Wall Street Report

NEW YORK, Jan. 4.—(AP)—Wall Street witnessed another trading market today during which pools succeeded in marking up a select assortment of public utility, motor, and merchandising issues. Week-end profit taking and "bear selling" accounted for a number of soft spots scattered throughout the trading. There was a slight advance in the market yesterday, the sales for the two-hour session aggregating about 1,200,000 shares. Week-end business news threw little light on the general trend of business, although a more cheerful feeling was apparent in many trade circles. Opening of the New York automobile show today drew attention to the motor group. Hudson and Nash were bid up 2 1/2 points and Pierce Arrow, Mack Trucks, Graham, Paige and Marmon advanced a point or more before profit-taking checked the advance. General Motors, which announced a price reduction for its Chevrolet line, moved within a rather narrow range.
