

# STATERS NOSED OUT BY W. S. C. "U" WINS EASY

MULTNOMAH STADIUM, PORTLAND, Nov. 2.—(AP)—An Oregon Beaver, a Washington Cougar, a stubborn battle before 16,000 persons in this stadium this afternoon, but the Cougar won.

The Washington State college football eleven put in a sincere claim for the northwestern section Pacific coast conference championship when it conquered the Oregon State college combination, 9 to 0. The Washington State goal line was threatened on several occasions but timely interception of Oregon passes by the wide-stride Cougars stopped the Beaver thrusts.

Midway in the first period the Washington Staters started a power drive that carried them to the O. S. C. 37-yard line. Using only brute strength Ellingsen, Schwartz and Buckley took turns battering their way through the Beaver line.

An O. S. C. off-side penalty gave Oregon hope and it braced for the next play. Instead of ramming at the line again, Buckley called for a forward pass. Ellingsen dropped back 15 yards and shot a long spiral directly over the center of the line. Hurley, end, sneaked around the Beaver defense man and snared the ball in clear field. He dropped ten yards to the Oregon State goal line for a touchdown before the safety realized what had happened.

Although Buckley missed the try for point, the dazzling quarterback made up for the lost point in the dying minutes of the last quarter when he scored a field goal for his team which took the last home for victory away from the Beavers.

With only five minutes left to play and the Oregon Staters throwing passes left and right in a desperate effort to break away from a touchdown, Elmer Schwartz intercepted a long spiral from Tom Dryman for W. S. C. to halt the aerial attack. Failing to gain on the O. S. C. 25-yard line and close to punt, Buckley called for a place kick. He dropped back to the 37-yard line and sent the ball true between the goal posts.

**HAYWARD FIELD, Eugene, Ore., Nov. 2.—(AP)—**Playing a slow and uninteresting game, the University of Oregon defeated a hard-fighting University of California eleven at Los Angeles 17 to 9 here today. Neither team showed much in the way of brilliance.

Billy Reinhart, who handled the reins for Oregon while Coach John J. McEwan scouted the Oregon State-Washington State game at Portland, ordered all trick plays shelved soon after the opening gun. Oregon's first string was soon withdrawn from the contest and Johnny Kitzmiller, the Web-foot's chief offense, watched the game from the bench.

**SPOKANE, Nov. 2.—(AP)—**St. Ignace's football team defeated Gonzaga university 14 to 7 in a spectacular third period offensive today.

**WALLA WALLA, Wash., Nov. 2.—(AP)—**Coming back at the half with the score 15 to 7 against them, the Eastern Oregon Normal took advantage of every break to protect their lead.

**STANFORD STADIUM, Calif., Nov. 2.—(AP)—**While most of the spectators spent the afternoon listening to a radio in the press box broadcasting the California-U. S. C. game in Los Angeles, a third string Stanford eleven ran roughshod over a light California Tech team here today, 39 to 0.

# RIFLE CLUB PLANS FOR WINTER WORK

The Medford National Rifle club executive committee held a meeting at the City hall last Wednesday to decide on the activities for the coming winter.

It was decided to hold the outdoor range open all winter for record qualification shooting as well as conducting indoor gallery shooting in the basement of the armory. The outdoor rifle range will be open every Sunday at nine o'clock with a range officer in charge. The opening date of the indoor gallery range will be announced at a later date. A committee was appointed by the president consisting of Carl Fichtner and Harry Rinabarger to make improvements on the indoor range and arrange for additional target space. It is also planned to install a couple of automatic dodo targets for practice shooting. Official N. K. A. targets will be used for qualification and competition shooting.

The outdoor range will be conducted the same as in the past and members who make qualifying scores will be awarded medals by the War department. The scores of the members who have made qualifying scores to date have been sent into the government and it is hoped that the medals will be received next month in time to be awarded to the members at the annual meeting of the club which will be held in the early part of January. There have been fifteen members who have made qualifying scores to date.

