

# INDIVIDUALS FEATURE OF GRID YEAR

### Most Remarkable Season in History of Sport Climaxed By Notre Dame Triumph Over Army Saturday—Albie Booth Bright Star—Many 'Breaks' Seen in Big Games.

By Alan Gould, Associated Press Sports Editor. NEW YORK, Dec. 2.—(AP)—The football frenzy is over for 1929 except for a few remaining flourishes in the south and far west. But the picture of a campaign of sparkling individual achievements is still vivid and the argument over championship claims yet is far from settled.

The season that was brought to an Arctic climax Saturday by Notre Dame's ninth straight triumph, at the expense of the gallant Army team, was in many respects the most remarkable in the history of the great American college sport.

The tumult and roar from early October to the last day of November was punctuated by the famous individual performances and long-run thrills despite the new fumble rule, by record-smashing crowds, by an unprecedented epidemic of so-called "breaks" in the big games and by the development of an unusual number of high class teams.

### Elis and Ramblers Dramatic

For sheer drama, Yale and Notre Dame topped the list under circumstances of the most extraordinary variety. Trampled by Georgia early in October, the Elis came back to whip Brown, Army and Dartmouth in successive Saturdays with Albie Booth cutting capers across the historic turf of the Yale bowl such as no one at Northaven had seen in a blue moon.

On successive Saturdays, Booth outplayed two of the game's greatest stars, Red Eagle of the Army and Al Marsters of Dartmouth, to become the most talked and written-about ball carrier since Red Grange, even though the "mighty atom" went into something of an eclipse against Princeton and Harvard.

Kaute Rockne, on a sick bed most of the season as a result of an infected leg, furnished the inspiration for one of Notre Dame's greatest teams, the first unbeaten Irish array since the famous four horsemen dismantled in 1924. In next to their last game, the star center, Tim Moynihan, broke his leg but the team kept on winning, even though it took a "break" and a 100-yard dash by the fastest man on the team, Jack Elder, to beat the Army.

Notre Dame was among the five major teams that finished their seasons unbeaten and untied.

### Three Claimants

Purdue's mighty boiler-makers made it two votes for the state of Indiana. Pittsburg in the east, Tulane in the south and Utah in the Rocky Mountain zone, completed the big five, of this group, based upon the calibre of opposition and performance over the whole course of the campaign.

Notre Dame, Pittsburg and Purdue established the strongest claims to national championship honors. No one of this trio could possibly be picked out for the main award, however, without the loudest kind of a roar from the others.

Three others in the major flight—Tennessee, Texas Christian and St. Mary's of California—showed only a single tie to mar otherwise perfect records. Until their latest games, Tennessee and Texas Christian were up in the very top flight but the volunteers were tied by Kentucky on Thanksgiving day

and Christians held to a 7-7 deadlock by Southern Methodist Saturday. St. Mary's was tied early in the season by California, but came along afterward to hang up the most consistent record of any team on the Pacific coast, while the "big three," Stanford, Southern California and California, cut each other down.

### Colgate Strong

Judged by the strength of their finish, Andy Kerr's powerful Colgate machine ranked with the best in the country, despite an early October setback at the hands of Wisconsin. The Maroon Jugger-naut smashed Columbia, Syracuse and Brown, three strong teams, on successive Saturdays by the aggregate margin of 86 to 0 with an exhibition of power unsurpassed by Pittsburg or any other high-scoring outfit.

Georgia Tech, after two years at the top in the southern conference, tumbled with a resounding thud, losing five games altogether and facing the loss of a sixth in meeting Georgia this Saturday. Detroit, after a two-year winning streak, was led by Marquette and later beaten by Oregon State in one of the outstanding upsets of the season. The two-year reign of Illinois in the big ten group was ended by the rise of Purdue, Texas southwest champion, was dethroned.

