

# WILL OPEN DETROIT TO BOSC TRADE

### Wood Advises Co-operation Local Shippers—Maintain Standards Established By Winter Pear Committee—Prices Vie With New York—Detroit Record Praised

David R. Wood, chairman of the Winter Pear Committee, conducting a Bosc pear campaign in the city of Detroit, told the Rogue River Traffic association at the weekly meeting this noon that the Detroit market would be an open market after December 2, and suggested that the valley shippers take necessary steps for orderly marketing of the Bosc, after that date, and to place the Bosc on the market in a thoroughly ripened condition.

It was suggested that the Detroit brokers form an organization similar to the New York Pear committee, and that the local shippers and the Winter Pear committee write brokers to this end.

The Winter Pear committee and local shippers are opposed to the shutting of the Detroit market with an inferior or unripe Bosc and desire to maintain the standards set during the campaign.

Chairman Wood informed the traffic association that, continuing the sale today, the deficit between the Detroit market and the New York market was less than \$1000, and if the present sale price continued until the remaining five cars of the 20 subscribed were sold the Detroit prices for the campaign would be approximately, or slightly less, than the New York market.

Record Praised  
J. E. Edmiston of the C. & E. company said that the record of the Winter Pear committee was enviable and the prices secured beyond his expectations. He favored the Winter Pear committee continuing in the Detroit market next year and conducting a similar campaign in Cleveland, Ohio.

Dr. George B. Dean and others endorsed the winter pear campaign. Chairman Wood showed that the price average from the first to the sixth car showed a steady increase with a lull between the sixth and twelfth cars, followed by prices the past 10 days that topped the four leading markets of the land.

Shippers at the meeting said they would support the plan for the orderly marketing of Bosc after December 2, and that they would advise buyers that it was inadvisable to plan to sell Bosc after Christmas.

It is estimated that 10 or 12 cars of Bosc will be shipped to Detroit during December.

David Rosenberg, president, outlined the recent pear meet held here last week and expressed the opinion that every grower should study the "upward trend of pear production, and the downward trend of prices, and be prepared to organize or meet the conditions."

The meeting closed with a discussion of the lug box return situation, which as usual is not satisfactory.

### KEDDIE LINK WOULD BRING HUGE OUTLAY

DENVER, Colo., Nov. 21.—(AP)—Arthur Currier James of New York, railroad financier, yesterday said in Denver if the Interstate Commerce commission grants permission to link Klamath Falls, Ore., and Keddie, Cal., with the Great Northern and Western Pacific, the two routes will spend \$13,000,000 in construction.

# FIFTEENTH CAR AT AVERAGE OF \$4.30 DETROIT

The fifteenth car of Medford Bosc pears, offered on the Detroit market by the Winter Pear committee, sold today, for an average of \$4.30 per box, topping the four leading markets of the land for the second time in a week.

The high price was \$4.45 per box for sizes 150 and 165. The price by sizes, was:

50's	4.35
55's	4.34
100's	4.05
110's	4.20
120's	4.40
135's	4.40
150's	4.45
165's	4.45
180's	4.49
195's	4.10

In reporting upon the progress of the Bosc pear campaign in Detroit, the Detroit committee writes that they have had many comments from their trade and the consuming public regarding the newspaper advertising and the radio talks, both of which are handled by the Detroit News. Another advertising feature which has proved beneficial is the work being done by the dealer's salesman whose business it is to call personally upon the retailers, acquainting them with the campaign as well as the characteristics of the pear itself.

The Detroit committee also states that this publicity has tended to give the Bosc pear from the Medford district a refined introduction to the trade and people of Detroit which has proven very beneficial so far and will be of great value another season.

# MOROSCO MARRIES LEADING WOMAN

SAN FRANCISCO, Nov. 21.—(AP)—Olive Morosco, theatrical producer, and Helen McTuer, leading lady in several of his recent plays, were married at a midnight dinner last night with scores of stage folks acting as unexpected witnesses.

The couple secured the marriage license earlier in the day, but had announced the wedding would not take place "for several weeks." Morosco then invited more than a hundred friends to the dinner which supposedly was given in honor of the bride-to-be. Much to the surprise of the guests, a minister arrived after the dinner and performed the ceremony.