# SQUAD LOSES TO INJURED MEDFORD EUGENE HI 28 - 7

A seven, inexperienced, and badly battered Medford high school football team, that was outweighed but not outwitted, went down to defeat before the Eugene high school yesterday, 28 to 7.

The locals unleashed an aerial attack in the closing minutes of the last quarter, that carried the ball, from behind their own goal line, to the visitor's 16-yard-line. In this dash, Od Hughes was the star. The long-legged kid snared two 35-yard passes from the arm of Zumburn, in spectacular fashion. A Eugene halfback was ordered from the field by the referee for slugging, and Od went to the bench.

Continuing its aerial attack, the locals carried the ball to the ten-yard line, where they lost it on an intercepted pass.

The game ended with the ball in Eugene's possession, in its own own territory.

Eugene scored two touchdowns in the first quarter, when McKittick and Neer on off-tackle plays got away for long runs. They scored a touchdown when Harrington, fumbled a bad pass from center, and was downed behind his own goal line.

The Medford team in the second quarter shoved over its lone touchdown when it carried the ball to the five-yard line, and Harrington went through left tackle, for a touchdown by inches.

McKittick and Neer were the most consistent ground gainers for Eugene, and both worked behind excellent interference.

During the first period, the Medford squad kicked at every opportunity. They tried but on play, a line buck by Harrington, that netted three yards. They were waiting for the breaks, but there were no breaks.

In the third quarter the Medford team started pounding the line, and punting, with the ball see-sawing back and forth. Towards the end of the period, Coach Hagan sent in Potter, in place of Zumburn, and Newlin for Cave. Potter got away for a 20-yard run, and knocked down three forward passes.

In the early part of the game, Eugene was coaching through center for yardage, and mixing it with a slashing off-tackle play. The green Medford ends, were unable to wreck the interference.

The Medford team showed improvement over its last appearance, and did not tire. They fulfilled the Eugene team, with their lateral passes, and smashed through the tackles frequently. Several times the Eugene ends were catching the Medford ball carriers behind the line.

Guards Green and Sprague, veterans of the team, were stone-walls. The Medford team showed more teamwork and fight, than in any game this season.

Eugene, in the first period was penalized five times for off-side, and in the second half, for holding and roughness. The locals had two off-side penalties.

The visitors, under the coaching of Skeeter Mander, are a likely looking outfit, and play a fast game. They are justified in their state championship pretensions. Yesterday they encountered no deadly tackling, and local observers commented upon the fact, that Eugene backs kept crawling after they were apparently down. An experienced team puts an end to that kind of business after the first crawl.

In Neer, Eugene has a charging fullback of the Barney Seem type.

In the second half, Coach Mander used substitutes freely.

The line-up:

Eugene	Medford
Fitz	Cave
Jeffries	Green
McClain	Sprague
Bradway	T. Dobbyn
Carmichael	Castleman
Berg	O. Hughes
Vadnais	Archer
McKittick	Harrington
Arey	C. Thomas
Greene	HB Wentzel
Neer	F. Zumburn

Score by periods:

Eugene	15	6	7	0
Medford	0	7	7	0

Substitutions: Medford, H. Thomas for Archer; Cunningham for Dobbyn; Whyte for Castleman; Potter for Zumburn; Newlin for Cave.

Touchdowns: Medford, Harrington; Eugene, McKittick (2) Arey, Neer.

Flock, referee; Davis, umpire; head linesman, Scheffel.

**2 MILLION WATCH GRIDIRON FRAYS**

(By the Associated Press)

Five hundred thousand spectators saw ten of the more than four hundred football games played yesterday on American gridirons.

As the half-score listed below were among the "key-games" of the day, their total will not do for averaging, but it is a safe estimate that 2,000,000 persons devoted the afternoon to cheering football teams.

