments.

The Table Rock school will have a box social and entertainment at the school building this evening, and a large number are expected to be present. The proceeds will be used in purchasing a new stereopticon lantern. The program is in charge of Miss Betty Brown and Miss Nellie Egan.

St. Mark's Guild will have a cafeteria luncheon tomorrow afternoon at one o'clock in St. Mark's Parish house, to be followed by a regular meeting of the guild.

The American Legion Halloween dance will be held at the Oriental Gardens tonight at 9 o'clock.

**Grants Pass Concert to Include Local Musicians**  
A concert is being given tomorrow evening at the First Christian church in Grants Pass, under the direction of Mrs. J. Albert McCorkle, and several of the local artists will be on the program.  
The program will include:  
Three groups of harp solos  
Miss Betty Stennett

**Readings**  
Miss Suzette Stennett  
Three groups of harp solos.  
Rev. Carman E. Mell  
Duets on two pianos.  
Mrs. J. Albert McCorkle, Miss Margaret Childers.

**Faculty and Mothers**  
Guests of Senior Girls  
The senior girls of the Girls' league organization of the high school entertained the mothers of all members and members of the high school faculty Tuesday afternoon with a silver tea from 3:30 to 5:00.

The Girls' league orchestra in charge of Miss Helen Wilson played during the afternoon. Members of the orchestra were Margaret and Louise Osenbrugg, Dorothy and Maxine Pittinger and Helen Wilson.

**Girls' League Planning Party and Initiation**  
The Girls' League of the Senior high school will give their annual Halloween costume party for all the girls in the high school Friday evening in the school gymnasium.

One of the main features of the affair will be the initiation of the Freshmen girls. They will be in-

form of the ideals and standards of a girls' league, and will also be given a copy of the creed. An entertaining initiation is also being planned.  
A program will be given, including skills by each of the four classes, with a prize to be awarded for the best. Miss Ruth Lay's dancing students will do the "Breakaway."  
The Big Sisters will take their Little Sisters to the party, and any costume alike. The Freshman girls each have a Big Sister, who is either a junior or a senior. The Sisters were appointed at the first of the school year, which made it possible for the Freshmen to have someone to show them their class rooms, and introduce them to their teachers.

The gym will be decorated in Halloween colors, with cornstalks, pumpkins, and black cats to add to the attractiveness.  
Mothers of all high school students, and others interested are urged to be present.

Tomorrow evening the Poughonias lodge will hold its annual masquerade dance at the Redmen hall. Members of the lodge are looking forward to the affair as it is the first dance of the season. Prizes will be given for best costumed lady and gentleman, and for the funniest costume.

The Grace circle of the Presbyterian church will entertain this evening with a Halloween party in the Sunday school rooms of the Presbyterian church. All who have been invited are urged to be present promptly at 7:30.

The Halloween costume carnival will be given at the W. O. W. hall this evening. Everyone is asked to come in costume, and bring a prize for the fish pond.

The Building Bridge club met this afternoon with Mrs. Guy Connor at her country home.

If I Could Be Brave on Halloween  
Betty Buchanan  
I'd like to go out, it would be so much fun,  
But I just can't do it when evening's begun.  
The dim lighted pumpkins and ghosts seem to glare,  
And the creepy old shadows seem to whisper beware,  
There's so much to do and so much to be seen,  
But I just can't be brave—on Halloween.  
I'd like to soap windows, make tick-tack galore,  
But those creepy old shadows are there as before.  
In the rattle of leaves and the soft glow of the moon,  
The black cats and goblins will be coming soon,  
And witches, on broomsticks and spooky things keen,  
Oh! I just can't be brave—on Halloween.

## SKATING PARTY BY GUARD AS BENEFIT OFFICE MEDFORD BLDG.

A big farewell roller skating party is set for Sunday night at the armory and will be given under the auspices of the mess fund of the local unit of the Oregon National Guard. The party, open to the public, which is heartily urged to be present, is given through the courtesy of T. J. Carleton, who has been operating the skating rink here for the past several months, enjoying a successful season.  
Skating will begin at 7:30 at regular prices. Funds derived from the admissions will be used by the guard company for a big dinner to be given for members in two or three weeks.

**Oregon Weather.**  
Fair tonight and Friday; no change in temperature. Gentle, variable winds.

Emmett Carpenter announced today that he is now located in his suite of offices at 519, Medford building, and is equipped to administer chiropractic in a modern and scientific way. In addition to his already well equipped office, he has added colonic irrigation apparatus, for treating colon ailments and kindred conditions.  
Dr. Carpenter has also installed an electric light sweat cabinet, which is used principally for treatment of colds and in treating auto intoxication or other toxic conditions where elimination is necessary.  
Dr. Carpenter has been practicing in Medford for the past few years and is considered as one of southern Oregon's leading chiropractic physicians.

# Justice Is Not Blind!

## AN ANCIENT PREJUDICE HAS BEEN REMOVED

Justice is no longer dispensed by ignorant and individual domination. Another ancient prejudice stands convicted by AMERICAN INTELLIGENCE which insists that a jury "twelve good men, tried and true" decide the facts.

## "toasting did it" —

Gone is that ancient prejudice against cigarettes—Progress has been made. We removed the prejudice against cigarettes when we removed harmful corrosive ACRIDS (pungent irritants) from the tobaccos.

YEARS ago, when cigarettes were made without the aid of modern science, there originated that ancient prejudice against all cigarettes. That criticism is no longer justified. LUCKY STRIKE, the finest cigarette you ever smoked, made of the choicest tobacco, properly aged and skillfully blended—"It's Toasted."

"TOASTING," the most modern step in cigarette manufacture, removes from LUCKY STRIKE harmful irritants which are present in cigarettes manufactured in the old-fashioned way.

Everyone knows that heat purifies, and so "TOASTING"—LUCKY STRIKE'S extra secret process—removes harmful corrosive ACRIDS (pungent irritants) from LUCKIES which in the old-fashioned manufacture of cigarettes cause throat irritation and coughing. Thus "TOASTING" has destroyed that ancient prejudice against cigarette smoking by men and by women.

"It's Toasted"—the phrase that describes the extra "toasting" process applied in the manufacture of Lucky Strike Cigarettes. The finest tobaccos—the Cream of the Crop—are scientifically subjected to penetrating heat at minimum, 260°—maximum, 300°, Fahrenheit. The exact, expert regulation of such high temperatures removes impurities. More than a slogan, "It's Toasted" is recognized by millions as the most modern step in cigarette manufacture.

# "It's toasted"

## No Throat Irritation—No Cough.