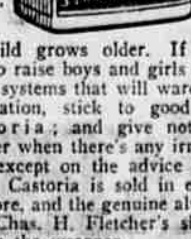

# EUGENE GIRL CHOSEN BEST IN 4-H CLUBS

CHICAGO, Nov. 21.—(AP)—Loul Bailey of Eugene, Ore., and Theodore H. Lorenz of Hitchcock, Okla., have been chosen the outstanding girl and boy members of 4-H clubs for 1929.

Miss Bailey is 16 years old, the state champion canning club girl of Oregon. She will enroll in the Oregon State Agricultural college next fall. Lorenz is 20, a student at Oklahoma Agricultural and Mechanical college.

Ask Columbia Dams.  
CAMAS, Wash., Nov. 21.—(AP)—Washougal and Camas business men adopted a resolution urging the Oregon delegation in congress to present a bill appropriating \$20,000,000 for the construction of two huge dams across the Columbia river at Bonneville, Ore., and The Dalles, Ore.

Portland.—New mortuary of Holman & Lutz at East 14th and Burnside streets formally opened.

**Children CRY for it**

It may be the little stomach; it may be the bowels are sluggish. No matter what coats a child's tongue, its a safe and sensible precaution to give a few drops of Castoria. This gentle regulation of the little system soon sets things to rights. A pure vegetable preparation that can't harm a wee infant, but brings quick comfort—even when it is colic, diarrhea, or similar disturbance.

And don't forsake Castoria as the child grows older. If you want to raise boys and girls with strong systems that will ward off constipation, stick to good old Castoria, and give nothing stronger when there's any irregularity except on the advice of a doctor. Castoria is sold in every drugstore, and the genuine always bears Chas. H. Fletcher's signature on the wrapper.

# INQUIRE ABOUT LIGHT ROADBED PORTLAND FIRE PERILS INMATES OF SANITARIUM

### Adventist Institution Has Early Morning Blaze—Triple Alarm Sends 12 Companies to Scene—Patients Told Later.

PORTLAND, Ore., Nov. 21.—(AP)—A triple alarm sent 12 fire companies to the Portland sanitarium at 4:30 o'clock this morning, where fire, originating in the boiler room, threatened the safety of 90 patients. Heavy fire doors between the room and the main building kept the blaze from spreading and damage was confined to the roof of the small structure.

A. L. Barker, engineer, had left the boiler room for a moment to inspect another part of the hospital plant. Returning, he found the room filled with smoke and flames breaking through the roof.

On the first floor W. A. Grossbacher, a patient who was operated on Wednesday for soire, noticed the blaze through the window and telephoned the fire department.

At almost the same instant the fire was discovered by Anne Stratton, a nurse on the second floor ward, who also sent in an alarm.

Supervisor Stewart of the Taylor exchange, who has answered many hurried calls from the hospital, caught the fire call and summoned all members of the staff and several of the doctors.

Smoke filled the lower floor of the institution and, under the direction of Miss Feryl Jackson, superintendent of nurses, and Dr. W. R. Holden, medical superintendent, all patients were moved into the halls ready to be taken out of the building if necessary.

### STRENGTH SHOWN AT CLOSING TIME IN STOCK MARKET

NEW YORK, Nov. 21.—(AP)—The stock market closed with an outburst of strength today after successfully overcoming an early flurry of liquidation. Early declines of \$1 to \$4 a share in the active issues and \$5 to \$21 in a sprinkling of specialties, were largely wiped out, and scores of issues closed with net gains of \$ 1 to \$13 a share. Rails and public utilities were in the forefront of the advance.

United States Steel common, after selling down to \$165.50, of \$2.50 from yesterday's close, rallied to \$171.87 and closed at \$169.75, a net gain of \$1.75. American Can, Westinghouse Electric, American and Foreign Power and Public Service of New Jersey were among shares closing with gains of \$6 to \$7, and General Electric finished the session at \$226.50, up \$13.

Such shares as Bethlehem Steel, New York Central, Consolidated Gas and Standard of New Jersey recorded net gains of about \$2 to \$4. Otis Elevator, after dropping \$21, completely recovered its loss. Hadia closed 37 cents lower and General Motors and Montgomery Ward closed unchanged.

