### Half Million Dollars Spent on Homes in Medford, 1929

More fine residences, ranging in price from \$10,000 to \$50,000 were built in Medford during 1929 than any previous year in the city's history. Here are nine of the more expensive homes out of over a hundred new ones constructed.

While total building construction in Medford in 1929 was third highest the residence construction total was twice what it had ever been before. The cost of new residences alone amounted to approximately \$300,000, and adding cost of real estate, new furnishings and landscape gardening the total approximated half a million. The residences shown on this page are as follows: (One), George M. Roberts, (Capital Hill); (Two), Hamilton Dalton, (Reservoir Terrace); (Three), Clem Childers, (Bear Creek park); (Four), Mrs. Marjorie Feasley, (Capital Hill); (Five), William Vawter, (Glen Oak Court); (Six), ex-Mayor O. O. Alenderfer, (South Oakdale); (Seven), R. M. Paddock, (Glen Oak Court); (Eight), Charles Stacy, (Glen Oak Court); (Nine), B. L. Lageson, (Glen Oak Court).
