THE HOME OF BREAD LIKE MOTHER MADE

HOW CAN I SAVE?

Sooner or later, we all want to save—want to put something by for the rainy day—but we put off starting, we're just so used to living as we do, and believing that to save—we will have to do without a lot of things we like. Well you know how it is. But why bring that up?

Why not live just as you always have and save anyway—you can't help but save if you buy the Groceteria way.

Buy as you have always bought—the same foods in the same quantities, but buy for less. Cutting the cost of clerks, credits and small deliveries takes a mighty big slice off our selling prices, and adds materially to your savings, without self-denial on your part.
