

Local and Personal

Southern Oregon shipped 3500 cars of pears this fall and got great money for them. This should be a lesson to Lane county that it pays to specialize in some crop you can grow well. Shotgun methods in farming do not work out so well in this age when quality products are demanded. It's all right to diversify, but a county without a leader or two cannot expect to reach the top of the agricultural ladder.—Springfield News.

Dynre's regular dance, Wed. and Sat. at Dreamland. 249

Among the many Medford and vicinity residents attending the big football game at Eugene yesterday were Mr. and Mrs. Chester Rich, Mrs. H. D. Turner, Helen Wadleigh, Mr. and Mrs. Jack Garrett and Mr. and Mrs. Bob Deuel.

See Briff's Sheet Metal Works for radiator, fender and auto body repairing.

A series of meetings on delaying and farm crops will be held in Jackson county during the week beginning December 9, under Oregon State college extension auspices and under the leadership of County Agent R. G. Fowler and a number of members of the O. S. C. faculty.

High grade lump lime and hydrated lime for spraying. Big Pine Lumber Company. 2241F

Mrs. Robert Porter and son Bobby, of Medford were visitors in Astoria last Thursday evening.

Get the finest popcorn in town at the Monarch Seed Co. 2261F

The annual "electrical fair" of Klamath Falls will be staged on Thanksgiving night, according to advice received here. This is one of the biggest dances of the year for Klamath county and last Thanksgiving drew a crowd of nearly 1500 people. These annual electrical feature dances are put on by the Klamath Employees club of the California Oregon Power company.

High grade lump lime and hydrated lime for spraying. Big Pine Lumber Company. 2241F

Ted Baker and Glen Smith were Jackson Falls' official alumni representatives at the annual alumni convention held on the University of Oregon campus yesterday at the time of the U. of O. homecoming celebrations.

"That good oak!" We give green trading stamps. Hansen Coal Co. Phone 235.

Mrs. James Stevens, Mrs. W. G. Wilson and her daughter Elbow Mae Wilson, left at an early hour this morning for Portland to attend the Carl Carel concert to be held there tomorrow night.

Up-to-date radio log books free at The Toggery (of course). 242F

Floyd Pierce of the Eagle Point district was a business visitor in the city yesterday.

Hemstitching, piecing, pleating, button making and hose mending. Handcraft Shop. 1511F

Mrs. D. R. Luper of Albany, sister of Mrs. Mark Jarnin, who with her small daughter Ludella, arrived in the city Monday to make their home here, accepted a position in the office of Dr. R. C. Mulholland. Mrs. Luper will be joined here by her husband in the near future.

Orchard brand liquid lime-sulphur can be obtained at Pinnacle Packing Co. 2231F

Included among the out-of-town visitors in Medford yesterday afternoon were Mrs. Mable Thornton of Lone Pine, Mrs. Ida Dennis of Shady Cove, Walter Engher of Reese Creek, Mrs. Gillis Carver of Butte Falls, Mrs. Josephine Holmes of Eagle Point and Mrs. Nettie Armstrong of Rich.

Plant tulips, daffodils, narcissus and hyacinths now while the ground is dry. Get bulbs at the Monarch Seed Co. 2261F

Quite a large delegation of Medford people witnessed the Chico-Normal football game at Ashland yesterday, including Carl Swigart, H. E. Conrad, W. W. Walker and Elmer Wilson.

Through the winter the best remedy for lonesome nights is a good radio from Palmer Music House. 240F

With work slackening down generally on the Pacific coast, transient applications for labor at the local branch of the United States free employment bureau have been decreasing. Jari Gottlieb, in charge of the bureau, said last evening. All outside work has been practically completed for the season, throwing a good many local men, as well as transients, out of employment.

Call at 429 No. Front and see a fine lot of evergreens and shrubs. Portland Rose Nursery. 243

The new tariff of the Grants Pass Water company, proposing an increase in water rates, has been further suspended by order of the public service commission until February 25. The tariff was first suspended from August 27 to November 25.

Victor radio owners are now sparing for honors as to who has the best instruments. So far it is a tie. All are alike when purchased from Palmer's. 240F

Brigadier and Mrs. A. E. Baynton of the Salvation Army arrived yesterday from Portland to conduct the meeting of the army tonight at the meeting hall above the Toggery store.