U. S. C.—Calif.	70,000
Penn.—Navy	75,000
Yale—Dartmouth	72,000
Pitts.—Ohio	55,000
Illinois—N. Y.	50,000
N. Y. U.—Georgetown	45,000
Harvard—Florida	35,000
Princeton—Chicago	30,000

**SMITH, JOPLIN WIZZARD, GRABS OREGON TITLE**

PORTLAND, Ore., Nov. 2.—(AP)—Horton Smith, the golfing boy wizard from Joplin, Mo., whose first of the year outstrip all other noted professionals and amateurs, added another title to his enviable list by winning the third open golf championship today by three strokes under Licht Horse Harry Cooper, Buffalo, N. Y., his nearest competitor.

Dr. O. F. Willing, Portland's golfing club, runner-up in the national open at Pebble Beach, and defending champion of the Oregon open, maintained his superiority over the other amateurs and made such a gap between scores that other amateurs ceased playing after the eleventh and twelfth. Willing's card was 72-76, a total of 148 for the 72 holes.

Smith, who was matched with Cooper and Light Horse Harry Cooper, a local amateur, furnished the thrills of the day for the gallery which grew from 1,000 to double that this afternoon when word spread that two favorites were matched together. The wonder from the "Show Me" state, who piled up an overwhelming lead yesterday by finishing five out in front of Cooper, continued the killing pace throughout the day.

He rounded the first eighteen in 74 and came home in two less bringing his total to 280. Cooper, although he used every club and trick in his bag, failed to reduce the 71 he shot on the first eighteen and toured the final eighteen in the same figures, shooting his total to 283.

With the same erratic, but more often supreme, golf, Smith smacked down the fairways for from 250 to 300 yards, then easily pitched to the green with unerring accuracy. His golf was not spectacular, merely excellent.

Ed Dudley, from back east in Delaware, a semi-pro, who at the end of the day yesterday stood seventh in line of the fifteen who were to be in the money, found the course much to his liking today and finished third with a card of 72-69, a total of 284.

Walter Hazen, Detroit, whose very name is synonymous with the game, went "haywire" on the final eighteen, found all the traps and bunkers on the fairway and ended up with a 72-76, total 228 which dropped him into seventh place from third which he held yesterday. Hazen's irons were not driving a fairly straight ball. But when he attempted to pitch the green, the great Haig was plainly off his game.

**GENE WILL FIGHT DENNIS; WHITE TO MEET LEO LOMSKI**

Unable to be here because of pressure brought to bear on him by Seattle fight interests, K. O. White, Chicago negro fighter, will not meet Gene O'Grady at the armory tomorrow night, but is to fight Leo Lomski, world's light-heavy-weight championship claimant, in Seattle. However, another colored fighter, Kid Dennis, who has been fighting headline events at Denver, Colo., will meet O'Grady instead, promising just as good a fight as White could put up.

White arrived yesterday in Klamath Falls and had begun a little special training for the O'Grady fight, when the agent call came from Seattle. He was reluctant to give up his Medford date and attempted to have the Lomski date set back a little further so that he could fight the local man, but being unable to do this, following long consideration, he was forced to meet the Lomski terms. He was scheduled to fight Lomski last week at Tacoma, but the fight was set back at that time because the Aberdeen fighter had injured his hand.

White came to southern Oregon, thinking the way was clear to meet the southern Oregon farmer boy, whom he has been anxious to meet for months in a return match. Tex Hickerstaff, promoter, was satisfied the bout would go as advertised, but when the Lomski matter came up, he tried every possible means to bring the negro to Medford to keep his date, but was unsuccessful. He was, of course, deeply disappointed and uncertain as to the future course.

Kid Dennis, Denver boy, who was en route north and hearing of White's presence in southern Oregon, stopped in Klamath Falls to see the Chicago fighter, and was finally induced to take White's place. Dennis is no slouch and fans in seeing him, will see a fight they can long remember if an article, appearing in the Klamath Herald yesterday bears fruit.

The Klamath paper said as follows:

Kid Dennis, Denver, Colorado, a well built, middle-weight negro fighter, last night showed even better than K. O. White in workouts at the Legion hall with White. Both boys are in the best of condition.

According to the Klamath paper, Dennis is equally as good as White, and fans can anticipate real action.

