

MEDFORD WOMAN COLLABORATES IN COMPOSING HYMN

Oregon newspapers have recently given much praise to Daniel H. Wilson, Portland composer, and Mrs. Frona Bray of this city, who jointly composed the beautiful hymn, "O Lord, I Come on Bended Knee," which has been a veritable sensation in Oregon church circles. The Portland Morning Oregonian has this to say concerning the new hymn: "Daniel H. Wilson, a Portland composer of esteemed music, has just published a new composition, "On Lord, I Come on Bended Knee," with words by Frona Bray. The words vision the approach of a penitent to the sacramental altar, and breathes a spiritual conviction of coming peace. The music is set in the key of A-flat, is easy to read, is suited to the compass of ordinary voices, as the highest is E-flat, just below the top line of the treble staff. The music creates reverence and beauty of thought, and is skillfully written." The Portland Journal has this comment to make: "O Lord, I Come on Bended Knee" is the title of a hymn, words by Frona Bray of Medford, set to music by Daniel H. Wilson of Portland, and just published. It is a

smoothly flowing melody with a refrain in duet form." The Portland Telegram offers this comment: "A new sacred song with words by Frona Bray of Medford, Ore., and music by Daniel H. Wilson, prominent member of the Oregon Society of Composers, has just been published. It is entitled "O Lord, I Come on Bended Knee." "A combination of beauty and reverence," is the opinion of the music editor of the Portland News, while other Oregon newspapers have likewise expressed their enthusiastic approval of the new hymn. Mrs. Bray is receiving commendation from far and wide and the sale of her new composition has been gratifying. Medford church congregations have enjoyed "O Lord, I Come on Bended Knee," and Frona Bray's new hymn is being widely used in churches of this city. Palmer Music House is featuring this composition in its sheet music department.

With moderation THE GRIM SPECTRE of that future shadow may be avoided

AVOID THAT FUTURE SHADOW* By refraining from over-indulgence, if you would maintain the modern figure of fashion

Fashion revels in the soft, enchanting curves of the modern figure. Don't sacrifice that graceful contour by permitting your eyes to be bigger than your stomach. Be moderate—be moderate in all things, even in smoking. Eat healthfully but not immoderately. When tempted to treat yourself too well, when your eyes are bigger than your stomach, light a Lucky instead. Coming events cast their shadows before. Avoid that future shadow by avoiding over-indulgence if you would maintain the modern, alluringly-rounded figure. Lucky Strike, the finest Cigarette you ever smoked, made of the finest tobacco—The Cream of the Crop—"IT'S TOASTED." Everyone knows that heat purifies and so "TOASTING" not only removes impurities but adds to the flavor and improves the taste.

"Coming events cast their shadows before"

"It's toasted"

*Be Moderate!... Don't jeopardize the modern form by drastic diets, harmful reducing girdles, fake reducing tablets or other quack "anti-fat" remedies condemned by the Medical profession! Millions of dollars each year are wasted on these ridiculous and dangerous nostrums. Be Sensible! Be Moderate! We do not represent that smoking Lucky Strike Cigarettes will bring modern figures or cause the reduction of flesh. We do declare that when tempted to do yourself too well, if you will "Reach for a Lucky" instead, you will thus avoid over-indulgence in things that cause excess weight and, by avoiding over-indulgence, maintain a modern, graceful form.

COMPANY RETAINS OLD DIRECTORATE

The first annual stockholders meeting of the Medford Investment company was held Monday night, January 6, at the offices on Sixth street, the most important business being the election of the board of directors.

Members of the board who were elected when the company was organized in 1928 and were re-elected last night are: H. S. Deuel, Fred L. Heath, W. W. Allen, J. H. Cooley, W. H. Lydiard, Dr. B. R. Elliott and Hamilton Patton.

"The stockholders are satisfied with the progress made in the corporation thus far, and they requested the directors to investigate the possibilities of an expansion program for 1930. If this plan is recommended by the directors the public will be given an opportunity to share in it to a considerable extent," Mr. Patton said today.

PLESIK WOMAN TO FACE GRAND JURY

The grand jury, which began its deliberations yesterday on a number of criminal matters, resumed sessions this afternoon with the probability that the case of Pauline Plesik, Austrian transient woman held on a robbery charge, would be up for investigation.

The jury yesterday heard evidence in the assault with intent to kill and robbery while armed with a dangerous weapon charges against Jack Donoghue, arrested last month. Donoghue is also implicated in the crime committed by Pat Bohan, junk dealer, was allegedly tortured by himself, Mrs. Donoghue and A. E. Johnson of Jacksonville.

The jury may also hear evidence in connection with two suspected arson cases, in addition to several moonshine charges.

The inability of Mrs. Minnie Stokel to come to Medford from Cold Hill because of icy pavement held the jury from meeting this forenoon.