Wood for your fireplace. Large body fir or oak. We have the best you can buy at right prices. For quick delivery, phone 833. F. E. Samson Co., office at 229 No. Riv. 240F

Feed, Arnell, state predatory game hunter, has arrived in southern Oregon to spend several weeks and is now engaged in hunting cougars with dogs in the Ashland game refuge. Last week, Arnell bagged a 400-pound bear in the Evans creek section and a short time ago, killed 14 cougars in the Cow creek refuge.

J. D. Cameron of Warren, Pa., R. C. Bain of Chicago, Ill., and A. L. Gates of Billings, Mont., were among the motorists from a distance who registered yesterday at the local branch of the out-of-state auto registration bureau.

Clyde G. Young of Ashland has been commissioned captain in the coast artillery reserve, according to information sent out from the war department last week.

Mr. and Mrs. Charles Hooper and daughter Daphne, following a short visit in Medford with friends and relatives, left last week for their home in Madera, Calif.

Mrs. Lottie Allen, has arrived here from Medford to take charge of the fountain at Magill's drug store. Mrs. Allen has had charge of the fountain service for the Magill store in the valley city and has had years' experience in this line of work.—Klamath News.

As the result of a collision Friday night on the Crater Lake highway between cars driven by Ross Kluge and Mr. H. Collins, the former sustained minor injuries, for which he was taken to a local hospital for first aid treatment. The cars were badly damaged.

Antelope are reported to be increasing rapidly in the big game refuge in southern Oregon, in the Stein Mountain district. There has been some insistence on the part of sportsmen to have the season opened on antelope for a long time or for a few days each year. While Idaho and Oregon are hesitating on whether or not to have an open season, Wyoming allows the animals to be shot. There was an open season of from three to six days in various parts of Wyoming this fall.—The Oregonian.

Between 30 and 40 posters were received in the poster contest which closed yesterday in connection with the big airport dedication next July. The entries, were entered principally by art school students from various parts of the Pacific coast.

Mr. and Mrs. H. C. Stock of Ashland were the dinner guests of Mr. and Mrs. Tom Roseberry at their home in Medford on last Thursday evening.

W. W. Dinkins, Roy Wakefield, and E. W. Wakefield left late yesterday afternoon on a hunting trip in the Klamath Falls district.

Mr. and Mrs. A. J. Russell and Amos Baxter were among the visitors in Medford last week from La Grande.

Tropical jungles once covered central Oregon, believes G. G. Keeling of Clarno, who recently brought to Bend several nicely agitated palm date kernels and petrified parts of tropical trees. The fossils were found in "Dawn Age" rocks just east of the Clarno bridge over the John Day river.

A bounty warrant was issued yesterday by the county clerk's office yesterday to Harold Kuhl of Jacksonville for a bobcat.

Mrs. Noble, mother of Mrs. Ed Whiteside, who has many friends in Central Point, is reported to be in a very critical condition at the home of Mrs. Whiteside on Roselane. Several of her former acquaintances from here have gone to pay their respects and stay for a brief visit.—Central Point American.

Frank L. Hamon of San Francisco, division cable manager for the Postal Telegraph company, was in Medford, spending several days in Medford.

Miss Clara Miller, who underwent an operation for appendicitis at the Sacred Heart hospital last week, was reported yesterday to be showing continued improvement.

Frances Gallatin, Ashland, a junior in home economics at Oregon State college, has been pledged to Mu Beta Beta, honor society in 4-H club work for men and women. Only those students who have been outstanding in club work are honored by being pledged to this society.

A letter was received at the Crater national park office here yesterday from Dr. S. Nottalinsky of the Okness district in Russia, in which he asked that all information possible in the way of description of the lake and park be sent him, as he was preparing an article on national parks to be published in Russia. Chief Ranger Godfrey, who is in charge of the office in the absence of Superintendent Soltzky, at once forwarded the inquirer official descriptive pamphlets and other desired information.

The 33 turkeys stolen last week from Gene Watkins on his farm at Central Point were still missing yesterday and no clues have been unearthed in regard to their disappearance. Officers were inclined to believe the birds were taken under the cover of night and transported outside of the state.

W. O. Hadley, supervisor of fishways, and W. R. Coleman, superintendent of screens, last week reported to the state game commission that the fishways at Rainy Pass, 30 miles west of Grants Pass on the Rogue river, could be improved next spring for a total cost of \$300. They said that an adequate fish ladder in the rock formation around the falls could be made for that amount in addition to the improvements there now.