## WOMEN'S TOURNEYS ENDED UNTIL SPRING

It has been decided to hold no more women's tournaments at the golf club until next spring, so there will be no special event at the club on Wednesday of this week.

What proved to be the last women's tournament of the year was held last Wednesday and was won by Mrs. W. J. Yawter with a net of 44. Mrs. Dave Wood was second with a net of 55. Mrs. Tom Fuson won the putting contest with the remarkable score of 16 for the nine holes.

## RAMBLER LINE STAR GOING TO CREIGHTON

OMAHA, Neb., Dec. 2.—(AP)—The Omaha Bee-News said today that Jack Cannon, star guard on the Notre Dame football team, had accepted an offer to become the coach at Creighton university here next year.

Cannon, it said, plans to study medicine at Creighton in addition to being a member of the coaching staff. Chet Wynne, a former Notre Dame player, is head coach.

## CLARK HINKLE BUCKNELL ACE TOPS SCORERS

### Chunky Fullback Totals 128 Points for Season—Tennessee Has Outside Chance Overcome Lead—Wilson Third.

(By the Associated Press.) The national football individual scoring crown seems destined to rest on the head of Clark Hinkle, chunky fullback of the Bucknell Bruins.

Hinkle broke loose for 50 points against Dickinson on Thanksgiving day to boost his season's total to 128, thus superseding Al Marsters, injured Dartmouth star, as the national, as well as eastern, leader. The only player in the country with even an outside chance of overthrowing Hinkle is Gene McEyer of Tennessee. Hinkle has completed his season's work but McEyer and Tennessee have yet to meet South Carolina. McEyer, holding second place in the list of scoring leaders of each of the eight major groups or conferences, has 97 points to his credit thus far and needs to score 32 against South Carolina to displace Hinkle as the national leader.

Schwartz, Washington State, is sixth on the list with a total of 81. The leader in each of the major groups, as compiled by the Associated Press, follows:

East: Hinkle, Bucknell, fullback—games, 16; touchdowns, 21; point after touchdown, 2; field, 0; grand total, 128.

South: McEyer, Tennessee, halfback—games, 8; touchdowns, 16; point after touchdown, 1; field, 0; grand total, 7.

Southwest: Wilson, Baylor, quarterback—games, 11; touchdowns, 14; point after touchdown, 1; field, 0; grand total, 97.

Pacific: Schwartz, Washington State, fullback—games, 16; touchdowns, 14; point after touchdown, 0; field, 0; grand total, 84.

Rocky Mountain: Clark, Colorado College, quarterback—games, 7; touchdowns, 9; point after touchdown, 8; field, 2; grand total, 64.

Missouri Valley: King, Drake, quarterback—games, 9; touchdowns 9; point after touchdown, 5; field, 0; grand total, 59.

Big Ten—Bergherm, Northwestern, fullback—games, 8; touchdowns, 8; point after touchdown, 5; field, 5; grand total, 58.

Big Ten: Pharmer, Minnesota, halfback—games, 8; touchdowns, 7; point after touchdown, 8; field, 2; grand total, 53.

Big Six: Young, Nebraska, fullback—games, 8; touchdowns, 5; point after touchdown, 0; field, 0; grand total, 30.

## MEDFORD GRADS SAW GRID ACTION

Former Medford high school football stars, on the University of Oregon freshman squad this fall, saw plenty of action, and Al Stoehr, a big guard, led all the 21 members of the squad with 248½ minutes of playing. Bernie Hughes, center, was second with 216 minutes. Bill Morgan, tackle, played 202½ minutes; Jack Hughes, guard, 156 minutes; Clifton Garnett, back, 128 minutes; William Bowerman, guard, 104½ minutes; and Clifford Moore, back, 14½ minutes.

Five games were played, and it was possible to play 200 minutes. Moore, the Medford player with the lowest time, was 14th on the list prepared by the University of Oregon.

