

Acute Indigestion?

Heath's Says Pleasant to Take Elixir Must Help Poor Distressed Stomachs or Money Gladly Refunded.

You can be so distressed with gas and fullness and bloating, that you think your heart is going to stop beating. Your stomach may be so distended that your breathing is short and easy. You are dizzy and pray for quick relief—what is to be done? Just one tablespoonful of Heath's Mentha Pepsin and in ten minutes the gas disappears, the pressing on the heart ceases and you can breathe deep and naturally. Oh! What blessed relief, but why not get rid of such attacks altogether? Why have chronic indigestion at all? Especially when Heath's Drug Store or any druggist anywhere guarantees Heath's Mentha Pepsin to end indigestion, or money back.

COOS WARDENS NAB CATCH AND FISH POACHERS

Largest Seizure of Illegally Caught Salmon Made in Marshfield—Believe Fish Taken From Rogue Carried By Truck.

Evidence of poaching on southern Oregon fish streams, in spite of the fact that several deputies have been placed along the Rogue river to enforce the law, has been accumulated by members of the Jackson County Fish and Game Protective Association and other sportsmen's organizations in this section of the county.

Following is a story taken from a Coos Bay paper on the subject: The largest seizure of illegally caught salmon ever taken in southwestern Oregon, was made late Saturday by Assistant Game Warden Arthur Fish and C. A. Harring, deputy warden. The seizure, made at the plant of Charles Feller, wholesale fish dealer of Marshfield, resulted in the filling of two complaints against O. J. Pidgeon this afternoon. Eight thousand pounds of chinook, steelhead and silverside salmon were seized.

One complaint charged Pidgeon with unlawfully desling, handling and selling of fish, without a license, and the other charge alleged that O. J. Pidgeon was the unlawful possessor of salmon unlawfully caught in the water of the state of Oregon. The complaints were filed in the court of Justice Stanley of Coquille.

The Feller fish company at this time is implicated to no extent other than that the illegal load of fish was being made ready to unload at the Feller company plant.

The seizure was made after Assistant Warden Fish had been notified that an illegal load of fish was being hauled from Bandon to Marshfield by truck. As Harring and Fish made the seizure the truck was just being opened preparatory to unloading the salmon. The haul consisted of about 50 per cent prime fish and 50 per cent which were not at the prime stage. A great many of the fish were ready to spawn and hundreds of pounds of eggs were taken from the fish when they were dressed. The fish ranged from grade one and two's down to culis.

The fish were taken to the Justrom fish company by the wardens and today were placed up for sale by the state game commission. The highest bidder to receive the fish, with the commission reserving the right to refuse any or all bids. Both the Feller and Justrom concerns turned in sealed bids for the salmon.

Believed From Rogue The fish were thought to have been taken from the Rogue river and first taken to the Feller fish station at Bandon and then transferred to another truck that brought them here. According to Assistant Warden Fish, conditions have been very good on the Rogue and little trouble has been experienced until the last few days. Fishing in streams south of Coos Bay was closed on November 20.

Delphinus Study Music At Morning Meeting

The study of music, which fortunately in most cases could be illustrated by phonographic reproductions, was covered interestingly at the Delphinus meeting held at the public library from 9:30 to 11:30 this morning.

A business meeting preceded the program, followed by a parliamentary drill. Mrs. John Crews handled the subject of "Rhythm in Mediaeval Church Music," and covered the subject of Descamp.

Mrs. W. A. Grant, former president of the Delphinus at Bend, and lately affiliated with the local chapter spoke on the subject, "Franco's Measured Music," and "The Scope of Secular Music." Mrs. R. W. Sleeter reported on "Troubadours and Minstrels."

"The Meister Singer and the Musical Guild," was the subject of a talk given by Mrs. R. C. Mulholland. Following this came the supervisor's summary, given by Mrs. R. V. Williams, supervisor. The program was rounded out by the usual report on current events.

Guild Bazaar Is Financial Success

Over 200 attended the St. Mark's Guild Bazaar which opened at one o'clock in the parish hall yesterday. Ten tables of bridge were played and tea served through the afternoon under the direction of Mrs. William Andrew. The displays of Christmas gifts and fancy work were completely disposed of before five o'clock, assuring the Guild Workers of a splendid financial success.

RELATIVE REIMBURSES CLERIC FOR BAD CHECK

Rev. Bill Ray, radio preacher, who two weeks ago married a young couple only to be given a bogus check to cover the fee, attended his charge that the groom was "the meanest man in the world" to read that he was only "one of the meanest." This was prompted, explained Bill, not because of any redeeming act on the part of the bridegroom himself, but because the latter had an honest and upright relative who this morning made all the checks good around town.

Yes, Bill has been reimbursed.

Beautiful Legs Often Marred by Varicose Veins

You'll have to admit that even though you might have the most shapely legs in the world, one big thick vein can ruin their entire beauty and attractiveness. You didn't know it was possible to get rid of those swollen veins and bunches? Indeed it is—all you do is get a bottle of Moore's Emerald Oil at Heath's or any drug store. The great penetrating, soothing and antiseptic power of most immediately steps any pain or soreness. In swift time it reduces the most dilated veins back to normal size.

Be able to wear the shiestest hose, have people compliment you on your lovely legs, be free from the horrible embarrassment of people criticizing your unsightly swollen veins, enjoy blessed relief from sore, tender, aching feet—Moore's Emerald Oil shows you the simplest, most economical yet the quickest and most efficient way.

SPRAY INSPECTION COST IS LOWERED

Spray residue inspection the past season cost an average of 0.25¢ per inspection, according to a report filed with the Rogue River Traffic association today. In 1928, the average cost was 0.66¢.

Raymond Heter reported that he had received word from New York City that Prof. Henry Hartmann now collecting marketing and storage data there, that 75 per cent of the pears sold by retailers were in good edible condition, which was contrary to local belief.

Most of today's session was devoted to a discussion of the Pear Growers' Council meeting held this week at Davis, Calif. A report was made by President Rosenberg, who said that a statement of facts was now being prepared, and that a report would be published when ready for release.