S. M. Bullis has returned from a short business visit to Klamath Falls.

An important meeting of the Roads and Highways committee of Medford Chamber of Commerce is scheduled to be held tomorrow evening at 7:30. Committee members will be present in addition to State Highway Commissioner C. E. Gates, Carl Swigart, county court and County Engineer Paul Ryan.

The Jackson county public health service is on a par with the best organized and most efficient to be found in any county in the state. Through financial aid from the Rockefeller Foundation and from the state, plus the keen interest evidenced by those in the county, an organization of health work has been built up. Now it is time for folks to take full advantage of the opportunities of this health work.—Ashland Tidings.

The first section of pavement has been laid by the state in Klamath county. It runs from the boundary of Klamath Falls to the junction of the Dalles-California and Lakeview highways.

A marriage license was issued yesterday afternoon at the county clerk's office to Floyd Jarvis, 19, and Dorothy Walford, 18, both of Medford.

A Kiwanis club has been organized at Burns with 24 charter members.

Although it may not be in great demand, the local branch of the Oregon State Motor association has added another feature to its map service. L. C. Garlock announced last evening. Road maps of Mexico will be received regularly and motorists ever contemplating a trip there are invited to take advantage of the service. Mr. Garlock also maintains a complete supply of maps of every state in the union.

Mr. and Mrs. Clarence Olson of Riverview, Wash., have been spending the week in Medford visiting friends and relatives.

Four arrests of boys and men for shooting ducks within the city limits have been made at Klamath Falls.

D. G. Tyree, manager of the Conoco Investment department, has returned from Portland where he attended a committee meeting of the Northwest Electric Light and Power association.

FORMER RESIDENT AIDS CHEST FUND

Perhaps one of the contributions to come from the farthest distance is from Joseph Little of Dixon, Ill., who wrote the following interesting letter to J. W. Wakefield: "I am glad to enclose my check for \$25 payable to Medford's Community chest, if the Rotarians, as a club, are making a drive, just drop the check into the jackpot as a contribution from Mrs. Little and myself. We like Medford and will be out there again in the spring."

Mr. Little formerly owned a small orchard near the city of Medford, which he recently sold, and is well known here.

PAGE APPOINTED AS AIDE FOR STIMSON

WASHINGTON, Nov. 16.—(AP)—Arthur Wilson Page, son of the late Walter Hines Page, has been appointed as a personal aide to Secretary Stimson at the forthcoming arms conference.

The White House, in announcing Page's selection, stated specifically reports that Page would be named assistant secretary of state were error-free.

TOO LATE TO CLASSIFY

LOST—Child's purse containing red silk handkerchief and silver dollar.—L. V. Louisa.

Obituary

WINES—Abjah Wines died at his home in Jacksonville, November 15, of heart trouble. Aged 74 years, 9 months, 25 days. Born near Albany, Ohio, January 29, 1855. Mr. Wines lived at Medford for the past 24 years, and at Jacksonville for 18 months, and had been interested in mining and oil development of this section of the country. He was a member of the Albany, Ohio, Lodge of Masons. He leaves one son and one daughter, Howard Wines of St. Helens, Ore., and Mrs. Clara N. Thornton, Concord, Calif., and two grand children.

Funeral services will be held at the Pearl Funeral Home, Monday at 10:30 a. m. Rev. A. G. Bennett officiating. Interment in Medford cemetery.

SALEM—(AP) T. W. Lesure, rural newspaper carrier, suffered slight scalp wound when revolver he was carrying in shoulder holster discharged.

BANK OFFICERS TOOK THREE MILLION CLAIM

FLINT, Mich., Nov. 16.—(AP) Six former officers of the Union Industrial bank, largest financial institution in Flint, were named in warrants charging embezzlement, abstract or willful misappropriation of bank funds, admitted to have aggregated \$3,500,000 gross, issued this afternoon. Additional warrants, it was indicated, would be issued against six or seven other former officers of the bank.

BRITISH TROOPS MUTINY IN JAMAICA IS REPORT

LONDON, Nov. 16.—(AP)—Revolution in the house of commons yesterday that there had been a mutiny of British troops in Jamaica, has aroused considerable mystification and curiosity here.

The government, while admitting the mutiny occurred, is unable to state when, or the circumstances.