## JACKSONVILLE HUNTERS AFTER KLAMATH DUCKS

JACKSONVILLE, Ore., Dec. 2.—(Sp.)—Among those from Jacksonville who left Saturday evening for Klamath Falls to hunt ducks were Ray Coleman, James Littell, Dan Shuss and John Norris.

## Eat Everything without Fear of Indigestion

## Retains Title

Walter Olsen of Rio, Ill., successfully defended his title as national cornhusking champion at Platte City, Mo., by winning the sixth annual husking contest.

## DENNIS DECLARES ANXIETY TO SHOW ABILITY LAND KO

"Colored boys are my meat," declared Tom Corbett, two-headed headed Sacramento, Cal., fighter, this afternoon on his arrival to meet Kid Dennis, negro fighter of Denver, Colo., in the main event of a boxing card at the armory tonight. "I have met seven colored boys and I won a victory over each, and it almost does me good to think I am to fight another," he said.

Corbett, a fighter of 172 pounds, with a pleasant personality, reviewing his record this afternoon, said he has fought 55 times, losing only six times.

Corbett has not fought since winning over K. O. White, the Chicago negro, here two weeks ago and appears to be in the pink of condition. He has been fighting six years, giving him ample ring experience, he declares, to cope with anything Dennis, a Denver headliner, may have to offer.

Dennis is also in Medford and declares he does not plan to undergo another knockout, but rather to hand one out himself, having won 19 of 26 victories by the knockout route. He is anxious to show southern Oregon fans he is a good man, and plans to do that by winning over the California boy.

Teddy Miske of Klamath Falls, 135 pounds, will find no easy mark when he meets Joe Martinez of Sacramento in the six-round semi-windup. Martinez is a crafty fighter and showed up well when he fought here in the last smoker with Billy Breedlove of Bend. Since that fight Martinez won by a knockout over Kid Allerson, Nevada fighter, at Reno in four rounds and also boxed a six-round draw at Reno with Jackie Roberts.

## TRAIN DERAILMENT TAKES TOLL OF 9

ONLEY, Va., Dec. 2.—(AP)—Salvage crews today were removing the last of the wreckage of a train that left the rails, piling up eight coaches with a death toll of nine persons and an injured list of 24. The train was bound with excursionists.

Calm orders, "Save women and children first," shouted by Karl F. Chenoweth, boatswain's mate, attached to the battleship Oklahoma, probably saved scores from death in the stampede that started in an overturned third car, said A. V. Kemp of Norfolk, a survivor. Chenoweth was injured himself.

Doctors said that Mrs. Kemp was saved from death by the sailor, who tied a handkerchief above Mrs. Kemp's half-severed wrist.

## AUTHOR OF OREGON ESSAYS SUCCUMBS

PORTLAND, Ore., Dec. 2.—(AP)—News of the death in New York of Dallas Lore Sharp, author of "Where Rolls the Oregon," has been received here by William F. Finley. He was born in New Jersey in 1879 and was characterized as the greatest nature writer since John Burroughs.

He came to Oregon in 1912 to spend one summer here. This led to the writing of the series of essays on out-of-doors, animals and birds contained in "Where Rolls the Oregon."

## LOCALS TO PLAY ASHLAND TWICE IN HOOP SEASON

The basketball schedule for the southern Oregon conference, composed of Ashland, Klamath Falls, Grants Pass and Medford, has been completed. It calls for two games instead of four games, as in previous years, between the Medford and Ashland high schools. The first game will be played at Ashland, Friday, February 14, and the second will be played two weeks later, February 28 in Medford.

Practice games will probably be played here January 3 and 4. The first conference game will be played January 11 with Grants Pass. January 17 the Medford team plays Klamath Falls at Klamath Falls.

Friday and Saturday, January 24 and 25, are open dates, and Coach Murrell Hazen is negotiating for games here with the Oregon Frosh. February 7 and 8 are also open dates, when the Frosh squad may play if the January dates are unacceptable.