# DR. REDDY SAYS G. N. FAVORED BY PUBLIC

Public sentiment is strongly on the side of the Great Northern in the hearing now being held before the interstate commerce commission at San Francisco, declared Dr. J. F. Reddy, who returned to Medford on the shasta this noon from the south where he was called as a witness at the hearing.

"The mob is with the Hill lines, but the Southern Pacific is putting up the stronger fight to ward off threatening competition," he said, adding: "The Hill people are railroad builders, and so far have never before had to fight to gain entrance into any territory. On the other hand, the Southern Pacific has had plenty of practice in the past, both in gaining their territories and in holding them against competition. Their case is wonderfully well organized and they are exerting every effort to impress the commission. Prominent speakers and witnesses from all parts of the country are at their disposal."

### Big Sale Starts at Will Wilson's

In order to make room for a large bankrupt stock which has recently been purchased, Will H. Wilson's store on North Front street is offering special reductions in order to clean up the large regular stock. The Will H. Wilson store is now crowded with the usual line of merchandise, so there is no possible room for the incoming bankrupt stock.

Mr. Wilson's sale opened this morning and people from all parts of the Rogue River valley were on hand to avail themselves of the bargains which are being offered.

Oregon Weather.  
Oregon: Fair tonight and Friday; local valley fogs in the west portion Friday morning. No change in temperature. Moderate easterly winds.

# THE MARKETS

### AGED MINER DIES AS WIFE WATCHES

ROSEBURG, Ore., Nov. 21.—(AP)—Throughout a bitter cold night with a wind fire and the roof of a

mine tunnel for warmth and shelter, Mrs. W. Webb cared for her husband, W. Webb, 89, Canyonville miner, until dawn today when resuscitators carried him to Roseburg dead.

Webb suffered a paralytic stroke yesterday while he and his wife were working in their mine four miles west of Canyonville. Unable to move him, Mrs. Webb kindled a maverick fire in the mine tunnel and nursed him throughout the night.

### PHOENIX AID BAZAAR ON FRIDAY AFTERNOON

PHOENIX, Ore., Nov. 21.—(Special.) The Ladies Aid society of the Presbyterian church will hold a bazaar at the church on Friday afternoon. They will have for sale aprons and home-made candy, also other pieces of handmade work. Sandwiches, salad, cake and coffee will be sold. As this will not keep open into the evening all those wishing to take advantage of the chance to buy some lovely Christmas gifts are urged to come early.

### YOUTH WANDERS IN HILLS AFTER THEFT

GRANTS PASS, Ore., Nov. 21.—(AP) Found wandering in the frost bitten hills of Josephine county, a youth giving his name as Albert Taylor of Seattle, was in the county jail here today after he is alleged to have stolen some clothing and cash belonging to a Wolf Creek miner.

### Town Threatened

LA GRANDE, Ore., Nov. 21.—(AP)—The town of Island City, two miles from here, for a time was threatened by fire yesterday when a warehouse containing 10,000 gallons of oil belonging to the Fletcher Oil company burned.

### COPCO EMPLOYEES WILL ENJOY SMOKER TONIGHT

The first Copco Forum smoker of the winter season will be held tonight at St. Mark's Guild hall, the program being scheduled to begin at 8 o'clock. The evening's entertainment is to consist of several amateur boxing bouts, vaudeville stunts and comedy features, followed by a "feed." It is expected that a large number of the male members of the Copco employees' club will attend this lullfest.

Lord Byng Ill.  
LONDON, Nov. 21.—(AP)—Lord Byng of Vimy, who is suffering from congestion of the lungs, passed a good night and his progress today was satisfactory.

# PRECIOUS REMEDY FOR RHEUMATIC PAINS

### Recently Improved and Druggists Praise It

Acute Inflammation, Swelling, Pain and Distress Speedily Surrender

When you are tormented with rheumatic agony you want to get rid of it as soon as possible.

You want to be at work again because you want to bring home the weekly pay envelope so necessary to the comfort of your family.

You want to drive all this suffering out of the system—and keep it out.

Broad minded pharmacists will advise Allenru because they know of the countless number of people it has helped.

They know it is a real remedy because of their training and because the makers of Allenru have so much faith in it that they authorize Jarmil & Woods Drug Store and druggists everywhere to dispense it with the distinct understanding that one big bottle must do what the buyer expects it to do or money back.
