Pupils Please with Piano and Dance Recital

Activities of Legion Auxiliary

Business Meeting

On Monday the 25th, the November business meeting of the American Legion Auxiliary was held in a rejuvenated hall at the Armory. The housing committee, under the leadership of Mrs. Horace Bromley, must have several major wands, as well as a great deal of "elbow grease" to have accomplished such wonders. Clean curtains, lamp shades on the center lights, clean rugs and our own davenport, home once more!

Before the flag salute, Mrs. D. G. Willson gave a short talk entitled, "Respect to the Flag." Oregon's star is the first one in the fourth row from the top. When we never let the flag touch the ground we are only showing pride in our state and nation. There is a reason for every rule of the flag code. Along the line of Americanism work this year the Auxiliary is presenting, under advice of Mr. Hendrick, the National Republic Magazine to the Medford grade schools and the American Legion Monthly to the Junior and Senior High schools and the library.

History Club to Organize

The history club, which will have its organization meeting at the home of Mrs. D. G. Willson at 408 Park avenue this coming Wednesday, December 4, is presenting the library with a good reference on biography works which will be helpful to the general public as well as the club.

Greater Medford Club House Plans Under Way

Upon advice from Mayor A. W. Pipes, the Greater Medford Club was assumed by H. S. Deuel that the commission will secure an engineer to make a survey of the city and that within sixty days if his proposed plans can be presented to the Civic Council.

The City Planning commission has been asked to set aside an area within the city as a location for a civic center which would include a community club house. Mr. Deuel was encouraging in assuring the members this would be done as soon as possible, also grounds for more school buildings would be set aside.

Mr. Deuel kindly answered many questions propounded by members and a brief discussion was held but no definite action taken.

Following the business meeting, Mrs. W. E. Crose, Mrs. H. W. Hamlin and Mrs. W. W. Wagner acted as hostesses at an afternoon of bridge, five tables being in play.

The president of the club, Mrs. Allen E. Drury, held high score. Mrs. Emerson Gould low in progressive. Mrs. Clark high in play and Mrs. John Crews, low.

Mrs. A. N. Green, a recent arrival from Long Beach, and Mrs. Robert Senon of this city, were guests of the club.

Thanksgiving Day

As the program of this meeting was laid around the holiday, Mrs. Soely Hall, our president, gave a most instructive talk on the way we got our present idea of Thanksgiving day, and to come from the antique to the ridiculous, the student committee gave another version of this same day.

First Junior Member

Miss Catherine has been enrolled as the first Junior Auxiliary member of this unit. All daughters and sisters under 18 years are eligible, and when enough are enrolled Medford will have a most interesting program for these younger girls.

The mercury in the Auxiliary membership thermometer has risen to 75 degrees, a most pleasing record since Armistice day. Nine Auxiliary members are striving for the prize which is to go to the single person bringing in the most members before January 1, 1930.

The following new members were initiated into the Auxiliary last Monday evening: Mrs. Annette Dow, Mrs. Edwin Taylor, Mrs. Dan Howard and Mrs. P. B. Rynning.