January 31 the Medford team plays Grants Pass at Grants Pass. The week following the first Ashland game, February 21—Klamath Falls plays here.

March 7 and 8 are left open for contests with secondary schools of the county.

Letters were mailed Saturday to the Eugene, Corvallis and Salem high schools, inviting these schools to play games. It is probable that the Oregon State Reels, with "Red"

## LAST WORK OF SECRETARY IN ARMY REPORT

WASHINGTON, Dec. 2.—(AP)—The signature of James W. Good, whose cabinet career was cut short by death, was imprinted on the annual report of the war department submitted today to President Hoover, who still wears a mourning band for his friend and counselor.

Departing from the stereotyped and cold arrays of facts and figures which usually make up government summaries of the year's activities, Mr. Good found place in the document, completed just as he was seized with the illness from which he died, to insert some telling phrases describing his own conception of the needs of soldiers and armies.

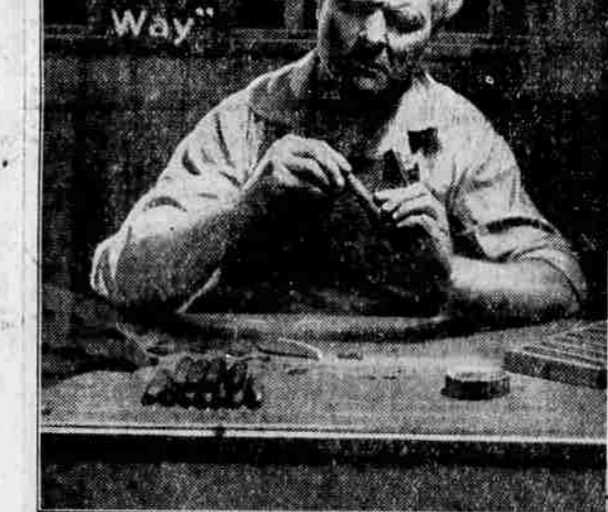

Mr. Good placed the strength of the regular army at 130,337 men on June 30 last. There were 19,899 men in the air corps and army pilots flew 288,542 hours during the year, an increase of 89,648 hours over the previous year. The National Guard, with a strength of 176,988, was in a "most gratifying" condition, he said. There were 112,557 names on the officers' reserve corps list, while the reserve officers' training camps had been accepted by the country as a desirable contribution to good citizenship.

A one-man one-motor combine of Australian invention is being tried on western grain fields.

## PIONEER WOMAN DIES ASHLAND LAST NIGHT

Mrs. Alameda Nichols Carlton, born at Eagle Point 73 years ago, died last night at Ashland, where she had been residing. She was the widow of S. A. Carlton and was regarded as one of the oldest southern Oregon natives.

# They warned us against the word "SPIT"

### But— we felt that smokers should know the truth about spit-tipped cigars

Within the memory of nearly every smoker is a picture of some old, filthy cigar shop where the man in the window rolled the leaves with dirty fingers... and spit on the ends.

Cigars turned out under such conditions may endanger health. Why take chances? Why risk your health when Certified Cremo offers you the finest smoke enjoyment plus the sanitary cleanliness of certified foods... a cigar endorsed by Alfred W. McCann?

Over \$7,000,000 was spent in perfecting the method of manufacture which puts Certified Cremo miles ahead in sanitary goodness. Every tobacco leaf entering the clean, sunny Certified Cremo factories is scientifically treated by U. S. Government approved methods. And its purity is safeguarded along every step of the way by amazing inventions that fill, wrap and tip Certified Cremo without the menace of spit!

### Certified For Your Protection

by Alfred W. McCann, D. Litt., A. B., LL.D., noted pure food expert, long active in crusades for pure foods and sanitary factories.

"Most diseases enter the body through the mouth... but I emphatically say that no smoker of Cremo ever runs this risk. Because the method of manufacture aims to give Cremo the same standard of purity that pasteurization gives to milk."