White is acting in good faith and said he would welcome the opportunity of meeting O'Grady when he is through with Lomski at any time Hickerstaff is willing. White is to be in Medford this afternoon at 4 o'clock, and will go through a stiff workout with Dennis at the armory, where all Medford and southern Oregon boxing fans are invited to be present to see how good the new man is.

As a result of White's action, the Klamath Falls bout, in which he was to have appeared against Willie Feldman, Friday night has also been cancelled, but a substitute is being signed up.

The remainder of the card will go on as advertised and will present Teddy Miske of Los Angeles against Billy Breedlove, both main events, in the semi-windup of six rounds. K. O. McEburn will fight Spud Murphy for four rounds in the heavyweight division. John Basco of Montana will fight four rounds with Jack Breedlove in the 150-pound division and Young Sharkey and Sammy Bass will supply the action for the curtain raiser.

What we consider civilization today may be savagery—in comparison—in a thousand years.

**PLAY OPENS FOR FOX PLAQUE FOR LOW GOLF SCORE**

The Fox West Coast theatres have donated a permanent plaque to the Medford Golf club on which the name of the player making the lowest net score during any year will be placed. The plaque will be the property of the club and will be hung in the local club house.

Play for this year will start at once, all players being eligible. The only regulation is that the score must be for 18 consecutive holes, in competition with at least one other player. That is no lone scores will be counted.

The Medford club appreciates this action by Fox theatres and the officials believe it will materially stimulate interest among the players. As handicaps will apply, every player will have a chance to get his name on the plaque.

At the end of this year, the scores will be compared and the player with the lowest net score, will have his name placed permanently on the tablet.

# ILLINOIS HOPE OF BIG 10 TITLE ENDS, MID - WEST SCORES

EVANSTON, Ill., Nov. 2.—(AP)—Illinois' dream of dominating western conference football affairs for a third consecutive year was shattered today when Northwestern, for the first time in 17 years, ground out a 7 to 0 victory over the 1927, and 1928 champions.

The margin of victory was only one touchdown, but the superiority of the Wildcats was so pronounced that the Illinois appeared beaten at the end of the first half. The Illinois line could not stop the thrusts of Russell Bergheim, Northwestern's big fullback, who hammered and chopped for gain after gain, and the twisting runs of little Sid Burnstein who turned the Illinois ends for sizeable advances.

PITTSBURGH, Nov. 2.—(AP)—Splashing through the mud, the rain with abandon of an aerobol on a holiday, tumbling Tolly Unasa, led Pittsburgh to a smashing victory today over the Buckeyes. The final count was 13 to 2, with all of the best known methods of scoring utilized in a battle that was fought throughout in a steady downpour.

MINNEAPOLIS, Nov. 2.—(AP)—Minnesota walked over Indiana, 19 to 7, today to climb another rung on the Big Ten championship ladder. Thirty thousand saw the Gophers win the game in the first period when they scored two touchdowns. They added another in the final period after Indiana had scored in the second.

LINCOLN, Nov. 2.—(AP)—With a stonewall defense Nebraska defeated Kansas today 12 to 6.

Nebraska scored twice in the second period under the guiding hand of Clair Sloan after the Jayhawkers had blocked a punt behind the goal line for a first period touchdown.

MADISON, Wis., Nov. 2.—(AP)—Purdue's rampaging Boomerang marched steadily on towards the Big Ten football promised land today by defeating Wisconsin 13 to 0 before a Badger home-coming crowd.

FRANKLIN FIELD, Philadelphia, Penn., Nov. 2.—(AP)—With Walt Mastros, 145 pound halfback, showing the way, Penn. defeated the Navy 7 to 2 before a capacity crowd of 75,000 on Franklin field today.

WEST POINT, N. Y., Nov. 2.—(AP)—Army crushed South Dakota's football team under a 23 to 6 score today but only after the Westerners had surprised the 30,000 spectators by holding the Cadet second string team to a scoreless tie for two periods.

Throughout the first half the South Dakotans more than held their own against the Cadets, gaining ground consistently.

With the score deadlocked at 0-0, Coach Biff Jones sent in Cagle who escorted the ball over the
